

Instructions – Individual Voter Feedback Form – Washington

This form is to be used to provide FVAP with feedback that you have received from individual UOCAVA voters regarding their voting experience as a result of implementation of the State’s Comprehensive Plan. Any feedback provided by an individual UOCAVA voter is to be recorded and provided to FVAP, whether the feedback is positive or negative.

Please use a separate form for each instance of feedback from any individual UOCAVA voter. This form may be copied so that each individual instance of feedback is separately recorded.

If the UOCAVA voter provided feedback in a written form, you may include the written information, redacting any identifying information.
