Chapter 1

HOW TO VOTE ABSENTEE

Can You Vote Absentee?

In order to vote in U.S. elections, you must be:

- a citizen of the United States on the date of the election in which you wish to vote, and
- at least 18 years old on Election Day. (Some States allow 17-year-olds to vote in primary elections if they will be 18 on or before the general election.)

The absentee voting process in this book applies to you if you are:

- an active duty member of the U.S. Uniformed Services or merchant marine,
- a family member (spouse or dependent)
- a U.S. citizen residing outside the U.S.

If you are not one of the above but will be away from your polling place on Election Day, you may still be able to vote absentee according to your State's absentee voting guidelines. Contact your election office or check your State election website for more information. State websites and local election office addresses are available in your State's pages in Chapter 2.

How Do You Vote Absentee?

Step 1: Register and Request Your Absentee Ballot

You must register and request an absentee ballot in your State of legal residence by completing a Federal Post Card Application (FPCA) according to your State or territory's specific instructions and submitting it to your local election office.

In all States and territories, one FPCA can be used to request ballots for primary and general elections for Federal offices (President/Vice President, U.S. Senator, U.S. Representative, Delegate or Resident Commissioner). You should submit a new FPCA each year and whenever you change your mailing address.

The FPCA:

- is available at military bases, U.S. embassies and consulates, election organizations, and corporations worldwide.
- is available at www.fvap.gov, along with a pre-paid envelope template for submitting by mail.
- is postage-paid within the U.S. postal system, including APO and FPO addresses, and through diplomatic pouches at some U.S. embassies and consulates. If submitting the FPCA from outside the United States using a foreign mail service, you must affix proper postage and include "USA" in the mailing address.
- may be sent using private courier services. However, they may not deliver to Post Office Boxes and may require the physical address of your local election office.

Many States and territories allow you to return your FPCA by email or fax. Consult your State's pages in Chapter 2 to see what your State allows.

The FPCA and mailing instructions are illustrated on pages 4-5.

Step 2: Your Election Official Processes Your Federal Post Card Application (FPCA) and Sends You a Blank Ballot

Your local election official will process your FPCA to determine if you meet the jurisdiction's residency requirements and will decide which ballot to send you. Your local election official will contact you if there are any questions or if your application has been denied. Therefore, it is important to provide your complete contact information on your FPCA.

FVAP urges you to contact your local election office with questions on the status of your FPCA. Some States have voter registration verification websites where you can find your voter registration status. Links to these sites and contact information for local election officials can be found at www.fvap.gov.

Step 3: Vote Your State Ballot or Use the Back-Up Federal Write-In Absentee Ballot (FWAB)

Vote and return your State ballot as soon as you receive it. If you have registered and requested your ballot by your State's request deadline (or at least 30 days before the election, whichever is later), you may use the Federal Write-in Absentee Ballot (FWAB) any time before the election.

Your completed FWAB must be received by your local election office by the deadline for receipt of State absentee ballots for that election.

In most cases you can only use the FWAB to vote for Federal offices in general elections. Some States have expanded the use of the FWAB to include voting in primary, run-off, and special elections or for offices other than Federal offices. Some States have also expanded the use of the FWAB for registration and ballot request. Consult your State's pages in Chapter 2 to see what your State allows.

The FWAB consists of:

- Federal Write-In Absentee Ballot Instructions
- Voter's Declaration/Affirmation
- Official Federal Write-In Absentee Ballot with Security Envelope attached
- Mailing Envelope

The FWAB is also available at www.fvap.gov. The online version of the FWAB does not contain the security or the mailing envelope; however, you may use two plain envelopes: mark one as the security envelope and use the other as a mailing envelope. You may use the online prepaid envelope template as the mailing envelope.

To complete your FWAB, follow your State's instructions in Chapter 2. Once finished, place your voted ballot inside the security envelope and seal it. Do not write on the outside of the security envelope. Place the security envelope, along with the Voter's Declaration/Affirmation, inside the mailing envelope.

The FWAB:

- is available at military bases, U.S. embassies and consulates, election organizations, and corporations worldwide and at www.fvap.gov.
- is postage-paid within the U.S. postal system, including APO and FPO addresses and through diplomatic pouches at some U.S. embassies and consulates. If submitting the FPCA from outside the United States using a foreign mail service, you must affix proper postage and include "USA" in the mailing address.
- may be sent using private courier services. However, they may not deliver to Post Office Boxes and may

require the physical address of your local election office.

Many States and territories allow you to return your FWAB by email or fax. Consult your State's pages in Chapter 2 to see what your State allows.

If you receive your State absentee ballot after you have submitted the FWAB, you should vote and return that ballot immediately. If the State absentee ballot arrives by your State's deadline, the State will count that ballot instead of the FWAB.

The FWAB and mailing instructions are illustrated on pages 6-10.

Can You Email or Fax Your Voting Materials?

If a State allows electronic transmission of election materials, it may allow you to:

- send the FPCA for registration and/or absentee ballot request by email or fax,
- receive the blank absentee ballot by email or fax,
- return the voted absentee ballot by email or fax,
- a combination of the above.

Any other written correspondence involving voter registration or elections may be emailed or faxed to local election officials in any State.

Sending the FPCA by Email or Fax

Where allowed by State law, you may email or fax the FPCA to your local election official. Follow the steps below:

- Complete and sign the FPCA according to your State's requirements in Chapter 2.
- Complete the Electronic Transmission Sheet included at the end of this chapter (or an alternate cover sheet containing similar information).
- Emailing: Scan the FPCA and save as a PDF file. Email the file as an attachment, along with a scanned copy of the Electronic Transmission Sheet. Email directly to the local election office. Email addresses can be found on the State's election website, available in the State's pages in Chapter 2 or at www.fvap.gov.
- Faxing: Use a separate transmittal sheet for each FPCA and send each form separately to ensure that each form is received by the proper election official. It is recommended that you fax the FPCA directly to your local election office. Fax numbers can be found on the State's election website, available in the State's pages in Chapter 2. You may also use the Electronic Transmission Service to fax your FPCA toll-free. To use

the Electronic Transmission Service, use the cover sheet at the end of this chapter or at www.fvap.gov, and fax to: (703)-693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

- After emailing or faxing, your State may require that you also mail the completed FPCA to your local election office. Consult your State's pages in Chapter 2 under "How and Where to Submit Your FPCA" to see what your State requires.

Receiving the Blank Ballot by Email or Fax

Where allowed by State law, the blank ballot can be emailed or faxed from the local election office to the email address or fax number you provide on the FPCA.

Returning the Voted Absentee Ballot by Email or Fax

Where allowed by State law, the voted ballot may be emailed or faxed. Follow the steps below:

- Follow the instructions provided by the local election official in marking and executing your ballot.
- By emailing or faxing the voted ballot, you are waiving the right to secrecy of the ballot. You must sign and date a statement on the Electronic Transmission Sheet indicating, "I understand that by faxing or emailing my voted ballot I am voluntarily waiving my right to a secret ballot."
- Complete the Electronic Transmission Sheet included at the end of this chapter (or an alternate cover sheet containing similar information). Include the number of pages being transmitted for each voted ballot. Retain a receipt of the date and time the voted ballot was successfully transmitted.
- Emailing: Scan all pages of the ballot and save as a PDF file. Email the file as an attachment along with a scanned copy of the Electronic Transmission Sheet. Email directly to the local election office. Email addresses can be found on the State's election website, available in the State's pages in Chapter 2 or at www.fvap.gov.
- Faxing: Fax all pages of the voted ballot. Use a separate transmittal sheet for each ballot and send each ballot separately to ensure that each ballot is received by the proper election official. It is recommended that you fax the ballot directly to your local election office. Fax numbers can be found on the State's election website, available in the State's pages in Chapter 2.

You may also use the Electronic Transmission Service to fax your ballot toll-free. To use the Electronic Transmission Service, use the cover sheet at the end of this chapter or at www.fvap.gov, and fax to: (703)-693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

- After emailing or faxing, your State may require that you also mail the completed ballot to your local election office. Consult your State's pages in Chapter 2 under "How and Where to Submit Your FWAB" to see what your State requires.

Received Your Ballot by Email or Fax, but Need to Return it by Mail?

If your State does not allow you to return your voted ballot by email or fax, you may mail it using the security envelope and ballot transmittal envelope from the Federal Write-In Absentee Ballot (FWAB). Detach the envelopes from the rest of the form. (See FWAB Mailing Instructions on the previous page.) You may also use two plain envelopes: mark one as the security envelope and use the other as the mailing envelope. You may use the prepaid envelope template at www.fvap.gov as the mailing envelope.

Recommended Mailing Deadlines for the November 2010 General Election

FVAP recommends that you send your FPCA by August 15, 2010 to ensure that you receive your ballot in time to vote and return it to be counted.

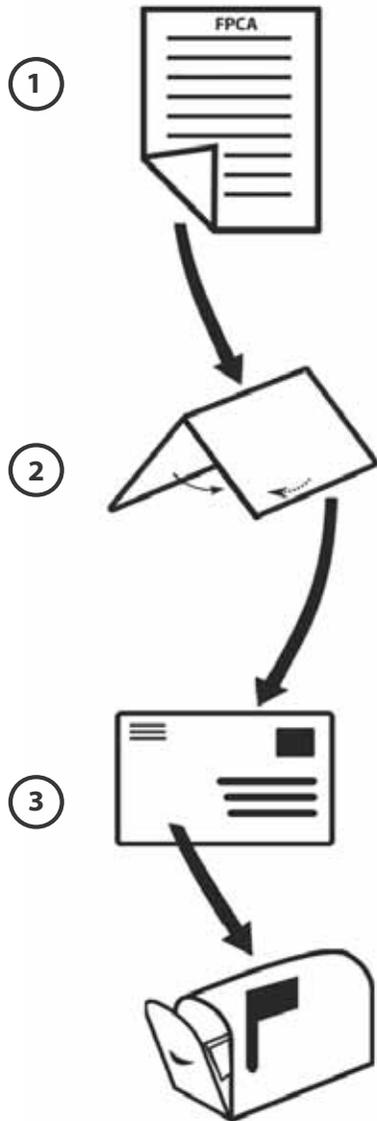

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 2, 2010
- Voters in other overseas military installations should send voted ballots by October 9, 2010
- Stateside Uniformed Service members and their families should send voted ballots by October 25, 2010.

If you do not receive your State absentee ballot by October 2, 2010, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

On the following pages, you will find the Federal Post Card Application (FPCA), the Federal Write-In Absentee Ballot (FWAB), and the Electronic Transmission Sheet.

You can also find the FPCA and the FWAB at www.fvap.gov.

Your jurisdiction will contact you if your application is denied.

Voting Your Ballot

Local election officials send absentee ballots approximately 40 days before an election.

