## I. APPLICATION INSTRUCTIONS FOR FPCA

The Federal Post Card Application (FPCA) is the primary form for requesting registration and/or an absentee ballot from your local election official. **Read all instructions printed below and on the FPCA before completing and signing your application.** Circled letters correspond to the circled letters on the sample form on the preceding page.

- A Block 2.f and 2.g:** You must provide your Texas Driver's License number or personal identification number issued by the Texas Department of Public Safety. If you do not have a driver's license or personal identification number, then you must provide the last four digits of your Social Security number. If you have not been issued any of these identification numbers, then you must state that fact.
- B Block 2.h and 2.j:** To foster communication with your local election official, you may include a phone number or email address here.
- C Block 3.a through 3.e:** Provide the complete street address of your Texas voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. For example: "on Highway \_\_\_\_\_, 2 miles past Highway \_\_\_\_\_, across the street from the \_\_\_\_\_ gas station." This address must be different from the one provided in Block 4 and must be within the county or township where you claim legal voting residence.
- D Block 4.a:** Print the complete address where you want your ballot sent - usually your current mailing address. The mailing address must be an address outside the county of voting residence (including an address within the county of voting residence used for forwarding or delivery of an early voting ballot to you at a location outside the U.S.)
- E Block 4.c:** This form acts as a request for a mailed absentee ballot only. Texas does not allow you to receive the absentee ballot electronically. See Section II.D. or III.D.
- F Block 5: If you do not list a party affiliation, you cannot vote in primary elections.** You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Block 5 of the FPCA. Political party affiliation is not required if you request early voting ballots only for general elections.
- G Block 6:** If the address given in Block 4 is within the county of your voting residence, you must state that the balloting materials will be forwarded to you at an address outside the U.S. If you want a Special State Write-In Ballot in lieu of an officially printed ballot, indicate "Special State Write-In Ballot" in this item (military only).

Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a

ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.

- H Block 7:** You must sign and date the FPCA. By signing, you are swearing or affirming that the information is true and correct.

## II. UNIFORMED SERVICES

These procedures apply to persons who are U. S. citizens, residents of Texas, and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

### A. Registering and Requesting an Absentee Ballot

You should send an FPCA to your Early Voting Clerk at the beginning of every year and whenever you change your mailing address (see Chapter Two).

**To register and request an early voting ballot for local, state and Federal offices,** send a completed FPCA to the Early Voting Clerk in the county of your voting residence not later than the 20th day before the election. If the 20th day before the election is a Saturday, Sunday or a legal state or national holiday, your FPCA must be submitted by the next business day. Persons who are registered to vote by FPCA only may not use this procedure to vote in person.

If you submit your FPCA between the 19th and the 7th day before the election and you are **not** permanently registered, you will receive a ballot for Federal offices only.

**To register permanently,** use the FPCA to request the Texas voter registration form from the County Voter Registrar. Complete the Texas voter registration form and return it to the County Voter Registrar postmarked not later than 30 days before the election. If the 30th day before an election is a Saturday, Sunday, or a legal state or national holiday, your application submitted by mail will be considered timely if it is postmarked by the next business day.

Your FPCA will be effective for a period covering two Federal general elections after you submit your FPCA. For example, if you submit an FPCA in January 2008, it will be effective through the November 2010 general election.

### B. Casting Your Vote

**Ballot Return Deadline:** Voted ballot **must arrive by the close of polls** on election day. If you are casting a ballot from outside the U.S., it must be **placed in delivery by 7:00 p.m. on election day** so that it arrives at the Early

Voting Clerk's office not later than five (5) days after the election. If the fifth day falls on Saturday, Sunday or legal state holiday, the deadline is extended to the next business day.

Local election officials must mail early voting ballots at least 45 days before the November general election.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions below in II.F. and in Chapter Two.

### C. Notary/Witness Requirements

Registration or voting materials are not required to be notarized or witnessed.

### D. Electronic Transmission of FPCAs and Ballots

- Texas allows you to send the FPCA to request an absentee ballot and for temporary registration only by fax.
- Texas does not allow you to receive the blank ballot by fax.
- Texas allows you to return the voted ballot by fax if you are a member of the U.S. Armed Forces on active duty overseas, or the spouse or dependent of the member, and you are casting the ballot from an area in which members of the Armed Forces are eligible to receive hostile fire pay or imminent danger pay, or that has been designated by the President of the U.S. as a combat zone.

Please refer to Appendix B for specific instructions when transmitting election materials electronically. Use the following numbers:

DSN 223-5527  
(703) 693-5527

1-800-368-8683

(from U.S., Canada, Guam, Puerto Rico, Virgin Islands only)

International toll-free fax numbers

(See inside back cover)

### E. Special State Write-In Ballot

Texas provides a special state write-in ballot if you are unable to cast a ballot on election day or during the regular period of early voting because of a military contingency. You may use this special state write-in ballot to write in the name of an official candidate. If you apply for a special state write-in ballot, you will not be sent the official regular ballot from the state, unless the officially-printed ballot is available for mailing at the time your FPCA is received.

You may apply for this special state write-in ballot not earlier than the 180th day before the election. If you wish to receive a special state write-in ballot for any election held outside the 180 days of submission of your initial FPCA, you must make another request for the special state write-in ballot.

To request the special state write-in ballot, indicate in **Block 6 of the FPCA** "Special State Write-In Ballot." The ballot will be mailed as soon as your FPCA has been approved by the Early Voting Clerk.

### F. Federal Write-In Absentee Ballot

Texas has expanded the use of the Federal Write-In Absentee Ballot (FWAB), SF 186. The instructions described in Chapter Two of this *Guide* remain the same, except that Texas allows eligible Uniformed Services voters to use the FWAB to vote in any general, special, primary or runoff election for Federal office.

### G. Bars to Registration and Voting

Convicted felons, while serving their sentence, parole or probation, and persons declared mentally incompetent by final judgment of a court may not register or vote.

### H. Cancellation of Registration

Change of residence may trigger being placed on the suspense list and could result in cancellation of permanent registration. If cancellation of registration occurs, re-registration is required.

### I. Action on Registration Requests

You will receive a notice of denial if your FPCA is rejected.

### J. Action Upon Denial of Registration or Absentee Ballot Request

Upon denial of your voter registration application or absentee ballot request, Texas shall provide you with the reason(s) for the rejection. Provide the information requested in the notice of denial. If registration is again denied, consult a legal assistance officer or civilian counsel.

## III. CIVILIANS OUTSIDE U.S.

These procedures apply to persons who are U.S. citizens, residents of Texas, and overseas citizens. The term "**overseas citizen**" means a U.S. citizen who resides outside the U.S., whose intent to return is uncertain, and (but for such residence) would be qualified to vote in Texas.

- Texas residents temporarily residing outside the U.S. (for local, state, and Federal office ballots)
- overseas citizens (for Federal office ballots only)

## IV. UNIFORMED SERVICES & CIVILIANS OUTSIDE U.S.

### Where To Send It

Mail the FPCA to the **Early Voting Clerk** in the county of your voting residence, as listed below, for primary, runoff and general elections. For any elections other than Federal, state and county office elections or any other election conducted by the county, send a separate FPCA to the **Early Voting Clerk** conducting that election. (Generally, the authority ordering the election appoints the Early Voting Clerk, e.g., city, school district, water district. Addresses for a particular jurisdiction can be obtained by contacting the County Clerk or Elections Administrator in that area or the administrative officers of the political subdivision conducting the election). Requests for a Texas voter registration form must be mailed to the **County Voter Registrar**.
