Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Your valid Delaware Driver's License number OR your complete Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your Delaware voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Complete address where you want your ballot sent, usually where you live now.

Block 4.c: Delaware allows you to receive the blank ballot by mail, email or fax. Check how you would like to receive

your absentee ballot. Provide your email address or fax number in Block 2. If you do not make a selection, then your local election official will mail your ballot to you.

Block 5: To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official. There are two periods during which you may not change your political party affiliation: from November 1 in the year before a general Presidential election through the day of the Presidential primary, and from March 31 in the year of the general election through the day of the primary election. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 6: In addition to mailing a regular ballot, Delaware provides a Special Write-In Absentee Ballot up to 90 days before the general election to any voter unable to vote in the regular absentee voting process due to the requirements of military service or other contingencies. This ballot allows you to vote for local, State and Federal offices. To request it, write in Block 6: "I am unable to vote by regular absentee ballot or in person due to requirements of military service. I request a special write-in ballot."

Provide any information that may assist the local election official in accepting this application.

Block 7: Sign and date. No witness or notary required.
