2026 State Primary Elections: To register and request an absentee ballot use FVAP's easy online assistant at www.fvap.gov/FPCA to walk you through state-specific form completion. Once you complete the FPCA, print, sign, and send it to your election office. Most states accept the FPCA by email or fax while some require it by mail. Check your state-specific guidelines at FVAP.gov.

Once you receive your requested absentee ballot, vote and return it as soon as you get it. Remember to carefully follow the instructions, especially using a "security envelope" if required, and sign the package as indicated when returning it. To save time, send voted ballots electronically if allowed by state law. Voters can check if their state accepts completed absentee ballots by email, fax, or via an online portal at FVAP.gov/guide. If a requested ballot has not arrived, use the Federal Write-in Absentee Ballot (FWAB) immediately at www.fvap.gov/FWAB. It works like a backup ballot. If your official absentee ballot arrives after sending in the FWAB, complete and send in the official ballot, too. Only one will be counted. To make sure the voted ballot is received by your state. Go to FVAP.gov, click on your state and then the "check the status of your voted ballot" button.

To find your state's election website for specific information on candidates, elections, contact information, and links to your local election offices, visit FVAP.gov and select your state from the dropdown menu. You can also reach out directly to your [election office](#) for status updates on your registration and absentee ballot.

Detailed instructions and county contact information are available at [\(Georgia\) FVAP.gov](https://www.fvap.gov). Voters can verify the status of their voting materials by contacting their [election office](#) directly. **Special Runoff Election (if necessary)** The special runoff election (if required) will be on Tuesday, April 7th, 2026. Service members, eligible family members, and overseas citizens will receive an instant runoff ballot with their general election ballot package. They may also register to vote until March 9th, 2026, and request an absentee ballot by email, fax, or mail until March 27th. Ballots must be postmarked by April 7th, 2026 but still must be received by the 3rd day after the election.
