Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Your valid California Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, California shall assign a number that will serve to identify you for voter registration purposes.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your California voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Complete address where you want your ballot sent, usually where you live now.

Block 4.c: California allows you to receive your ballot by mail. You may also receive your ballot by fax only if you

are an overseas Uniformed Service member or family member or an overseas citizen. Check how you would like to receive your absentee ballot. Provide your fax number in Block 2. If you do not make a selection, then your local election official will mail your ballot to you. More transmission options may be available. Check www.fvap.gov for updates.

Block 5: Enter your political party affiliation. If you do not wish to register with any party, enter "decline to state." California law allows "decline to state" voters to vote a party ballot at a primary election if the political party allows it. Find out which political parties allow this at www.sos.ca.gov. If you want to change your political party, submit a completed FPCA indicating your new party preference to the local elections official no later than 15 days before the election.

Block 6: In addition to mailing a regular ballot, California provides a State Special Absentee Voter Ballot up to 60 days before the election to any voter unable to vote in the regular vote-by-mail process due to military or other contingencies. This ballot allows you to vote for local, State and Federal offices. To request it, write in Block 6: "I cannot vote by mail during the normal vote-by-mail period due to military or other contingencies that preclude normal mail delivery. [Specify reason(s).] I request a special absentee ballot."

Provide any information that may assist the local election official in accepting this application.

Block 7: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

California allows you to submit the FPCA by mail or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to fax your FPCA, it is recommended that you fax the form directly to your local election official. Fax numbers can be found at www.sos.ca.gov. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703)693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office. Contact information can be found at: www.sos.ca.gov.

Your jurisdiction will contact you regarding the status of your application.

Late Registration

Discharged military personnel and civilians outside the U.S. who return to their county of residence after the registration deadline may apply for registration at the local election office. Military personnel must provide documentary proof that their release was after the registration deadline.

Ballot Request by Letter

If you are already registered, you may submit a letter to your local election official to request an absentee ballot by the ballot request deadline. The letter must include your name as registered, voting residence address, address to which the absentee ballot should be sent, and the name and date of the election. The letter must be signed and dated.

Ballot Request if Recalled to Service

If registered voters are unable to appear at their polling place because of being recalled to service after the absentee ballot request deadline, but before 5 pm PST on the day before the election, they may request an absentee ballot at their local election office.

Voting Your Ballot

Local election officials mail absentee ballots beginning 60 days before the election.

Voted ballots must be received by the local election office by 8 pm PST on election day.

No witness or notary is required on voted ballots.

You must return your voted ballot by mail if you are a Stateside Uniformed Service member or family member. You may return your ballot by mail or fax only if you are an overseas Uniformed Service member or family member or an overseas citizen. Use FPCA mail and fax instructions under "How and Where to Submit Your FPCA."

Recommended Mailing Dates for the November 2010 General Election

Send your FPCA by August 15, 2010 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 2, 2010.
- Voters in other overseas military installations should send voted ballots by October 9, 2010.
- Stateside Uniformed Service members and their families should send voted ballots by October 25, 2010.

If you do not receive your State absentee ballot by October 2, 2010, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

California allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in general elections for Federal office. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/Affirmation:

Block 1.a: Select the category that describes you.

Block 1.b: California does not allow you to use this form for registration. Do not check this block.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Enter your valid California Driver's License number, the last four digits of your Social Security number, OR your State voter registration number.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your California voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Enter your current mailing address.

Block 6: Provide any information that may assist the local election official in accepting this ballot or application.

Block 7: Sign and date. No witness or notary required.

Vote Your FWAB:

Vote for any Federal office in a general election. To find out the races and candidates for which you can vote, go to www.sos.ca.gov. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

You must submit your FWAB by mail if you are a Stateside Uniformed Service member or family member. You may submit your FWAB by mail or fax only if you are an overseas Uniformed Service member or family member or an overseas citizen.

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. Addresses can be found below.

If you choose to fax your FWAB, you must sign an oath waiving your right to cast the ballot secretly. It is recommended that you fax the form directly to your local election official. Fax numbers can be found at www.sos.ca.gov. Include ballot, voter affirmation, and cover sheet with secrecy waiver. You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703)693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.
