Timing

UOCAVA voters need extra time to register to vote and to request and submit their absentee ballot. It's best to share this information well in advance of your state deadlines.

This toolkit is divided into sections that emphasize particular actions in three phases:

1. **Pre-Registration Deadline:** Registering to vote and requesting a ballot. Use this content before your state's absentee voter registration deadline.
2. **Post-Ballot Transmission:** Getting the ballot. Begin using this content once your state has distributed absentee ballots in late September and early October.
3. **Pre-Voting Deadline:** Submitting ballots and checking receipt. Use this content after ballot transmission until your state's absentee voting deadline.