Voted ballots must be postmarked no later than the day before the election (by Election Day for primary runoff elections) and received by the local election official by noon on Election Day (7 days after Election Day for primary runoff elections).

The absentee ballot return envelope contains an affidavit which must be sworn to before two witnesses (18 years or older).

Voted ballots must be returned by mail.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of label is retained by you for tracking your ballot through the U.S. Postal Service.

Information is current as of October 2010. Check www.fvap.gov for updates.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for every subsequent Federal election held until the voter fails to return an executed ballot in two consecutive statewide general elections.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Your valid California Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, California shall assign a number that will serve to identify you for voter registration purposes.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your California voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Complete address where you want your ballot sent, usually where you live now.

Block 4.c: California allows you to receive the blank ballot by mail, email, or fax. Some counties offer online ballot access. Check the county listing at <http://www.sos.ca.gov/elections/>

[elections_mov.htm](#) to see what options your county provides. Check how you would like to receive your absentee ballot. Provide your email address or fax number in Block 2. If you do not make a selection, then your local election official will mail your ballot to you.

Block 5: Enter your political party affiliation. If you do not wish to register with any party, enter "decline to state." California law allows "decline to state" voters to vote a party ballot at a primary election if the political party allows it. Find out which political parties allow this at www.sos.ca.gov. If you want to change your political party, submit a completed FPCA indicating your new party preference to the local elections official no later than 15 days before the election.

Block 6: In addition to mailing a regular ballot, California provides a State Special Absentee Voter Ballot up to 60 days before the election to any voter unable to vote in the regular vote-by-mail process due to military or other contingencies. This ballot allows you to vote for local, State and Federal offices, and ballot measures. To request it, write in Block 6: "I cannot vote by mail during the normal vote-by-mail period due to military or other contingencies that preclude normal mail delivery. [Specify reason(s).] I request a special absentee ballot."

Provide any information that may assist the local election official in accepting this application.

Block 7: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

California allows you to submit the FPCA by mail, email, or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. If you're not already registered and choose email you **MUST** also sign and mail the original. Email directly to your local election office. Email addresses can be found at http://www.sos.ca.gov/elections/elections_mov.htm.

If you choose to fax your FPCA, it is recommended that you fax the form directly to your local election official. If you're not already registered and choose to fax you **MUST** also sign and mail the original. Fax numbers can be found at http://www.sos.ca.gov/elections/elections_mov.htm. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703)696-2148, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. Voted ballots must be received by the local election office by 8 pm PST on election day.

No witness or notary is required on voted ballots.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

California allows you to use the Federal Write-In Absentee Ballot (FWAB) voting in primary, special, run-off, and general elections for Federal, State, and local offices and non-candidate ballot issues. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election.

Block 1.b: California does not allow you to use this form for registration. Do not check this block.

Block 2.a: Name (Last, First, Middle)

Blocks 2.f and 2.g: Enter your valid California Driver's License number, the last four digits of your Social Security number, OR your State voter registration number.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your California voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Enter your current mailing address.

Block 6: Provide any information that may assist the local election official in accepting this ballot or application.

Block 7: Sign and date. No witness or notary required.

Vote Your FWAB:

To find out the races and candidates for which you can vote, go to <http://voterguide.sos.ca.gov/>. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. Addresses can be found below.

If you choose to fax your FWAB, you must sign an oath waiving your right to cast the ballot secretly. You may fax back your voted ballot only if you are a uniformed service member, family member, a U.S. citizen living outside the United States, or a member of the uniformed services called into active service while in the United States on or after the deadline to request a ballot, which is seven days before Election Day.

It is recommended that you fax the form directly to your local election official. Fax numbers can be found at http://www.sos.ca.gov/elections/elections_mov.htm. Block 7: Sign and date. No witness or notary required.

Vote Your FWAB:

Vote for any Federal office in a general, special, or primary election. To find out the races and candidates for which you can vote, go to <http://www.sos.state.co.us/pubs/elections/>. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for regular State absentee ballots. If you receive the regular ballot

after submitting the voted FWAB, you may also vote and return the regular ballot. If both ballots are received by the deadline, only the regular ballot will be counted.

Colorado allows you to submit the FWAB by mail or fax. (Overseas Uniformed Service members or family members, may return ballots by email.)

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. Addresses can be found below.

If you choose to fax your FWAB, fax the FWAB directly to your local election official. Fax numbers can be found at <http://www.sos.state.co.us/pubs/elections/UOCAVA.html>. Include ballot, voter affirmation, and cover sheet with secrecy waiver. You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703)-693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Overseas Uniformed Service members or family members may choose to email the FWAB. Send the FWAB as a signed, scanned attachment. Include ballot, voter affirmation, and cover sheet with secrecy waiver. Email directly to your local election office. Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted. Voters should submit a new application after January 1 of each year to qualify for all upcoming Federal elections.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Your valid Connecticut Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your Connecticut voting residence. A post office box is not sufficient. If your address includes a rural route, describe its

location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Complete address where you want your ballot sent, usually where you live now.

Block 4.c: Connecticut allows you to receive your ballot by mail. You may also receive your ballot by email or fax only if you are an active-duty overseas Uniformed Service member. Check how you would like to receive your absentee ballot. Provide your fax number or email address in Block 2. If you do not make a selection, then your local election official will mail your ballot to you.

Block 5: To vote in primary elections, you must enter your political party affiliation. If you want to change your party affiliation submit a completed FPCA indicating your new party preference to the local election official. You will have rights in no party for three months from the date of filing your change of political party. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 6: In addition to mailing a regular ballot, Connecticut provides a State Special Blank Write-In Absentee Ballot up to 90 days before the election to Uniformed Service members and their family members unable to vote in the regular absentee voting process due to military contingencies. This ballot allows you to vote for local, State and Federal offices. To request it, write in Block 6: "Due to military contingencies, I am unable to follow the regular absentee ballot application process. I request a special write-in absentee ballot."

Provide any information that may assist the local election official in accepting this application.

Block 7: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Connecticut allows you to submit the FPCA by mail or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to fax your FPCA, you must also submit the FPCA by mail. It is recommended that you fax the form directly to your local election official. Fax numbers can be found at www.sots.state.ct.us. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703)-693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office. Contact information can be found at: www.sots.state.ct.us.

Your jurisdiction will contact you if your application is denied.

Late Registration

Uniformed Service members who are active duty or who have been discharged within the last year who return to Connecticut after the registration deadline may still register to vote no later than 5 pm on the last weekday before the election.

Registration Application/Ballot Request by Proxy

If you are a Uniformed Service member, family member, or overseas citizen residing temporarily outside the U.S., anyone may ask your local election official to send you registration materials and/or a ballot on your behalf.

Voting Your Ballot

Local election officials send write-in ballots, including a list of all candidates and questions on the ballot, approximately 30 days before primary elections and 45 days before general elections. Local election officials send regular

absentee ballots approximately 21 days before primary elections and 31 days before general elections.

Voted ballots must be received by the local election office before the close of polls on Election Day.

No witness or notary is required on voted ballots.

Voted ballots must be returned by mail.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: <http://www.dir.ct.gov/sots/LookUp.aspx>

Recommended Mailing Dates for the November 2010 General Election

Send your FPCA by August 15, 2010 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 2, 2010
- Voters in other overseas military installations should send voted ballots by October 9, 2010
- Stateside Uniformed Service members and their families should send voted ballots by October 25, 2010.

If you do not receive your State absentee ballot by October 2, 2010, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . .

Use the Federal Write-In Absentee Ballot!

Connecticut allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in primary, special, run-off, and general elections for Federal office. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1.a: Select the category that describes you.

Block 1.b: Connecticut does not allow you to use this form for registration. Do not check this block.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Enter your valid Connecticut Driver's License number, the last four digits of your Social Security number, OR your State voter registration number.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your Connecticut voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Enter your current mailing address.

Block 6: Provide any information that may assist the local election official in accepting this ballot or application.

Block 7: Sign and date. No witness or notary required.

Vote Your FWAB:

Vote for any Federal office in a general election. To find out the races and candidates for which you can vote, go to www.sots.state.ct.us. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after

submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all Federal elections held through the next regularly scheduled general election.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Your valid Delaware Driver's License number OR your complete Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your Delaware voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Complete address where you want your ballot sent, usually where you live now.

Block 4.c: Delaware allows you to receive the blank ballot by mail, email or fax. Check how you would like to receive

your absentee ballot. Provide your email address or fax number in Block 2. If you do not make a selection, then your local election official will mail your ballot to you.

Block 5: To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official. There are two periods during which you may not change your political party affiliation: from November 1 in the year before a general Presidential election through the day of the Presidential primary, and from March 31 in the year of the general election through the day of the primary election. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 6: In addition to mailing a regular ballot, Delaware provides a Special Write-In Absentee Ballot up to 90 days before the general election to any voter unable to vote in the regular absentee voting process due to the requirements of military service or other contingencies. This ballot allows you to vote for local, State and Federal offices. To request it, write in Block 6: "I am unable to vote by regular absentee ballot or in person due to requirements of military service. I request a special write-in ballot."

Provide any information that may assist the local election official in accepting this application.

Block 7: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Delaware allows you to submit the FPCA by mail, email, or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

Voted ballots be received by the Election Commission no later than 8 pm on Election Day.

Voted ballots must be sworn to before a commissioned officer, warrant officer, non-commissioned officer, or any other officer authorized to administer oaths. (Note: There will be no notary requirements for the 2010 general election or any election for Federal office thereafter.)

Voted ballots must be returned by mail.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can

return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking your Ballot

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for 12 months from the date of the receipt of the application. If the FPCA was received before July 1, 2010, it is a request for all elections through the next two regularly scheduled general elections.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Your valid Indiana Driver's License number is required. If you do not possess an Indiana Driver's License, provide the last four digits of your Social Security number. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required. You must provide an email address to vote by email.

Blocks 3.a through 3.e: Complete street address of your Indiana voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in

Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Complete address where you want your ballot sent, usually where you live now.

Block 4.c: Indiana allows you to receive your ballot by mail, email or fax. Check how you would like to receive your absentee ballot. Provide your email address or fax number in Block 2. If you do not make a selection, then your local election official will mail your ballot to you.

Block 5: To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than 45 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 6: Provide any information that may assist the local election official in accepting this application.

Block 7: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Indiana allows you to submit the FPCA by mail, email or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local

election office. Email addresses can be found at www.in.gov/sos/elections.

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers can be found at www.in.gov/sos/elections. You may use the DoD Electronic Transmission Service to fax your FPCA toll-free. Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Indiana's voter registration website at: <http://www.indianavoters.com>.

Your jurisdiction will contact you regarding the status of your application.

