Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all Federal elections held through the next two regularly scheduled general elections.

All information applies to Uniformed Service members, their families, and overseas citizens, as well as members of the U.S. Armed Forces and merchant marine who have been discharged within 30 days of an election.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Your valid Oregon Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your Oregon voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Complete address where you want your ballot sent, usually where you live now.

Block 4.c: Oregon allows you to receive your absentee ballot by mail, email, or fax. Check how you would like to receive your absentee ballot. Provide your email address or fax number in Block 2. If you do not make a selection, then your local election official will mail your ballot to you.

Block 5: To vote in primary elections, you must enter your political party affiliation. To vote in the elections of a political party that has authorized non-affiliated electors, write: "I want to vote in (fill in party) primary." Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 6: In addition to mailing a regular ballot, Oregon provides a State Write-In Absentee Ballot to any voter residing outside the U.S. unable to vote using the regular absentee voting process. This ballot may be requested any time before the election. To request it, write in Block 6: "I am outside the territorial limits of the United States and the District of Columbia and I am unable to vote and return a regular absentee ballot by normal mail delivery in the time provided for regular absentee ballots. I request a special write-in absentee ballot." This request is valid only for the election specified on the application.

If you do not wish to receive ballots for all Federal elections through the next two regularly scheduled general elections, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.

Provide any information that may assist the local election official in accepting this application.

Block 7: Sign and date. No witness or notary required.
