## Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted.

### Complete the Following Blocks of the Federal Post Card Application (FPCA):

**Block 1:** Select the category that describes you.

**Block 2.a:** Name (Last, First, Middle)

**Block 2.e:** Date of Birth

**Blocks 2.f and 2.g:** Your valid New York Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess a New York Driver's License or Social Security number, other acceptable forms of identification include a photocopy of: current photo ID (passport, school ID, company photo ID), government check, OR other government document.

**Blocks 2.h through 2.j:** Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

**Blocks 3.a through 3.e:** Complete street address of your New York voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

**Block 4.a:** Complete address where you want your ballot sent, usually where you live now.

**Block 4.c:** New York does not allow you to receive your blank ballot by email or fax. More transmission options may be available. Check [www.fvap.gov](http://www.fvap.gov) for updates.

**Block 5:** To vote in primary elections, you must enter your political party affiliation. If you want to be an unaffiliated voter, write "none." Only the Independence Party allows unaffiliated voters, under certain circumstances, to participate in its primary elections. Political party affiliation is not required if only requesting absentee ballots for general elections.

**Block 6:** Provide any information that may assist the local election official in accepting this application.

**Block 7:** Sign and date. No witness or notary required.

### How and Where to Submit Your FPCA:

You must mail your FPCA directly to your local election official. Addresses can be found at the end of this section.

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers can be found at [www.elections.state.ny.us](http://www.elections.state.ny.us). You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [www.fvap.gov](http://www.fvap.gov), and fax to: (703)-693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [www.fvap.gov](http://www.fvap.gov).

## Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to New York's voter registration verification website at: <https://voterlookup.elections.state.ny.us/votersearch.aspx>.

Your jurisdiction will contact you if your registration is denied.

## Ballot Request by Proxy

If you are outside the U.S., your spouse, parent, adult child, brother, sister or duly authorized agent may apply to the local board of elections for an absentee ballot on your behalf.

## Voting By Citizens Who Have Never Lived in the U.S.

A U.S. citizen who was born abroad and who is eligible to vote and who has never lived in the U.S. may register and vote in the county where a parent would be eligible to register and vote (for Federal offices only).

---

## Voting Your Ballot

Local election officials mail absentee ballots approximately 32 days before most elections. (Absentee ballots are sent 12 days before special elections and 25 days before school board elections in New York City and Buffalo.)

**Voted ballots must be postmarked by the day before the election and received by the local election office no later than 13 days after the election.**

No witness or notary is required on voted ballots. The voted ballot's mailing envelope may be witnessed to show that the ballot was mailed no later than the day before the election. This ensures that ballots received with no postmarks or other date/time markings or indicia, will be counted.

The voted ballot must be returned by mail.

---

## Recommended Mailing Dates for the November 2010 General Election

Send your FPCA by August 15, 2010 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the

military postal system should send voted ballots by October 2, 2010

- Voters in other overseas military installations should send voted ballots by October 9, 2010
- Stateside Uniformed Service members and their families should send voted ballots by October 25, 2010.

If you do not receive your State absentee ballot by October 2, 2010, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

---

## Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot (FWAB)

New York allows you to use Federal Write-In Absentee Ballot (FWAB) for voting in general elections for Federal office. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election.

### Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

**Block 1.a:** Select the category that describes you.

**Block 1.b:** New York does not allow you to use this form for registration. Do not check this block.

**Block 2.a:** Name (Last, First, Middle)

**Block 2.e:** Date of Birth

**Blocks 2.f and 2.g:** Enter your valid New York Driver's License number, the last four digits of your Social Security number, OR your State voter registration number. If you do not possess a New York Driver's License or Social Security number, other acceptable forms of identification include a photocopy of: current photo ID (passport, school ID, company photo ID), government check, OR other government document.

**Blocks 2.h through 2.j:** Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

**Blocks 3.a through 3.e:** Complete street address of your New York voting residence. A post office box is not sufficient. If your address includes a rural route, describe its

location in Block 6. This address must be within the county where you claim legal voting residence.

**Block 4.a:** Enter your current mailing address.

**Block 6:** Provide any information that may assist the local election official in accepting this ballot or application.

**Block 7:** Sign and date. No witness or notary required.

### Vote Your FWAB:

Vote for any Federal office in a general election. To find out the races and candidates for which you can vote, go to [www.elections.state.ny.us](http://www.elections.state.ny.us). For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

### How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.