Late Registration

Uniformed Service members and their families may register after the registration deadline if their registration is received before poll books are prepared and if the voter was absent from Indiana before the registration deadline, returns to Indiana after the registration deadline, AND shows the local election office a discharge or a government movement order dated on or after the beginning of the last registration period.

Voting Your Ballot

Local election officials mail ballots approximately 45 days before primary and general elections, 38 days before presidential elections, and 32 days before special elections.

Voted ballots mailed from within the U.S. must be received by the local election official before the close of polls on Election Day.

Voted ballots mailed from outside the U.S. must be postmarked no later than Election Day and received by the local election official no later than noon 10 days after the election.

No witness or notary is required on voted ballots.

Voted ballots may be returned by mail, email or fax but must be returned in the same manner as you received your ballot. To email your voted ballot, send it as an attachment to the DoD Electronic Transmission Service at: ets@fvap.ncr.gov with instructions to forward the email to your local election office.

To fax your voted ballot, use FPCA fax instructions under "How and Where to Submit Your FPCA."

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of label is retained by you for tracking your ballot through the U.S. Postal Service.

Registering and Requesting Your Absentee Ballot

Federal Post Card Applications submitted prior to March 10, 2010 registers you to vote and requests absentee ballots for all Federal elections held through the next two regularly scheduled general elections. A Federal Post Card Application received after March 10, 2010 registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted.

Iowa does not have registration deadlines for Uniformed Service members, their families, and overseas citizens. You must still register and request an absentee ballot using the form and submitting it in time for the ballot to be sent to you, voted, and returned by the ballot return deadline.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2.a: Name (Last, First, Middle)

Block 2.c: Sex

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Your valid Iowa Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers you must

write "none" in the space provided. The State shall assign a number that will serve to identify you for voter registration purposes.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your Iowa voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county in Iowa where you claim legal voting residence.

Block 4.a: Complete address where you want your ballot sent, usually where you live now.

Block 4.c: Iowa allows you to receive your blank ballot by mail, email or fax. Check how you would like to receive your ballot. Provide your email address or fax number in Block 2. If you do not make a selection, then your local election official will mail your ballot to you.

Block 5: To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 6: If you wish to receive ballots for local elections as well as Federal elections please indicate that in Block 6.

In addition to mailing a regular ballot, Iowa provides a State Write-In Absentee Ballot 90 days before the general election to any overseas voter unable to vote in the regular absentee voting process. This ballot allows you to vote for local, State and Federal offices in the general election. To request it, write in Block 6: “To the best of my belief I will be outside the continental United States and unable to vote and return a regular absentee ballot by normal mail delivery within the period provided for regular absentee ballots. I request a special write-in absentee ballot.”

Provide any information that may assist the local election official in accepting this application.

Block 7: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Iowa allows you to submit the FPCA by mail, email, or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. If you're not already registered and choose to email you **MUST** also sign and mail the original. Email directly to uocava@sos.state.ia.us.

If you choose to fax your FPCA, fax the form directly to your local election official. If you're not already registered and choose to fax you **MUST** also sign and mail the original. Fax numbers can be found at www.sos.state.ia.us. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703)-693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Iowa's voter registration verification website at: <http://www.sos.state.ia.us/elections/regtovote/search.aspx>.

To find out the status of your ballot, refer to Iowa's voter ballot tracking website at: <http://www.sos.state.ia.us/elections/absenteeballotstatus/search.aspx>.

Your jurisdiction will contact you if your application is denied.

Registration/Ballot Request by Proxy

Within 70 days of the general election, your spouse, parent, parent-in-law, adult brother, adult sister, or adult child who resides in your Iowa county of voting residence may request registration and an absentee ballot on your behalf from the local election office. These proxy requests must be on the official form, available from local election offices and the Iowa Secretary of State.

Late Registration

Uniformed Service members who have been discharged within thirty days of an election, and their families, may register and vote in that election by providing the local election office with their discharge papers.

Voting by Citizens Who Have Never Lived in the U.S.

If a U.S. citizen outside the U.S. has never lived in the U.S. and either parent is a qualified Iowa voter, then that person is eligible to register and vote where his or her parent is a qualified voter.

Voting Your Ballot

Local election officials send ballots approximately 45 days before primary and general elections.

Voted ballots must be postmarked no later than the day before the election and received by the local election office no later than noon on the Monday after the election.

No witness or notary is required on voted ballots.

The mandatory voter's affidavit on the ballot return envelope acts a registration form. You will be registered to vote when you return the voted ballot, if you are not already registered.

Iowa allows voters who are casting the ballot from an area in which members of the Uniformed Services are eligible to receive imminent danger pay to return the voted ballot by email or fax. All other Uniformed Service members, family members, and overseas citizens must return the voted ballot by mail. Use FPCA mail, email, and fax instructions under “How and Where to Submit Your FPCA.”

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the “Prepaid Expedited Mail- Label 11-DOD”. This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: <https://www.sos.state.ia.us/elections/AbsenteeBallotStatus/search.aspx>

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all elections through the next two regularly scheduled general elections.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2.a: Name (Last, First, Middle)

Block 2.c: Sex

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Your valid Louisiana Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, you may use one of the following: a current and valid photo identification or a current utility bill, bank statement, government check, paycheck, or other government document showing the name and address of the applicant.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your Louisiana voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the parish where you claim legal voting residence.

Block 4.a: Complete address where you want your ballot sent, usually where you live now.

Block 4.c: Louisiana allows you to receive your ballot by mail or fax. Check how you would like to receive your absentee ballot. Provide your fax number in Block 2. If you do not make a selection, then your local election official will mail your ballot to you.

Block 5: To vote in primary elections, you must enter your political party affiliation or write "none." If you write "none," you may participate in primary elections unless the party closes their elections. Find out which party primaries are open at: www.geauxvote.com. If more than 1 candidate qualifies for a specific party, Louisiana holds a 1st party primary where a winner must receive a majority. If no majority is received, a 2nd party primary is held. All winners from 1st and 2nd party primaries, all recognized party candidates with no primaries necessary, and all unaffiliated candidates are included in the general election. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than 30 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 6: Provide any information that may assist the local election official in accepting this application.

Block 7: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Louisiana allows you to submit the FPCA by mail, fax, or email.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found at www.geauxvote.com.

If you choose to fax your FPCA, it is recommended that you fax the form directly to your local election official. Fax numbers can be found at www.geauxvote.com. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703)-693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Louisiana's voter registration verification website at: <http://www.sos.louisiana.gov/tabid/977/Default.aspx>

Your jurisdiction will contact you if your registration is denied.

Voting Your Ballot

Local election officials send ballots approximately 20 days before 1st and 2nd party primary elections, 13 days before State general elections, and 45 days before Presidential elections.

When you receive your primary ballot, you will also receive the State Green Ballot. Filling out the Green Ballot by numbering the candidates according to your preferences and submitting it ensures you have voted in the general election.

Voted ballots must be received by the local elections office no later than the day of the election.

Voted ballot return envelope certificates must be signed in the presence of two witnesses.

Louisiana allows you to return the voted ballot by mail or fax. Use FPCA fax instructions under "How and Where to Submit Your FPCA."

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO,

American embassy or consulate. A portion of label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: <http://www.sos.louisiana.gov/Default.aspx?tabid=977>

Recommended Mailing Dates for the November 2010 General Election

Send your FPCA by August 15, 2010 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 2, 2010
- Voters in other overseas military installations should send voted ballots by October 9, 2010
- Stateside Uniformed Service members and their families should send voted ballots by October 25, 2010.

If you do not receive your State absentee ballot by October 2, 2010, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Louisiana allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in general elections for Federal office. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election.

Blocks 3.a through 3.e: Complete street address of your Louisiana voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the parish where you claim legal voting residence.

Block 4.a: Enter your current mailing address.

Block 7: Sign and date in the presence of two witnesses. The witnesses must sign and date the form.

Vote Your FWAB:

Vote for any Federal office in a general election. To find out the races and candidates for which you can vote, go to www.geauxvote.com. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Louisiana allows you to submit the FWAB by mail.

When mailing your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. Addresses can be found at the end of this section.

In emergency situations, emergency procedures exist to submit the FWAB by email for a military or overseas voter who do not receive the absentee ballot by the 14th day before the election, or makes a request within this 14 day time period. The Registrar of Voters will notify the voter of

the emergency procedures and work with the voter in submitting the FWAB by email.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for 24 months from the date of the receipt of the application.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Enter your valid Maine Driver's License number. If you do not have a Maine Driver's License, enter the last four digits of your Social Security number. If you do not possess either of these identification numbers, write "none" and the State shall assign a number that will serve to identify you for voter registration purposes.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow the election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your Maine voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the municipality where you claim legal voting residence.

Block 4.a: Complete address where you want your ballot sent, usually where you live now.

Block 4.c: Maine allows you to receive your ballot by mail or electronically via download from a secure website (delivery by fax may be allowed in certain emergency or combat situations). Check how you would like to receive your absentee ballot. Provide your fax number or email address in Block 2. Please ensure that this email address does not block or filter emails forwarded from the election official. If you do not make a selection, then the election official will mail your ballot to you.

Block 5: To vote in primary elections, you must enter your political party affiliation. If you are currently registered and want to change your political party affiliation and have been enrolled in the political party for at least three months, the FPCA must be received by your election official no later than 15 days before the election. If you are currently registered and have previously declined to indicate a political party and you now want to vote in a primary election, you must submit the FPCA to the election official any time before the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 6: Provide the name of the municipality and State where you were registered to vote before you registered at your current Maine voting residence. This address must be different from the one in Block 3. If you have not registered to vote before, write "none."

In addition to mailing a regular ballot, Maine provides a State Write-In Absentee Ballot up to 3 months before the election to any voter living outside the U.S. who believes they cannot receive and return their voted ballot in a timely manner. To request it, write in Block 6: "I will be unable to vote by regular absentee ballot. I request a blank absentee ballot."

Provide any information that may assist the election official in accepting this application.

Block 7: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Maine allows you to submit the FPCA by mail, fax, or as a scanned attachment to an email.

If you choose to mail your FPCA, mail the form directly to:

Bureau of Corporations, Elections, and Commissions
Division of Elections
101 State House Station
Augusta, Maine 04333-0101

If you choose to fax your FPCA, fax the form directly to the election official at 207-287-5874 or toll-free within the United States at 877-443-1302. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703)-693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

If you choose to email, email the signed, scanned form to UOCAVA.CEC@maine.gov. You may also use our Electronic Transmission Service by sending the form as an attachment to ets@fvap.gov.

Follow-Up on Your FPCA

If you are a UOCAVA voter and you have requested an absentee ballot but not yet received it, please contact the Division of Elections toll-free within the United States at 1-888-VOTESME (1-888-868-3763) or UOCAVA.CEC@maine.gov.

The Maine Division of Elections will contact you if your registration is denied.

