I. APPLICATION INSTRUCTIONS FOR FPCA

The Federal Post Card Application (FPCA) is the primary form for requesting registration and/or an absentee ballot from your local election official. **Read all instructions printed below and on the FPCA before completing and signing your application.** Circled letters correspond to the circled letters on the sample form on the preceding page.

- A** **Block 2.f and 2.g:** The last four digits of your Social Security number or your Ohio Driver's License number is required for voter registration. If you do not possess either of these identifications, the state shall assign a number that will serve to identify you for voter registration purposes.
- B** **Block 3.a through 3.e:** Provide the complete street address of your Ohio voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. For example: "on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station." This address must be different from the one provided in Block 4 and must be within the county where you claim legal voting residence.
- C** **Block 4.a:** Print the complete address where you want your ballot sent - usually your current mailing address. It must be different from the address you provided in Block 3.
- D** **Block 4.c:** See Section II.D. or III.D.
- E** **Block 5:** **If you do not list a party affiliation, you cannot vote in partisan primary elections.** You must indicate your political party affiliation when applying for a partisan primary ballot (Example: Democrat, Republican) or "issues only" if you want to vote questions and issues and not candidates in Block 5 of the FPCA. Political party affiliation is not required if requesting absentee ballots for non-partisan primary and general elections. If you voted in a primary election within the last two calendar years and you now want to change your political party choice or you have previously declined to indicate a political party and you now want to vote in a primary election, you must submit a completed FPCA which includes your political party affiliation to the local election official.
- F** **Block 6:** Fill in the length of time you resided in Ohio immediately before leaving Ohio. ("I was an Ohio resident for _____.")

Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.

- G** **Block 7:** You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

II. UNIFORMED SERVICES

These procedures apply to persons who are U.S. citizens, residents of Ohio and members of the Uniformed Services and their spouses and dependents residing outside Ohio to be with or near such service members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

A. Registering and Requesting an Absentee Ballot

If you are an absent uniformed services voter, or an overseas voter, submitting an FPCA for both voter registration and absentee ballot application under the *UOCAVA*, you may request that your FPCA be considered an application for an absentee ballot for each subsequent election for Federal office held in Ohio for which you are eligible to vote, through the next two regularly scheduled elections for Federal office.

To register and request an absentee ballot, send a completed FPCA to the county board of elections so that it arrives not later than 30 days before the election.

If you are already registered and only wish to request an absentee ballot, send a completed FPCA to the county board of elections so that it arrives not later than noon on the third day before the election.

B. Casting Your Vote

Ballot Return Deadline: When returned within the U.S., the voted ballot must arrive at the appropriate county board of election's office not later than the close of polls on election day.

If you are voting from outside the U.S., your ballot will be counted if it arrives at the appropriate county board of elections **not later than 10 days after an election or 20 days after a presidential primary election,** as long as it is signed not later than the close of polls on election day.

Local election officials begin mailing absentee ballots not later than 35 days before an election or 25 days before a presidential primary election.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot.** See instruction in Chapter Two.

C. Notary/Witness Requirements

Voting registration forms and absentee voting materials are not required to be notarized or witnessed.

D. Electronic Transmission of FPCAs and Ballots

- Ohio allows you to send the FPCA for ballot request by fax. After faxing, submit the original FPCA by mail. Ohio does not allow you to send the FPCA for registration by fax.
- Ohio allows you to receive the blank ballot by fax.
- Ohio does not allow you to return the voted ballot by fax.

Please refer to appendix B for specific instructions when transmitting election materials electronically. **You may fax directly to the appropriate county board of elections or use the following numbers:**

DSN 223-5527
(703) 693-5527

1-800-368-8683

(from U.S., Canada, Guam, Puerto Rico, Virgin Islands only)

International toll-free fax numbers

(See inside back cover)

E. Application for Ballot by Proxy

If you are a member of the Armed Forces on active duty, or the spouse or dependent of a member of the Armed Forces on active duty, your father, mother, father-in-law, mother-in-law, grandfather, grandmother, brother, sister, son, daughter, stepparent, stepchild, uncle, aunt, nephew or niece may request an absentee ballot for you, using either a special form provided by the county board or an FPCA.

