For Election Offices Serving *UOCAVA* Voters

Instructions

This digital media content toolkit is designed to support election offices in their efforts to reach *UOCAVA* voters — Service members, their eligible family members, and U.S. citizens residing overseas — and help them vote absentee in the 2022 elections from anywhere in the world.

You're welcome to **customize and publish the content in this toolkit on your channels** to best serve your *UOCAVA* voters. Use @FVAP to tag on Twitter, @FVAPGov to tag on Instagram, and @Federal Voting Assistance Program — FVAP to tag on Facebook.

Available content includes:

- Shareable graphics and template short-form posts for social media (Facebook, Instagram, LinkedIn, Twitter, etc.)
- Long-form post content for blog, message board or LinkedIn
- Blurb content for e-newsletter or website
- Infographic

The images in this document are for reference. Full-size image and video files are available [here](#).

Get more shareable content from FVAP [here](#), including toolkits for each type of *UOCAVA* voter.

Timing

UOCAVA voters need extra time to register to vote and to request and submit their absentee ballot. It's best to share this information well in advance of your state deadlines.

This toolkit is divided into sections that emphasize particular actions in three phases:

1. **Pre-Registration Deadline:** Registering to vote and requesting a ballot. Use this content before your state's absentee voter registration deadline.
2. **Post-Ballot Transmission:** Getting the ballot. Begin using this content once your state has distributed absentee ballots in late September and early October.
3. **Pre-Voting Deadline:** Submitting ballots and checking receipt. Use this content after ballot transmission until your state's absentee voting deadline.
