**2026 State Primary Elections:** To register and request an absentee ballot use FVAP's easy online assistant at [www.fvap.gov/FPCA](#) to walk you through state-specific form completion. Once you complete the FPCA, print, sign, and send it to your election office. Most states accept the FPCA by email or fax while some require it by mail. Check your state-specific guidelines at [FVAP.gov](#).

Once you receive your requested absentee ballot, vote and return it as soon as you get it. Remember to carefully follow the instructions, especially using a "security envelope" if required, and sign the package as indicated when returning it. To save time, send voted ballots electronically if allowed by state law. Voters can check if their state accepts completed absentee ballots by email, fax, or via an online portal at [FVAP.gov/guide](#). If a requested ballot has not arrived, use the Federal Write-in Absentee Ballot (FWAB) immediately at [www.fvap.gov/FWAB](#). It works like a backup ballot. If your official absentee ballot arrives after sending in the FWAB, complete and send in the official ballot, too. Only one will be counted. To make sure the voted ballot is received by your state. Go to [FVAP.gov](#), click on your state and then the "check the status of your voted ballot" button.

To find your state's election website for specific information on candidates, elections, contact information, and links to your local election offices, visit [FVAP.gov](#) and select your state from the dropdown menu. You can also reach out directly to your [election office](#) for status updates on your registration and absentee ballot.

*The Department of Defense is required to send this email notification starting 90 days before each election for federal office. This information is current as of December 5th, 2025. As updates may occur, please check the election calendars, and state guidelines at FVAP.gov for real time information.*
