

# Armed Forces Voters Week Toolkit

June 28 - July 4, 2024

## For Active-Duty Military Members Voting Absentee

### Instructions

This outreach toolkit can support your organization in its efforts to maximize the importance of voter registration as part of Armed Forces Voters Week (June 28 - July 4, 2024) and Independence Day activities.

You're welcome to **customize and publish the following shared content on your channels** in order to reach military members living away from their voting residence.

Available content includes:

- **Social media posts** and graphics for Facebook, Instagram, LinkedIn, Twitter (X), etc.
- **Infographics** for social media or sharing directly with military members.
- **Wallet cards** to distribute to voters as a reminder of the absentee voting process.
- **A detailed flowchart** for voters to follow along with as they begin the voting process.

Active-duty military members need extra time to vote absentee, so it's never too early to share this information. Armed Forces Voters Week is a great time to enhance outreach to absentee voters with a focus on requesting their absentee ballot using the Federal Post Card Application (FPCA).
