New York Primary Election on June 24

New York will hold its Federal primary election on June 24. If you are a New York resident and want to vote in the primary, you must register and request your ballot by May 30. If you live outside New York and need to register to vote absentee, you can do so using the Federal Post Card Application (FPCA) available at www.FVAP.gov. If you complete and return this form, New York will register you as an absentee voter and send you your ballot for all elections this year.

Detailed information is available at the following website: www.fvap.gov/new-york, along with the FPCA. If you are registered and have not received your absentee ballot by May 25, use the Federal Write-In Absentee Ballot (FWAB) to vote. The form is also available at www.fvap.gov/new-york.