Ballot Request by Proxy

A family member (spouse or domestic partner, parent, sibling, child, stepparent, stepchild, stepsister, stepbrother, in-law, grandparent, grandchild, step-grandparent, step-grandchild, guardian or former guardian) may make a written request for an absentee ballot on your behalf. The request must be signed by the family member and indicate the family relationship. The request may be made to the election official either in person, by mail or fax. The election official may mail the ballot directly to you or issue the ballot to the family member who must deliver the ballot to you.

You may designate a third person (other than an immediate family member) to receive the ballot on your behalf by submitting a signed application or written request by mail or fax to the election office. The election official must issue the ballot to the designee who must then deliver the ballot to you. You must have the ballot return envelope signed by a notary public, a clerk of courts, or two other individuals (one of whom may be the ballot carrier).

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all elections conducted during the calendar year in which it is submitted.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Your valid Michigan Driver's License number, Personal Identification Card number OR the last four digits of your Social Security number is required for voter registration. If you do not possess any of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your Michigan voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the city or township where you claim legal voting residence.

Block 4.a: Complete address where you want your ballot sent, usually where you live now.

Block 4.c: Michigan allows you to receive the absentee ballot by mail, email, or fax. Check how you would like to

receive your absentee ballot. Provide your email address or fax number in Block 2. If you do not make a selection, then your local election official will mail your ballot to you.

Block 6: Provide any information that may assist the local election official in accepting this application.

Block 7: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Michigan allows you to submit the FPCA by mail, email, or fax. If you choose to email or fax your FPCA, it is requested that you also send in the original.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. It is requested that you also mail in the original. Email directly to your local election office. Contact information available at www.michigan.gov/sos.

If you choose to fax your FPCA, fax the form directly to your local election official. It is requested that you also mail in the original. Fax numbers can be found at www.michigan.gov/sos. It is requested that you also mail in the original. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703)-693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Michigan's voter registration verification website at: <https://webapps.sos.state.mi.us/mivote/>.

Your jurisdiction will contact you regarding the status of your application.

Ballot Request by Letter

You may submit a signed letter to your local election office to request a ballot. The letter must include your printed name and signature, voting residence address, address to which the absentee ballot should be sent, and the date of the election.

Voting by Citizens Who Have Never Lived in the U.S.

Michigan allows a U.S. overseas citizen who is 18 years old, not registered to vote anywhere else in the U.S. and who is a spouse or dependent of a Michigan resident to register and vote in Michigan elections even though they have never established Michigan residency.

Voting Your Ballot

Local election officials send absentee ballots 45 days before primary and general elections.

Voted ballot must be received by the local election office by the close of polls on Election Day.

No witness or notary is required on voted ballots.

Voted ballots must be returned by mail.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: <https://webapps.sos.state.mi.us/mivote/>

Recommended Mailing Dates for the November 2010 General Election

Send your FPCA by August 15, 2010 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 2, 2010
- Voters in other overseas military installations should send voted ballots by October 9, 2010
- Stateside Uniformed Service members and their families should send voted ballots by October 25, 2010.

If you do not receive your State absentee ballot by October 2, 2010, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Michigan allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in general elections for Federal office. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1.a: Select the category that describes you.

Block 1.b: Michigan does not allow you to use this form for registration. Do not check this box.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your Michigan voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the city or township where you claim legal voting residence.

Block 4.a: Enter your current mailing address.

Block 6: Provide any information that may assist the local election official in accepting this ballot or application.

Block 7: Sign and date. No witness or notary required.

Vote Your FWAB:

To find out the races and candidates for which you can vote, go to www.michigan.gov/sos. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

Block 4.c: Minnesota allows you to receive your absentee ballot by mail, email, or fax. Check how you would like to receive your absentee ballot. Provide your email address or fax number in Block 2. If you do not make a selection, then your local election official will mail your ballot to you.

Voting Your Ballot

Local election officials send absentee ballots approximately 46 days before elections.

Voted ballots must be received by the last mail delivery on Election Day.

No witness or notary is required on voted ballots.

Voted ballots must be returned by mail, package delivery service, or the diplomatic pouch at a U.S. embassy or consulate.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the “Prepaid Expedited Mail- Label 11-DOD”. This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of label is retained by you for tracking your ballot through the U.S. Postal Service.

You may track the status of your ballot at: <https://mnvotes.sos.state.mn.us/AbsenteeBallotStatus.aspx>

Recommended Mailing Dates for the November 2010 General Election

Send your FPCA by August 15, 2010 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 2, 2010

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Minnesota allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in all elections for Federal, State, and local offices and as a request for absentee ballots any subsequent elections held in that calendar year. The FWAB serves as a voter registration in lieu of the voter's FPCA.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1.a: Select the category that describes you.

Block 1.b: Minnesota does not require voter registration. Do not check this block.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Enter your valid Minnesota Driver's License number, the last four digits of your Social Security number, passport number, OR your State identification number. If you do not have access to any of these numbers, leave this block blank.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your Minnesota voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Enter your current mailing address.

Block 6: Provide any information that may assist the local election official in accepting this ballot or application.

Block 7: Sign and date. No witness or notary required.

For each Federal office for which you vote, write in either a candidate's name or a political party designation. For State and local offices, write in the candidate's name. (Political party designation is not sufficient for State and local offices).

Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

DEADLINES	State Primary August 3, 2010	General Election November 2, 2010
Registration	July 7, 2010	October 6, 2010
Ballot Request	July 28, 2010	October 27, 2010
Ballot Return	7 pm, August 3, 2010	7 pm, November 2, 2010

These are not mailing deadlines. Mail your voting materials early enough to account for mail delivery times. Check the Recommended Mailing Dates on the next page for details.

Information is current as of October 2010. Check www.fvap.gov for updates.

Registering and Requesting Your Absentee Ballot

Registration is not required if you are voting in elections for Federal offices only. You must still complete the Federal Post Card Application to request an absentee ballot. The form requests absentee ballots for both the primary and subsequent general election. FPCAs received in 2008 and 2009 are valid as requests for absentee ballots through the 2010 general election.

You may also submit the FPCA by the listed registration deadline to register permanently in Missouri and vote a full ballot. If you do not register permanently, you will not be qualified to vote in person at the polls.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Your valid Missouri Driver's License number AND the last four digits of your Social Security number are required for voter registration. If you do not possess either of these identification numbers please write "none" on the form, and the State shall assign you a unique identifying number.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your Missouri voting residence. A post office box is not

sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Complete address where you want your ballot sent, usually where you live now.

Block 4.c: Missouri does not allow you to receive your blank ballot by email or fax. More transmission options may be available. Check www.fvap.gov for updates.

Block 5: To vote in primary elections, you must enter your political party preference. If you do not enter a preference, the local election official is authorized to provide that part of the ballot for which no political party designation is required. Political party preference is not required if only requesting absentee ballots for general elections.

Block 6: In addition to mailing a regular ballot, Missouri provides a State special write-in absentee ballot to any voter unable to vote in a general election due to military service or living in an isolated or extremely remote area. You must request the State special write-in ballot within 80 days of a general election. To request it, write in Block 6: "I am unable to vote by any other means due to requirements of military service or due to living in isolated or extremely remote areas of the world. I request a special write-in absentee ballot."

If you do not wish to receive ballots for all Federal elections through the next two regularly scheduled general elections, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here

Provide any information that may assist the local election official in accepting this application.

Block 7: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Missouri allows you to submit the FPCA by mail, email, or fax if you are using the FPCA as a ballot request only. If you are using the FPCA to register, you must submit the form by mail.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. You must also submit the FPCA by mail. Email directly to your local election office. Email addresses can be found at <http://www.sos.mo.gov/elections/countyclerks.asp>.

If you choose to fax your FPCA, you must also submit the FPCA by mail. It is recommended that you fax the form directly to your local election official. Fax numbers can be found at <http://www.sos.mo.gov/elections/countyclerks.asp>. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703)-693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Missouri's voter registration verification website at: www.govotemissouri.com.

Your jurisdiction will contact you if your application is denied.

Ballot Request by Proxy

Your spouse, grandparent, parent, sibling, child or grandchild may request in person to the local election official that an absentee ballot be mailed to you.

Voting Your Ballot

Local election officials send absentee ballots approximately 42 days before elections.

Voted ballots must be received by local election office by 7 pm on Election Day.

No witness or notary is required on voted ballots.

Missouri allows you to return the voted ballot by email or fax only if a special declaration is made by the Secretary of State before the election. Please refer to www.sos.mo.gov to see if a declaration has been made. Use FPCA email and fax instructions under "How and Where to Submit Your FPCA." All other voted ballots must be returned by mail.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: <http://www.sos.mo.gov/elections/military/default.asp#trackBallot>

Recommended Mailing Dates for the November 2010 General Election

Send your FPCA by August 15, 2010 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 2, 2010
- Voters in other overseas military installations should send voted ballots by October 9, 2010
- Stateside Uniformed Service members and their families should send voted ballots by October 25, 2010.

If you do not receive your State absentee ballot by October 2, 2010, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . .

Use the Federal Write-In Absentee Ballot!

Missouri allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in primary, special, run-off, and general elections for Federal office. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1.a: Select the category that describes you.

Block 1.b: Missouri does not allow you to use this form for registration. Do not check this box.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Enter your valid Missouri Driver's License number OR the last four digits of your Social Security number.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your Missouri voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Enter your current mailing address.

Block 6: Provide any information that may assist the local election official in accepting this ballot or application.

Block 7: Sign and date. No witness or notary required.

Vote Your FWAB:

To find out the races and candidates for which you can vote, go to <http://www.sos.mo.gov/elections>. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you must also vote and return the

State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Missouri does not allow you to return the FWAB by email or fax unless a special declaration is made by the Secretary of State before the election. Please refer to www.sos.mo.gov to see if a declaration has been made.

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. Addresses can be found below.

If you choose to email your FWAB, you should send the ballot as a signed, scanned attachment. Include ballot, voter affirmation, and cover sheet with secrecy waiver. Email directly to your local election office. Email addresses can be found at <http://www.sos.mo.gov/elections/countyclerks.asp>. You must also submit the FWAB by mail.

If you choose to fax your FWAB, you must also submit the FWAB by mail. It is recommended that you fax the ballot directly to your local election official. Fax numbers can be found at <http://www.sos.mo.gov/elections/countyclerks.asp>. Include ballot, voter affirmation, and cover sheet with secrecy waiver. You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703)-693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

DEADLINES	State Primary June 8, 2010	General Election November 2, 2010
Registration	May 18, 2010	October 12, 2010
Ballot Request	June 1, 2010	October 26, 2010
Ballot Return	June 8, 2010	November 2, 2010

These are not mailing deadlines. Mail your voting materials early enough to account for mail delivery times. Check the Recommended Mailing Dates on the next page for details.

