Kentucky Primary Election on May 20

The State of Kentucky will hold its primary election on May 20. If you are a Kentucky resident and want to vote in the primary, you must be registered to vote by April 21. If you live outside your election jurisdiction and need to register to vote absentee, you can do so using the Federal Post Card Application (FPCA) available at FVAP.gov. If you complete and return this form, Kentucky will register you as an absentee voter and send you your ballot for all elections this year.

If you are already registered in Kentucky, you must request your ballot by May 13 if you want to vote in the primary.

Detailed information is available at the following website: fvap.gov/kentucky, along with the FPCA. If you are registered and have not received your absentee ballot by April 20, use the Federal Write-In Ballot to vote. The form is also available at: fvap.gov/kentucky.
