

Ballot/FWAB States Transmission Methods

* **Alabama** - Online also available. Online only if voter requested absentee ballot by email/online and voter is located outside the territorial limits of the U.S.

* **Arizona** - Online also available. Online submission available if a voter receives instruction from their local election official.

* **California** - Fax only if voter is overseas or activated within 6 days of the election.

* **Colorado** - Online also available.

* **Florida** - Fax only if the voter is outside the U.S.

* **Iowa** - Email and fax only for overseas Uniformed Service members and all other UOCAVA voters who are located in a hostile fire area.

* **Nebraska** - Email and fax available for those voters who have the prior approval from their local election official.

* **New Jersey** - Voters can email or fax their ballot/FWAB, but they must also still mail their ballot/FWAB.

* **Oregon** - Additional forms are required if voter is voting on local offices or ballot measures and voter is submitting the ballot by email or fax. Forms can be found at www.oregonvotes.gov/myballot.

* **Texas** - Fax only if the voter is located in a hostile fire area.

* **Vermont** - Email only if the voter is located in current USPS International Mail Service Suspension area.