Information is current as of October 2010. Check www.fvap.gov for updates.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for the next scheduled election unless it is requested for all regularly scheduled elections for the calendar year in which it is submitted. FPCAs received in 2008 and 2009 are valid as requests for absentee ballots through the 2010 general election.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2.a: Name (Last, First, Middle)

Block 2.c: Sex

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Your valid New Jersey Driver's License number is required for voter registration. If you do not have a New Jersey Driver's License, provide the last four digits of your Social Security number. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your New Jersey voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Complete address where you want your ballot sent, usually where you live now.

Block 4.c: New Jersey allows you to receive your absentee ballot by mail, email, or fax. Check how you would like to receive your absentee ballot. Provide your email address or fax number in Block 2. If you do not make a selection, then your local election official will mail your ballot to you. If you wish to receive your blank Federal office ballot by email or fax, the local election office must receive your FPCA no later than 4 days before the election.

Block 6: Provide any information that may assist the local election official in accepting this application.

Block 7: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

New Jersey allows you to submit the FPCA by mail, email, or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. You must also submit the FPCA by mail. Email directly to your local election office. Email addresses can be found at http://www.state.nj.us/state/elections/loc_officials_doe.html.

If you choose to fax your FPCA, you must also submit the FPCA by mail. It is recommended that you fax the form directly to your local election official. Fax numbers can be found at http://www.state.nj.us/state/elections/loc_officials_doe.html. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover

sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703)-693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to New Jersey's voter registration verification website at: www.njelections.org, by clicking on the Voter Information link.

Your jurisdiction will contact you if your application is denied.

Ballot Request by Proxy

Uniformed Service members may ask a friend or relative to apply for an absentee ballot on their behalf by requesting an "Application by Relative or Friend of a Military Service Voter" from their local election office.

Late Registration

Discharged military personnel and their families and released civilians attached to or serving with the Armed Forces and their families who are previously registered to vote in New Jersey and return to New Jersey after the registration deadline may still register and obtain an emergency voting form at their local election office. If they were not previously registered to vote in New Jersey, they may obtain an emergency voting form by showing their discharge or certification of service to the local election official.

Voting Your Ballot

Local election officials send absentee ballots approximately 40 days before elections.

Voted ballots must be received by the local election official by the close of polls on Election Day.

No witness or notary is required on voted ballots.

You may return the voted ballot by mail, email, or fax no later than 8 pm on Election Day. You must also submit the original ballot by mail with certification. Use FPCA email and fax instructions under "How and Where to Submit Your FPCA."

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be

used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: <http://www.njelections.org/vote-by-mail-provisional-ballot-count.html>

Recommended Mailing Dates for the November 2010 General Election

Send your FPCA by August 15, 2010 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 2, 2010
- Voters in other overseas military installations should send voted ballots by October 9, 2010
- Stateside Uniformed Service members and their families should send voted ballots by October 25, 2010.

If you do not receive your State absentee ballot by October 2, 2010, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

New Jersey allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in all elections for Federal office. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1.a: Select the category that describes you.

Block 1.b: New Jersey does not allow you to use this form for registration. Do not check this box.

Block 2.a: Name (Last, First, Middle)

Block 2.c: Sex

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Enter your valid New Jersey Driver's License number, the last four digits of your Social Security number, OR your State voter registration number.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your New Jersey voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Enter your current mailing address.

Block 6: Provide any information that may assist the local election official in accepting this ballot or application.

Block 7: Sign and date. No witness or notary required.

Vote Your FWAB:

Vote for any Federal office in a general election. To find out the races and candidates for which you can vote, go to <http://www.state.nj.us/state/elections/>. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted. Any FPCA received prior to November 2, 2010 is valid through the next two regularly scheduled general elections for Federal office.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2.a: Name (Last, First, Middle)

Block 2.d: Requested but not required. Enter the choice that best describes you from the following list: AI = American Indian or Alaskan Native; AP = Asian or Pacific Islander not Native Hawaiian; B = Black, not of Hispanic Origin; H = Hispanic; M = Multi-racial; NH = Native Hawaiian; W = White, not of Hispanic Origin; O = Other.

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Your valid North Carolina Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your North Carolina voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Complete address where you want your ballot sent, usually where you live now.

Block 4.c: North Carolina allows you to receive your absentee ballot by mail, email, or fax. Check how you would like to receive your absentee ballot. Provide your email address or fax number in Block 2. If you do not make a selection, then your local election official will mail your ballot to you.

Block 5: To vote in primary elections, you must enter your political party affiliation. If you are a registered non-partisan or undeclared, you must indicate which party ballot you want to receive. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than 25 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 6: Provide any information that may assist the local election official in accepting this application.

Block 7: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

North Carolina allows you to submit the FPCA by mail, email, or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email, email the signed, scanned form directly to UOCAVA.ABSENTEE@sboe.state.nc.us or your local election official. Local election official email addresses can be found on the North Carolina State Election website at <http://www.sboe.state.nc.us/content.aspx?id=13>. You may also use our Electronic Transmission Service by sending the form as an attachment to ets@fvap.gov.

International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to North Carolina's voter registration verification website at: <http://www.sboe.state.nc.us/VoterLookup.aspx>.

Your jurisdiction will contact you if your application is denied.

Late Registration

Any member of the Uniformed Services who is qualified to vote absentee and returns to North Carolina after the registration deadline, may still register and vote in person up to and including election day.

Voting Your Ballot

Local election officials send absentee ballots approximately 60 days before elections.

Voted ballots must be received by the local election office no later than 5 pm on Election Day.

The certificate on the ballot return envelope must be witnessed by a person 18 years or older. Witness must provide his or her signature and address.

You may return the voted ballot by mail, email or fax. Use FPCA fax and email instructions under "How and Where to Submit Your FPCA."

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: <http://www.sboe.state.nc.us/VoterLookup.aspx?Feature=voterinfo>

Recommended Mailing Dates for the November 2010 General Election

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

North Carolina allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in all elections for Federal office. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Blocks 3.a through 3.e: Complete street address of your North Carolina voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Enter your current mailing address.

Block 6: Provide any information that may assist the local election official in accepting this ballot or application.

Block 7: Sign and date in the presence of a witness 18 years or older. The witness must sign and date the form and provide his or her address.

Vote Your FWAB:

To find out the races and candidates for which you can vote, go to www.ncsbe.gov. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

North Carolina allows you to submit the FWAB by mail, email, or fax.

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. Addresses can be found below.

If you choose to email your FWAB, you should send it as a signed, scanned attachment to UOCAVA.ABSENTEE@sboe.state.nc.us or your local election official. Local election official email addresses can be found on the North Carolina State Election website at <http://www.sboe.state.nc.us/content.aspx?id=13>. Include ballot, voter affirmation, and cover sheet with secrecy waiver. You may also use our Electronic Transmission Service by sending the form as an attachment to ets@fvap.gov.

International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Registering and Requesting Your Absentee Ballot

Registration is not required. You must still complete the Federal Post Card Application to request an absentee ballot. The form requests absentee ballots for all Federal elections held through the next two regularly scheduled general elections.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Block 2.g: Your current and valid Oklahoma Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess any of these identification numbers, please indicate this in Block 6. The State shall assign a number that will serve to identify you for voter registration purposes.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your Oklahoma voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Complete address where you want your ballot sent, usually where you live now.

Block 4.c: Oklahoma allows you to receive the blank ballot by mail, fax or email. Check how you would like to receive your absentee ballot. Provide your fax number or email address in Block 2. Please ensure that this email address does not block or

filter emails forwarded from your county election official. If you do not make a selection, then your local election official will mail your ballot to you.

Block 5: To vote in primary elections, you must enter your political party affiliation. If you are register as non-partisan or undeclared, you cannot vote in party primaries. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than the Wednesday before the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 6: In addition to mailing a regular ballot, Oklahoma provides a State Special Write-In Absentee Ballot 90 days before the election. This ballot allows you to vote for Federal or statewide offices. To request it, write in Block 6: "I request a special write-in absentee ballot."

Provide any information that may assist the local election official in accepting this application.

Block 7: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Oklahoma allows you to submit the FPCA by mail, email, or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

Voting By Citizens Who Have Never Resided In The U.S.

If a U.S. citizen outside the U.S. has never lived in the U.S. and either parent is a qualified Oklahoma voter, he or she is eligible to register and vote where his or her parent is a qualified voter.

Registering and Requesting Your Absentee Ballot

If you are a Uniformed Service member, registration is not required. You must still complete the Federal Post Card Application (FPCA) or the Pennsylvania absentee ballot application (which can be found at <http://www.votespa.com/>) to request an absentee ballot.

An FPCA submitted prior to October 28, 2009 registers you to vote and requests absentee ballots for all subsequent local, State, and Federal elections held through the next two regularly scheduled general elections. An application submitted between October 29 - December 31, 2009 registers you to vote and requests absentee ballots for all local, State, and Federal elections held through 2010. An application submitted after January 1, 2010 registers you to vote and requests absentee ballots for all local, State, and Federal elections held during the calendar year in which it was submitted, so you should submit a new application in each Federal election year.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2.a: Name (Last, First, Middle)

Block 2.d: Requested but not required. Enter the choice that best describes you: AI = American Indian or Alaskan Native; AP = Asian or Pacific Islander not Native Hawaiian; B = Black, not of Hispanic Origin; H = Hispanic; M = Multi-racial; NH = Native Hawaiian; W = White, not of Hispanic Origin; O = Other.

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Enter your valid Pennsylvania Driver's License number. If you do not have a Pennsylvania Driver's License, enter the last four digits of your Social Security number. If you do not possess either of these identification

numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your Pennsylvania voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Complete address where you want your ballot sent, usually where you live now.

Block 4.c: Pennsylvania allows you to receive your ballot by mail, fax, or email. Check how you would like to receive your absentee ballot. Provide your fax number or email address in Block 2. If you do not make a selection, then your local election official will mail your ballot to you.

Block 5: To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 6: If you are in a remote area, you may receive a ballot 50 days before the primary election and 70 days before the general election. To request a ballot within these time frames, write in Block 6: "I am unable to vote during the regular absentee balloting period by reason of performing military service in an extremely remote or isolated area of the world. I request a special write-in absentee ballot." OR "I am unable to vote during the regular absentee ballot period by reason of living in an extremely remote or isolated area of the world. I request a special write-in absentee ballot."

Provide any information that may assist the local election official in accepting this application.

Block 7: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Pennsylvania allows you to submit the FPCA by mail, email, or fax. After faxing or emailing the FPCA, submit the FPCA by mail. The original FPCA must be received by the local election official prior to the election in order for the ballot to count.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found at www.dos.state.pa.us.

