Florida voters who are already registered and want to receive a mailed ballot must send in the FPCA as a ballot request by October 23, 2021. Registered voters who prefer to receive their ballot by email or fax can request their ballot up until Election Day. Registered voters can send their completed, signed FPCA directly to their election office by email, mail, or fax.

If the official absentee ballot arrives after sending in the FWAB, the voter may complete and submit the official ballot, too. Only one ballot will be counted.

FVAP offers an email-to-fax forwarding service for voters from states that do not allow email return of voted ballots. Voters who do not have access to a fax machine can email their completed ballot to fax@FVAP.gov and FVAP will forward the ballot as a fax to the appropriate election office.
