Oregon Primary Election on May 20

The State of Oregon will hold its primary election on May 20. If you are an Oregon resident and want to vote in the primary, you must be registered by April 29. If you live outside Oregon and need to register to vote absentee, you can do so using the Federal Post Card Application (FPCA) available at FVAP.gov. If you complete and return this form, you will be registered to vote and will receive an absentee ballot for every subsequent Federal election held until it becomes evident that your voter registration information is no longer current or you request otherwise.

If you are already registered in Oregon, you must request your ballot by May 15 if you want to vote in the primary. You can request an absentee ballot using the FPCA available at fvap.gov.

Detailed information is available at the following website: fvap.gov/oregon. If you have not received your absentee ballot by April 20, use the Federal Write-In Absentee Ballot (FWAB) to vote. The form is also available at fvap.gov/oregon.

**You are receiving this notice as your military personnel records indicate you are a resident of this State. Pursuant to Federal law you will receive these notices for each upcoming Federal election in your State.