If you choose to fax your FPCA, you must also submit the form by mail. Your original FPCA must be received by the local election office prior to the election in order for your ballot to count. Fax the form directly to your local election official. Fax numbers can be found at www.dos.state.pa.us. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703)-693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Pennsylvania's voter registration verification website at: <http://www.pavoterservices.state.pa.us>. Your jurisdiction will contact you if your registration is denied.

Voting Your Ballot

Local election officials send absentee ballots approximately 45 days before elections. If official absentee ballots are not available at that time, you will be sent a special write-in absentee ballot.

Voted ballots must be postmarked no later than the day before the election and received by the local election office no later than 7 days after the election.

No witness or notary is required on voted ballots.

You may return your voted ballot by first class mail, express mail or overnight mail. Insert the voted ballot into the inner envelope provided. Then insert the inner envelope or security envelope into the outer envelope. If you use express or overnight mail, insert the outer or return envelope into the overnight mail package and return it to your local election

office. If you receive the blank ballot by fax or email, you may use the Federal Write-In Absentee Ballot return envelope and security envelope at www.fvap.gov.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of label is retained by you for tracking your ballot through the U.S. Postal Service.

If you are a military voter and you are present in your voting district of residence on Election Day and have not already voted, you may apply in person at the local election office for the absentee ballot and vote it in person.

No Federal Elections Scheduled for the 2010 Election Cycle

Information is current as of October 2010. Check www.fvap.gov for updates.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted and the next Federal election.

Puerto Rico only accepts the FPCA as a temporary registration and absentee ballot request for elections for Federal office. If you temporarily register using the FPCA, you will only be able to vote absentee, not in person. To register permanently, you must register in person.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2.a: Both your paternal and your maternal surnames are required. Otherwise, provide your full name as it appears on file at the Puerto Rico's Elections Commission.

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Your Puerto Rico Driver's License number is required. If you do not have a Puerto Rico Driver's License number, the last four digits of your Social Security number OR your voter registration number is required.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted. Voters should submit a new application after January 1 of each year to qualify for all upcoming federal elections.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Your valid South Dakota Driver's License number is required for voter registration. If you do not have a South Dakota Driver's License, enter the last four digits of your Social Security number. If you do not possess either of these identification numbers, you must register at the County Auditor's office and sign a statement saying you do not have either number.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your South Dakota voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Complete address where you want your ballot sent, usually where you live now.

Block 4.c: South Dakota allows you to receive your blank ballot by mail or email. Your absentee ballot cannot be received by fax. Check how you would like to receive your absentee ballot. If you choose to receive your blank ballot by email, you must provide your email address in Block 2j. Please ensure that this email address does not block or filter emails forwarded from your county election official. In the event that your ballot cannot be delivered via email, your local election official will mail your ballot to the address in Block 4.a. If no address is provided, your ballot would then be sent to your voter registration address in South Dakota.

Block 5: To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, mail a completed FPCA indicating your new party preference to the local election official to be received no later than 15 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

For Independent voters only, South Dakota allows a recognized political party to accept voters registered as Independent into that party's primary election. As a voter who registered as an Independent, you may have a choice of ballot types for this primary election, depending on the races in your precinct. You may choose a non-political ballot or a Democratic Ballot. Which ballot you vote is your choice. Indicate in Block 6 which ballot type you wish to vote.

Block 6: Provide any information that may assist the local election official in accepting this application.

Block 7: Sign and date.

Stateside Uniformed Service members and their families must provide a photocopy of one of the following:

- a South Dakota Drivers License or non-driver ID card
- a passport or other picture ID issued by the U.S. government
- a tribal photo ID
- a current student photo ID issued by a South Dakota high school or postsecondary education institution.

Should notarization of the stateside military voter's signature be easier to obtain than a photocopy of the ID, a notarized absentee ballot application may be submitted. The notarization on the absentee ballot application can be administered by any commissioned officer in the military service of the United States.

Overseas Uniformed Service members, their families, and overseas citizens are not required to have a witness or notarization, nor are they required to include a photocopy of their identification.

How and Where to Submit Your FPCA:

South Dakota allows you to submit the FPCA by mail, email, or fax if you are already registered. If you are not registered, you must submit the form by mail.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the signed form as a scanned attachment. Email directly to your local election office. Email addresses can be found at www.sdsos.gov/elections.

If you choose to fax your FPCA, it is recommended that you fax the signed form directly to your local election official. Fax numbers can be found at www.sdsos.gov. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703)-693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration, contact your local election office or refer to South Dakota's voter registration verification website at: <https://www.vip.sd.gov/>.

In addition to your registration information, this site also provides you with tracking information regarding your voting materials — the date your absentee ballot application was received, the date the absentee ballot was sent to you

either by mail or by email, and the date your voted absentee ballot was received by your election official.

Your jurisdiction will contact you if your registration is denied.

Voting Your Ballot

Local election officials send absentee ballots at least 45 days before primary and general elections.

Voted ballots must be received by the local election office by the close of the polls on Election Day.

No witness or notary is required on voted ballots.

Voted ballots must be returned by mail.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: <https://apps.sd.gov/applications/st25cercs/>

Recommended Mailing Dates for the November 2010 General Election

Send your FPCA by August 15, 2010 to ensure that you receive your ballot in time to vote and return it to be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

South Dakota allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in primary, secondary, special, and general elections for Federal office. Feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1.a: Select the category that describes you.

Block 1.b: South Dakota allows you to use this form for registration.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your South Dakota voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Enter your current mailing address.

Block 6: Provide any information that may assist the local election official in accepting this application here.

Block 7: Sign and date. No witness or notary required.

Vote Your FWAB:

To find out the races and candidates for which you can vote, go to www.sdsos.gov. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official. Contact information for your county auditor is available at www.sdsos.gov.

You may check the status of the absentee ballot process by referring to South Dakota's Voter Information Portal at www.vip.sd.gov. The site tracks the date your absentee ballot application was received, the date the absentee ballot was sent to you either by mail or by email, and the date your voted absentee ballot was received by your election official.

Local election officials send absentee ballots at least 45 days before elections. If the official ballot is not yet available 45 days before the election, Tennessee will send a special write-in absentee ballot.

Voted ballots must be received by the local election office by the close of polls on Election Day.

No witness or notary is required on voted ballots. If you required assistance completing your voted ballot, one person must witness and sign.

Voted ballots must be returned by mail.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of label is retained by you for tracking your ballot through the U.S. Postal Service.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application permanently registers you to vote and requests absentee ballots for all federal elections held through the next two regularly scheduled general elections. If you indicate you are “indefinitely away” in Block 1 on the FPCA, your application will serve as a temporary registration only.

If you submit your FPCA by October 13, you will receive a full ballot. FPCAs received after this date will be issued a ballot for federal contests only.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Your valid Texas Driver's License number OR personal identification number issued by the Texas Department of Public Safety is required for voter registration. If you do not have either of these numbers, you must provide the last four digits of your Social Security number. If you do not possess any of these identification numbers, you must State that in Block 6.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your Texas voting residence. A post office box is not sufficient.

If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Complete address where you want your ballot sent, usually where you are located now.

Block 4.c: Texas does not allow you to receive your ballot by email or fax. More transmission options may be available. Check www.fvap.gov for updates.

Block 5: To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 6: In addition to mailing a regular ballot, Texas provides a State Write-In Absentee Ballot to any voter unable to vote in the regular absentee voting process due to military contingencies. You must request this ballot 180 or less days before the election. If you submitted a Voter Registration/Absentee Ballot Request form more than 180 days before the election, you must make another request for the special State write-in ballot. To request it, write in Block 6: “Special State Write-In Ballot.”

Provide any information that may assist the local election official in accepting this application.

Block 7: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Texas allows you to submit the FPCA by mail, email, fax or common/contract carrier.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section or at www.sos.state.tx.us/elections.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses must be obtained by contacting your local election office. Contact information can be found at www.sos.state.tx.us/elections.

If you choose to fax your FPCA, it is recommended that you fax the form directly to your local election official. Fax numbers can be found at www.sos.state.tx.us/elections. Information is current as of October 2010. Check www.fvap.gov for updates.

Registering and Requesting Your Absentee Ballot

Registration is not required. You must still complete the Federal Post Card Application to request an absentee ballot. When you return the voted ballot, you will be registered. The form requests absentee ballots for all Federal elections held through the next regularly scheduled general election.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Your valid Utah Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your Utah voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Complete address where you want your ballot sent, usually where you live now.

Block 4.c: Utah allows you to receive your absentee ballot by email or fax only if you are in a hostile fire zone or other area where mail service is unreliable. All other absentee voters must receive the absentee ballot by mail. Check how you would like to receive your absentee ballot. Provide your email address or fax number in Block 2. If you do not make a selection, then your local election official will mail your ballot to you. More transmission options may be available. Check www.fvap.gov for updates.

Block 5: To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than 20 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 6: In addition to mailing a regular ballot, Utah provides a State Special Write-In Absentee Ballot available 90 days before an election to any voter unable to vote in the regular absentee voting process due to military service. You must request this ballot no later than 20 days before the election. This ballot allows you to vote for Federal offices only. To request it, write in Block 6: "I am unable to vote by regular absentee ballot or in person because of military service. I request a special write-in absentee ballot."

If you do not wish to receive ballots for all Federal elections through the next regularly scheduled general election, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next

Recommended Mailing Dates for the November 2010 General Election

Send your FPCA by August 15, 2010 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 2, 2010

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Virginia allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in primary, special, run-off, and general elections for Federal, State, and local offices and non-candidate ballot issues. Feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1.a: Select the category that describes you.

Block 1.b: Virginia allows you to use this form for registration.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Block 2.f: Your Social Security number is required. If you do not have a Social Security number, write "none". Virginia will assign a number that will serve to identify you for voting purposes only.

Block 2.g: Uniformed Service members and their families must provide the service identification number of the member.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your Virginia voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Enter your current mailing address.

Block 5: If you are using this form to register and wish to vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed Federal Post Card Application indicating your new party preference to the local election official no later than 21 days before the primary election.

Block 6: You must provide complete information on where you last registered and voted. Enter the last day of residency at your Virginia voting residence address only if that home is no longer available to you. If not applicable, write "I have never voted". If previously registered in Virginia, your voter registration number is your Social Security number.

Uniformed Service members, merchant marine members, and their spouses and dependents must provide the branch of service, and grade or rank of the military member.

Overseas citizens should provide the name and address of their employer (if applicable). Virginia registrants who moved overseas for employment on or after July 1, 1999, may be eligible to vote in State and local elections.

Provide any information that may assist the local election official in accepting this application.

Block 7: Sign and date in the presence of one witness. The oath on the voted ballot's return envelope **must be witnessed** by an adult 18 or older.