F. Bars to Registration and Voting

Persons adjudicated incompetent for voting purposes or currently incarcerated for a felony may not register or vote.

G. Cancellation of Registration

The registration of any elector to whom confirmation notice is sent shall not be cancelled unless the elector: (1) during the period of two federal elections subsequent to the mailing of the confirmation notice: (a) fails to respond to the confirmation notice or otherwise update the registration, and (b) fails to vote in any election; or (2) sends a written request, bearing the elector's original signature, to the appropriate county board of elections requesting election officials to cancel the elector's voter registration in that county.

H. Action on Registration Requests

Notice of acceptance or denial is sent.

I. Action If Registration Is Denied

Upon denial of your voter registration application or absentee ballot request, the county board of elections will provide you with the reason(s) for the rejection. If registration is denied, submit a request for reconsideration to the director of the board of elections. If a second request is denied, consult a legal assistance officer or civilian counsel.

J. Late Registration

If a member of the U.S. Armed Forces is discharged after the voter registration deadline, that person and the person's spouse are permitted to vote before election day at the office of the board of elections in the county in which he or she is eligible to register.

III. CIVILIANS OUTSIDE U.S.

These procedures apply to persons who are U.S. citizens, residents of Ohio and overseas citizens. The term "overseas citizen" means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Ohio.

- residents of Ohio temporarily residing outside the U.S. (for local, state and Federal office ballots)
- overseas citizens (for Federal office ballots only)

A. Registering and Requesting an Absentee Ballot

If you are an overseas voter submitting an FPCA for both voter registration and absentee ballot application under the *UOCAVA*, you may request that your FPCA be considered an application for an absentee ballot for each subsequent election for Federal office held in Ohio for which you are eligible to vote, through the next two regularly scheduled elections for Federal office.

To register and request an absentee ballot, send a completed FPCA to the county board of elections so that it arrives not later than 30 days before the election.

To request an absentee ballot if you are already registered, send a completed FPCA to the county board of elections so that it arrives not later than noon on the third day before the election.

B. Casting Your Vote

Ballot Return Deadline: Voted ballot must be signed, mailed and postmarked not later than the **close of the polls on election day**. It will be counted if it is received at the appropriate county board of elections not later than 10 days after an election or 20 days after a presidential primary election.

Local election officials begin mailing absentee ballots not later than 35 days before an election or 25 days before a presidential primary election.

If you have not received your regular absentee ballot for a Federal general election in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions in chapter two.

C. Notary/Witness Requirements

Voting registration forms and absentee voting materials are not required to be notarized or witnessed.

D. Electronic Transmission of FPCAs and Ballots

Ohio does not allow electronic transmission of the FPCA, the blank absentee ballot or the voted absentee ballot.

E. Bars to Registration and Voting

Persons adjudicated incompetent for voting purposes or currently incarcerated for a felony may not register or vote.

F. Cancellation of Registration

The registration of any elector to whom confirmation notice is sent shall not be cancelled unless the elector: (1) during the period of two federal elections subsequent to the mailing of the confirmation notice: (a) fails to respond to the confirmation notice or otherwise update the registration, and (b) fails to vote in any election; or (2) sends a written request, bearing the elector's original signature, to the appropriate county board of elections requesting election officials to cancel the elector's voter registration in that county.

G. Action on Registration Requests

Notice of acceptance or denial is sent.

H. Action If Registration Is Denied

Upon denial of your voter registration application or absentee ballot request, the county board of elections will provide you with the reason(s) for the rejection. If registration is denied, submit a request for reconsideration to the director of the board of elections. If a second request is denied, consult a legal assistance officer or civilian counsel.

I. Late Registration

If a member of the U.S. Armed Forces is discharged after the voter registration deadline, that person and the person's spouse are permitted to vote before election day at the office of the board of elections in the county in which he or she is eligible to register.
