INSTRUCTIONS

This digital media content toolkit can support human resource professionals in their efforts to help U.S. citizens overseas vote absentee in the 2018 elections — from anywhere in the world.

You're welcome to **customize and publish the following shared content on digital channels** in order to reach U.S. citizen employees living overseas.

Available content includes:

- Shareable graphics and template short-form posts for social media (Facebook, LinkedIn, Twitter, etc.)
- Suggested long-form post content for blog, message board or LinkedIn
- Suggested blurb content for e-newsletter or website
- Infographic

U.S. citizens overseas need extra time to register to vote and request their absentee ballot. It's best to share this information with employees by mid-July so they have time to register **before August 1, 2018**, though State deadlines may be later.

2 simple steps for U.S. citizens overseas to vote from anywhere

Living across the pond? Working outside the States? No matter where you are, you can vote.

If you're an American living abroad, you can have your absentee ballot sent to you this election year.

Here's how:

1. Register to vote and request your ballot with one form.

It's called the *Federal Post Card Application* (FPCA). You can get it at [FVAP.gov](https://www.fvap.gov).

At [FVAP.gov](https://www.fvap.gov), select your State for all the info and materials you need. You can use FVAP's online assistant to help fill out your FPCA. Or print it and fill it out by hand.

Then send it to your local election official. Find the address at [FVAP.gov](https://www.fvap.gov) to mail it. Or check if your State allows you to send it in by email or fax.

For the General Election on November 6, plan to mail your FPCA by August 1, 2018 (or later depending on your State). Check [FVAP.gov](https://www.fvap.gov) for your specific deadline.

You have to send in a new FPCA every year to receive your absentee ballots for all 2016 elections — even if you've done it before.

2. Fill out and send in your ballot when it arrives.

Once you receive your ballot, fill it out, sign it and send it back to your local election official.

Like the FPCA, you may be able to return your ballot by email or fax, so check what your State allows.

For the General Election, you should receive your ballot by October 8, 2018.

And you should send it back by October 15, 2018.

If you don't get your ballot by October 8, that's no problem. Get a *Federal Write-In Absentee Ballot* (FWAB) from FVAP.gov. Fill it out and send it like your regular ballot.

After you send in your ballot, you can even check if it was received. Select your State at FVAP.gov to check the status of your ballot.

The Federal Voting Assistance Program makes it that simple. Visit FVAP.gov; call 1-800-438-VOTE; or email vote@fvap.gov to make sure you can vote from anywhere. Sign up for voting alerts at FVAP.gov and check out FVAP's Facebook and Twitter.