Vote Your FWAB:

To find out the issues, races and candidates for which you can vote, go to www.sbe.state.va.us. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. **Place only the voted ballot in the security envelope** and do not write on the security envelope.

How and Where to Submit Your FWAB:

If using the FWAB simultaneously as a registration form, ballot request form and voted ballot, it must be received by the local election office by the registration deadline.

If using the FWAB simultaneously as a ballot request form and voted ballot, it must be received by the local election office by the ballot request deadline.

If using the FWAB as a voted ballot only, it must be received by the local election office by the ballot return deadline. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

Guide for Voting Assistance Officers

Your Responsibilities

As a Voting Assistance Officer (VAO), you are part of a worldwide network of military members, U.S. government employees, and volunteers who aid in ensuring that citizens covered under the *Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)* understand their voting rights and know how to vote absentee. These citizens include: active duty members of the Uniformed Services or merchant marine, their family members, and citizens residing outside the U.S. VAOs provide these citizens with accurate and nonpartisan voting information and assistance. You should:

- Become familiar with www.fvap.gov, your organization or service voting website, the FVAP biennial Voting Action Plan, the forms and absentee voting process.
- Follow FVAP on Facebook, Twitter, and LinkedIn. Links are available on www.fvap.gov.
- Take advantage of FVAP training opportunities. Workshops are offered in the Washington, D.C. area once a month and at military installations and Department of State locations worldwide. Contact FVAP or your Service Voting Action Officer for a workshop schedule. Training may also be completed online at www.fvap.gov by downloading the workshop slides.
- Keep current by signing up to receive news releases, also available online. To subscribe, email vote@fvap.ncr.gov and provide your email address or your full name and mailing address in the body of the message.
- Ensure delivery of FPCAs to unit members by January 15 of each year if you are a military VAO. If you are a civilian VAO, ensure delivery of FPCAs to overseas citizens by August 15 of each year.
- Assist citizens in filling out the FPCA according to their State's specific requirements. Remind them to include an email address, phone and/or fax number so that the local election offices may contact them, if needed.
- Ensure that there is an adequate supply of FPCAs on hand for year-round registration, absentee ballot requests, and change of address requests for citizens moving or changing assignment location.
- Serve as coordinator for FVAP on-site workshops.
- Conduct non-partisan voter registration drives. Armed Forces Voters Week, Overseas Citizens Voters Week, and Absentee Voting Week are excellent times to get the word out. During Absentee Voting Week, announce through various media that voters should return their voted ballots immediately. If citizens have not received their requested State ballot by this week (or earlier based on location), encourage them to use the Federal Write-In Absentee Ballot (FWAB).
- Ensure that there is an adequate supply of FWABs on hand year-round for citizens to use in case they do not receive their official State absentee ballot.
- Post notices on bulletin boards and in high-traffic areas encouraging citizens to register and vote.
- Create or continue a Continuity Folder.
- Provide your installation directory with contact information for referrals if you are a military VAO.
- Assign an Assistant Voting Assistance Officer to help you fulfill your duties as VAO and provide support to voters in your absence.

How You Can Assist Voters

Determining Voting Residency

To vote in U.S. elections, citizens must have a legal voting residence address in a State or territory. The issue of voting residence can be complex, depending on individual circumstances. Even in States where laws clearly define criteria for determining voting residence, the final determination is generally up to each local election office.

If you are assisting a member of the Uniformed Services or family member, their legal voting residence is usually defined as where they have, or have had, physical presence and where they intend to remain or return.

If you are assisting overseas citizens, their legal voting residence is usually the State or territory in which they resided immediately prior to leaving the U.S. This is true even if many years have elapsed since they lived in the U.S., and they no longer maintain a residence in that State or territory, or if their intent to return is uncertain.

If a citizen is uncertain about their current legal voting residence, advise them to examine their connection to the State or territory in question and consult with legal counsel.

Asking citizens the following questions may help advise them on voting residence:

- Where have you registered to vote or voted?
- What State or territory has issued you a driver's license, any other license or identification card?
- Where is your motor vehicle registered?
- Where is your home or home of record?
- What State or territory are you from?
- Where did you live before coming here?
- Where did you live immediately before leaving the United States?
- Where does your family live?
- Where do your parents live?
- Where do you own property?

Assisting Citizens to Complete the Federal Post Card Application (FPCA)

The FPCA can be used by military and overseas citizens to simultaneously register to vote and request an absentee ballot. As a VAO, you should help citizens correctly complete their FPCAs. Local election officials determine the citizen's eligibility to vote based on information provided on this application. Citizens should include all contact information (email, telephone, fax, and/or mailing address) on their FPCA and submit it early enough for election officials to contact them should problems processing the application arise.

If you are sending FPCAs for several citizens by email or fax, use a separate Electronic Transmission Sheet for each form and send separately to ensure that each form is received by the proper election official. Email addresses and fax numbers can be found on the State's election website, available in the State's pages in Chapter 2 or at www.fvap.gov.

Check that FPCAs Include:

- Signature and date
 - Complete voting residence address (no P.O. Box addresses)
 - Legible handwriting
 - All information required by the State
 - Party preference if the citizen wants to vote in primary elections (if required by State)
 - Witness or notary signature (if required by State)
- Note: There will be no notary requirements for the 2010 general election or any election for Federal office thereafter.

Also, be sure that the citizen mails the FPCA to their local election official in time to be received by the State registration and/or absentee ballot request deadline.

Assisting Citizens to Complete the Federal Write-In Absentee Ballot (FWAB)

The FWAB is available to military and overseas citizens who have requested but have not received their State absentee ballot in time to vote and return it before the deadline. To use the FWAB, citizens must have applied for a State ballot early enough so that their local election office received the request at least 30 days before the election or before the State's ballot request deadline, whichever is later.

The FWAB may be used to vote for Federal offices (President/Vice President, U.S. Senator, U.S. Representative, Delegate or Resident Commissioner) in general elections. Some States have expanded the use of the FWAB and accept the FWAB for voting in primary, special, and runoff elections and/or for State and local offices. Some States also allow the FWAB to be used for voter registration and ballot request.

Note: Starting January 1, 2011, the FWAB may be used by any Uniformed Service member, family member, or overseas citizen to vote in any primary, general, special, or runoff election for Federal office.

If you are sending FWABs for several citizens by email or fax, use a separate Electronic Transmission Sheet for each ballot and send separately to ensure that each ballot is received by the proper election official. Email addresses and fax numbers can be found on the State's election website, available in the State's pages in Chapter 2 or at www.fvap.gov.

Tips for Using the FWAB:

- Citizens who have not received a requested State ballot in time to return it before the election should immediately complete and submit the FWAB to their local election office.
- The FWAB must be received by the local election office no later than the ballot return deadline.
- The transmittal envelope must be signed and dated, (and the witness or notary signature must be included if required by State). Note: There will be no notary requirements for the 2010 general election or any election for Federal office thereafter.
- If citizens receive their State absentee ballot after submitting the FWAB, they should vote and return the ballot immediately. If the State absentee ballot arrives by the ballot return deadline, the State will count the State absentee ballot instead of the FWAB.

Legal Guidelines

VAOs may not provide partisan voting information from candidates, political parties, or partisan organizations. Military VAOs may receive questions from voters regarding whether they can distribute and/or display partisan materials at the military installations. VAOs should consult their Commanding Officer for their interpretation of DoD Directive 1344.10 *Political Activities by Members of the Armed Forces on Active Duty*, available at www.fvap.gov.

VAOs should report any irregularities in the voting process to their department or agency headquarter's VAO. Federally employed VAOs should refer to the Hatch Act, Title 5 U.S.C. Sec. 7321, link available at: www.fvap.gov.

VAOs can advise citizens on locating information on candidates and issues using national, local, and Service newspapers, magazines, radio, television, political party and campaign committee offices, overseas newspapers and periodicals, and State election websites.

Continuity Folder

VAOs should create and maintain a Continuity Folder for personal reference and for passing on to future VAOs.

It should provide basic details on absentee voting procedures and contain anything that may help your backup or successor. Your folder should also provide a quick orientation of VAO voting responsibilities. It can be in the form of a notebook, file folder, or an online community folder. Make sure it is readily available to other VAOs and assistants.

Your Continuity Folder Should Contain:

- Your VAO Designation Letter (only Military VAOs)
- FPCAs and FWABs
- Reporting requirement materials
- Your complete contact information. (Stateside VAOs should also include local county election office contact information.)
- Current *Voting Assistance Guide* (updates available at www.fvap.gov)
- Recent news releases/advisories
- Election Dates Calendar
- Current State Department or Service guidance (directive, instruction, order, etc.)
- DoD Instruction 1000.04. (Federal Voting Assistance Program) and 1344.10 (Political Activities by Members of the Armed Forces in Active Duty). Copy

of the Hatch Act, Title 5 U.S.C. Sec. 7321 (for Federal employees overseas) and the Voting Action Plan, available at: www.fvap.gov

- Training materials from workshops

Many of these materials are available through your normal service supply chain, the Installation Voting Assistance Officer, Service Voting Action Officer or at www.fvap.gov.

Voting Emphasis Weeks

Each Federal election year (every even numbered year), FVAP works with the Uniformed Services and overseas citizens groups to promote voter registration and absentee voting by conducting Voting Emphasis Weeks.

Additional Assistance

The Uniformed Services have extensive chains of command to provide voting support for military members and their families.

- Installation Commanding Officer (CO) — The Installation CO conducts orientation briefings with VAOs prior to the start of primary elections, as well as informative briefings for citizens who would like to vote absentee. COs also make opening statements at FVAP workshops and make transportation available for VAOs to attend workshops at surrounding installations.
- Installation Voting Assistance Officer (IVAO) — The IVAO acts as a focal point on military installations in coordinating voting assistance support. IVAOs maintain a roster of all unit VAOs on the installation, establish communications with VAOs, and provide necessary materials and support. IVAOs coordinate FVAP workshops with organizations from their installation and surrounding installations.
- Legal Assistance Officer — This officer can be contacted with legal questions, such as determining voter residency.
- Public Affairs/Information Officer — This officer can be contacted to ensure that voting information is included in installation or unit publications.
- Inspector General (IG) — The IG is required by Federal law to periodically review voting assistance programs to ensure compliance with DoD and Service directives and regulations.
- Personnel/Human Resources Officer — This officer ensures that all newly reporting personnel and naturalized U.S. citizens are provided FPCAs and voting assistance.
- Chaplain — The Chaplain can assist in disseminating reminders and information to members of the community.
- Publications, Supply, or Distribution Officer — This officer ensures that VAOs receive FPCAs, FWABs, and other voting materials.
- Officers-in-Charge — Officers in Charge of exchanges, commissaries, special services activities, medical and dental facilities, education centers, family centers, etc. can coordinate the display of voting materials for Armed Forces Voters Week and Absentee Voting Week.

Other non-military support organizations can assist in voter outreach.

- Veterans and Service Organizations, such as: Veterans of Foreign Wars, the American Legion, the Non-commissioned Officers Association and the League of Women Voters

- Civic Groups, American Chambers of Commerce, colleges and universities, and support organizations for overseas US citizens
- Spouses' Club, Boy/Girl Scouts, and Other Youth Groups

Share Your Good Ideas

After each Federal election, the Services and Department of State issue After-Action Reports that include good ideas submitted by VAOs to improve the absentee voting process.

Good ideas are processes and procedures that help the citizens you assist and help you to perform your duties. Good ideas enhance lines of communication among VAOs at all levels and enable you to improve your voting assistance efforts.

Your good ideas may come from a variety of sources:

- Personal experiences
- Assessments, audits, and appraisals
- Training evaluations
- Operational Readiness Reviews
- Critiques, analyses, and investigations
- Process improvement initiatives
- VAO training
- Voting activities, such as registration drives

Have a good idea? Submit it to your Service Voting Action Officer. (Contact information is on the inside front cover.) Overseas citizen organization VAOs may submit their ideas directly to FVAP via email at vote@fvap.ncr.gov. Be sure to include a clear statement of your idea and your complete contact information.

On the following pages, you will find these four handouts which you can copy and distribute to assist voters: Frequently Asked Questions for Uniformed Service Members, Frequently Asked Questions for Overseas Citizens, 2010 Primary Election Dates, and U.S. Embassy and Consulate Email Addresses.

You can also find these handouts at www.fvap.gov.

Uniformed Services/Family Members Frequently Asked Questions

Can I vote absentee?

You can vote absentee in local, State, and Federal elections if you are a U.S. citizen 18 years or older and are an active duty member of the Armed Forces, Merchant Marine, Public Health Service, NOAA, a family member of the above, or a U.S. citizen residing outside the United States.

Do I have to be registered to vote absentee?

Requirements vary from State to State. Most States and territories require registration to vote absentee. Voter registration and absentee ballot request can be done at the same time by submitting the Federal Post Card Application (FPCA).

How do I register to vote and/or request an absentee ballot?

You may register and request an absentee ballot with a single form: The Federal Post Card Application (FPCA). This application form is accepted by all States and territories and is postage- paid in the U.S. mail, including the Military Postal System and State Department Pouch mail.

If mailing through a foreign postal system, you must affix the proper postage. Be sure to write "USA" after the city, State, and Zip Code of the election office.

Hard copies of the form can be obtained from your installation's Voting Assistance Officer or requested directly from FVAP. An online version of the FPCA is available at: www.fvap.gov, along with a prepaid return envelope template.

Your Federal Post Card Application must be completed, printed, signed, dated, and submitted directly to your local election official. Some States allow it to be submitted electronically. Check www.fvap.gov to see what your State allows.

Where is my "legal voting residence"?

For voting purposes, "legal voting residence" can be the State or territory where you last resided prior to entering military service OR the State or territory that you have since claimed as your legal residence.

Even though you may no longer maintain formal ties to that residence, the address determines your proper voting jurisdiction. To claim a new legal residence, you must have simultaneous physical presence and the intent to return to that location as your primary residence.

Uniformed Service members and their eligible dependents may change their legal residence every time they change

permanent duty stations, or they may retain their legal residence without change. This may mean that the Uniformed Service member has a different legal voting residence than his/her family members. A Judge Advocate General officer or legal counsel should be consulted before legal residence is changed because there are usually other factors that should be considered besides voting.

Can I register and vote in-person where I am stationed?

Uniformed Service members may register and vote in the U.S. State or territory where stationed if they change their legal residence to that State or territory, even if they live on a military installation. Be advised that there may be legal obligations, such as taxation, if you change your State of residence. Therefore, consult a Judge Advocate General officer or legal counsel before making such a decision.

Currently, there are no provisions for in-person voting or on-site registration for personnel stationed outside the U.S. Voting Assistance Officers can assist personnel and family members in completing the Federal Post Card Application or other election materials for their State and provide other absentee voting information.

My family members are not in the military. Can they also vote absentee?

Yes. Eligible spouses and children (U.S. citizens, 18 years or older) of Uniformed Service personnel may vote absentee. Some States allow children of military personnel residing overseas who are U.S. citizens but who have never resided in the U.S. to claim one of their U.S. citizen parent's legal State of residence as their own. Check out www.fvap.gov for a list of States allowing this.

Am I required to have election materials notarized?

There will be no notary requirements for the 2010 general election or any election for Federal office thereafter.

Where do I send my Federal Post Card Application?

Your Federal Post Card Application must be completed, printed, signed, dated, and submitted directly to your local election official. These officials will handle the processing and distribution of your absentee ballots and may need to contact you for further information or clarification. To facilitate this process, please provide a current email address, phone and fax number on your application.

When mailing election materials to my State or territory, do I have to pay postage?

When mailed from any U.S. post office, U.S. embassy or consulate, or APO/FPO mail facility, the hardcopy Federal Post Card Application is postage-paid. In order to receive free postage, the online version of the form must be mailed in an envelope printed with the prepaid return envelope template, available at: www.fvap.gov. You may also mail the completed form in an envelope with proper postage affixed. Ensure that your form is postmarked (see postmarking instructions below) and sent to arrive before your State's specific deadline. You must pay postage if the materials are mailed from a non-U.S. postal facility.

What is a postmark and how do I make sure I get one?

A postmark is a postal marking made on a piece of mail indicating the date and time that the item was accepted by the postal service. Postmarks are used to determine if voting materials have been mailed by State deadlines. Due to varying mail pick up times, the day you 'mail' your election materials may not be the day the postal facility postmarks it.

You may ask the mail clerk to hand stamp the election material so that a date is clearly visible. In certain situations a handwritten postmark and signature from you or a notarizing official may be sufficient.

How do I know if my ballot has been received?

All uniformed service members and their family members may use their State's online service to check the status of their registration and track their absentee ballots. Check your State specific instructions at www.fvap.gov.

Overseas uniformed service members and their family members with access to Military Postal Service, may use the "Prepaid Expedited Mail - Label 11-DOD." This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy, or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

When should I apply for an absentee ballot?

We recommend that you register to vote/request an absentee ballot in January of each year or whenever you change your

mailing address. If you are using regular mail to register to vote, receive your absentee ballot, and return your voted ballot, please mail your FPCA 60 days before Election Day or earlier if you are living in an area where mail service is slow or unreliable. Some States allow you to submit your FPCA electronically; check your State instructions www.fvap.gov.

When should I receive my ballot?

States are required to transmit ballots 45 days before the election. A few States have been granted waivers for the 2010 general election and will send ballots less than 45 days before the election. Check your State specific instructions at www.fvap.gov.

What happens if I do not receive a ballot?

If you requested an absentee ballot but have not received one in time to return it by the voted ballot receipt deadline, you can still vote by using the back-up Federal Write-In Absentee Ballot (FWAB). In order to be eligible to use this back-up ballot, you must:

- Be absent from your voting residence;
- Have applied for a regular ballot early enough so the request is received by the appropriate local election official no later than the State deadline; or the date that is 30 days before the general election; AND
- Have not received the requested regular absentee ballot from the State.

Always complete and return your State absentee ballot regardless of when you receive it, even if you have already submitted a back-up FWAB. Your local election official will ensure that only one of the ballots is counted.

Where can I get a back-up Federal Write-In Absentee Ballot?

Hardcopies of the back-up Federal Write-In Absentee Ballot (FWAB) are available through Voting Assistance Officers at military installations or at U.S. embassies/consulates.

The FWAB is also available at: www.fvap.gov. It must be completed, printed, signed, dated, and submitted to your local election official. Check out your State specific instructions, witness requirements, deadlines, and mailing addresses at: www.fvap.gov.

Overseas Citizens Frequently Asked Questions

Can I vote absentee?

You may vote absentee in any election for Federal office if you are a U.S. citizen 18 years or older and are a U.S. citizen residing outside the United States. Only certain States allow U.S. citizens who have never resided in the United States to vote. For more information, go to: <http://fvap.gov/reference/nvr-res.html>.

Do I have to be registered to vote absentee?

Requirements vary from State to State. Most States and territories require registration to vote absentee. Voter registration and absentee ballot request can be done at the same time by submitting the Federal Post Card Application (FPCA).

How do I register to vote and/or request an absentee ballot?

You may register and request an absentee ballot with a single form: The Federal Post Card Application (FPCA). This application form is accepted by all States and territories and is postage-paid in the U.S. mail, including the Military Postal System and State Department Pouch mail. However, if you place the form in the postal system of the country where you now reside, you need to place that country's proper postage on the form before mailing.

If mailing through a foreign postal system, you must affix the proper postage. Be sure to write "USA" after the city, State, and Zip Code of the election office.

Hard copies of the form can be obtained from a U.S. embassy or consulate or requested directly from FVAP. An online version of the FPCA is available at www.fvap.gov, along with a prepaid return envelope template.

Your Federal Post Card Application must be completed, printed, signed, dated, and submitted directly to your local election official. Some States allow it to be submitted electronically. Check www.fvap.gov to see what your State allows.

If I do not maintain a legal residence in the U.S., where is my "legal State of residence"?

Your "legal State of residence" for voting purposes is the State or territory where you resided immediately prior to your departure from the United States. This applies to overseas citizens even though you may not have property or other ties in your last State of residence and your intent to return to that State may be uncertain.

When completing block 3 of the Federal Post Card Application, be sure to enter the entire mailing address of your last residence, including rural route and number. That address determines your proper voting jurisdiction.

Some States allow children of U.S. citizens residing overseas who are U.S. citizens but who have never resided in the U.S., to claim one of their parent's legal State of residence as their own. Check out www.fvap.gov for a list of States allowing this.

Ensure that your form is postmarked (see postmarking instructions below) and sent to arrive before your State's specific deadline. You must pay postage if the materials are mailed from a non-U.S. postal facility.

It is recommended that voted ballots be mailed from your location outside the U.S. rather than be given to another individual to be placed in the U.S. postal system. If the ballot is postmarked from any location inside the U.S. your local election official may not count your ballot.

What is a postmark and how do I make sure I get one?

A postmark is a postal marking made on a piece of mail indicating the date and time that the item was accepted by the postal service. U.S. Embassy and Consulate Email Addresses

U.S. embassies and consulates can provide American citizens with voting forms and information about absentee voting, and can mail voter registration and absentee ballot request forms, and voted ballots back to the United States. Embassies and consulates can also advise voters on local mailing options and estimated mail transit times. In addition, the embassy or consulate can notarize or witness voting materials (if required by the State) free of charge. American citizens cannot vote in person at U.S. embassies or consulates, nor can embassies or consulates receive mail or blank ballots on behalf of voters.
