At the discretion of the installation commander, satellite offices may be established under the primary IVA office.

(1) The IVA office will provide voter assistance to military personnel, their dependents, civilian Federal employees, and all qualified voters who have access to such installation offices. IVA offices shall also serve as voter registration agencies under section 1973gg-5 of Reference (d).

(2) The IVA office shall be established within the installation headquarters organization reporting directly to the installation commander, even if geographically located in another office.

(3) The IVA office should be located in a well-advertised, fixed location, consistent throughout the Service, and should be physically co-located with an existing office that receives extensive visits by Service personnel, family members, and DoD civilians. The IVA office shall be staffed during the hours the installation office is open with trained personnel to provide direct assistance in registration and voting procedures, including the assistance required under section 1973gg of Reference (d).

(4) The IVA office shall:

(a) Be included in the administrative in-processing and out-processing activities required of reporting and detaching personnel.

(b) Ensure that uniformed services members, their voting-age dependents, and overseas DoD civilians are provided proper voting assistance at the IVA office, including the opportunity to update their voter registration information through the submission of a revised SF 76, "Federal Post Card Application (FPCA)," or National Mail Voter Registration Form.

(c) Ensure that voting assistance is provided to all personnel, military and civilian, reporting for duty on the installation, detaching from duty, deploying, and returning from deployment of 6 months or longer.

1. SF 76s shall be used to notify local election officials of the change of mailing address for absentee ballot delivery purposes.

2. Uniformed services members who are being released from active duty shall be advised to notify their local election office that they are no longer covered in accordance with the provisions of section 1973ff of Reference (d) and shall be provided the opportunity to submit a National Mail Voter Registration Form.

(d) Ensure that all small and geographically separated units are provided voting assistance.

(e) Provide written information on voter registration and absentee ballot procedures. This can be met by providing the applicant with the SF 76, SF 186, "Federal Write-In Absentee Ballot" (if applicable), or the National Mail Voter Registration Form, the attached instructions for those forms, and the State-specific instructions from the Voting Assistance Guide (Reference (ep)) for absent uniformed services voters, voting-age dependent voters, and overseas civilians. (3) When uniformed services personnel (including noncommissioned officers) are designated as VAOs this Instruction authorizes them to administer oaths in connection with voter registration and voting.

e. Designate IVAOs, preferably civilians (GS-12 or higher) with access to the installation commander. If a uniformed services member is assigned as the IVAO, that officer should hold the pay grade of O-4 or higher; however, it is preferable to assign an enthusiastic volunteer who is outside this rank and grade guidance rather than assign a less enthusiastic member who meets the criterion.

(1) The IVAO shall complete FVAP training before assuming the duties of the IVAO.

(2) The IVAO shall work closely with the IVA office to coordinate the unit-level voting assistance programs implemented on that installation.

(3) Each IVAO shall notify installation personnel of the last date before a general election for Federal offices by which absentee ballots must be mailed to reasonably be delivered in time to State and local election officials and of general mail delivery deadlines recommended by the Military Postal Service Agency.

f. Designate and assign, in writing, a UVAO, at the O-2/E-7 level or above, within each unit of 25 or more permanently assigned members. (1) A UVAO shall complete FVAP training prior to assuming the duties of the UVAO as specified in this enclosure. Unit commanders shall, to the extent practicable, provide funding to enable their UVAOs to attend in-person training.

(2) An additional UVAO should be assigned for each additional 50 members above the 25-member base.

(3) UVAOs shall ensure that all small and geographically separated units are assisted.

(4) UVAOs may advise and assist the IVA office in fulfilling the voter assistance functions for deploying personnel, personnel returning from deployment, and personnel recording a change of address. However, the individual in charge of the IVA office is responsible to require that UVAOs have fully complied with the voter assistance responsibilities as described in section 1973ff of Reference (d).

g. Require that uniformed services members and their voting-age dependents have ready access to absentee voter registration, ballot request and absentee ballot submission information, deadlines, and recommended mailing dates to meet those deadlines. This information must be available online and in written format for those citizens who do not have access to online documents.

h. Expediently obtain and disseminate to eligible voters voting information and related materials, such as Reference (~~ap~~), SF 76, and SF 186.

i. Provide sufficient registration and ballot request materials to support all elections.

j. Establish within each military installation and major command a VAO network and communications capability to quickly disseminate voting information throughout the installation or major command. Establish a DoD Component-wide means to communicate effectively with and expeditiously disseminate voting information to commanders, VAOs, and uniformed services and overseas DoD civilian members of the DoD Component and their voting age dependents. This communication effort should be coordinated with the FVAP.

k. Develop a DoD Component-wide communications plan to provide information on the absentee voting process (including State registration and absentee ballot deadlines and the effective deadlines for mailing from overseas and remote locations to meet those State deadlines), encourage voting participation, schedule voting communications from Component leaders, and program the distribution of voting materials.

l. Develop a distribution system to deliver SF 76s directly to all eligible voters either through in-hand delivery or through electronic means.

m. The delivery of SF 76s shall be accomplished:

(1) By January 15 of each calendar year to eligible voters and, to the extent practicable, their voting-age dependents.

(2) By July 15 of even-numbered years to eligible voters and, to the extent practicable, voting-age dependents.

(3) Before graduation and detachment from recruit training. These SF 76s shall be used to notify local election officials of the change of mailing address for absentee ballot delivery purposes.

n. Require the Inspectors General of the Military Departments to review their voting assistance program annually, and at every level of command, to ensure compliance with References (d), (e), (h), (l), and (~~en~~). A copy of this report shall be submitted to the IG DoD along with supporting statistical information to the Director, FVAP, by January 31 of the following year pursuant to section 1566 of Reference (e).

o. Continually evaluate command voting assistance programs. Program metrics shall be reported to the Director, FVAP, as prescribed by paragraph n. in Enclosure 3.

p. Establish and maintain a direct link from the DoD Component's website to the website designated by the Director, FVAP.

q. Develop comprehensive command-wide voting awareness, assistance programs, and activities in accordance with the requirement of subparagraph 2.m.(1) of this enclosure to annually deliver SF 76s by January 15. Armed Forces Voters Week will be advertised to encourage voter registration drives.

r. Establish and maintain a standard e-mail address of the form Vote@(unit).(Service).mil, Vote.(unit)@(Service).mil or similar format to contact all UVAOs within that Service.

s. Annually train all uniformed service members (including activated National Guard and Reserve personnel) on absentee registration and voting procedures.

(1) All basic training and command courses shall emphasize and advertise voting assistance programs to encourage service members to register and subsequently vote by offering instruction on voting rights and responsibilities and procedures on absentee registration and voting.

(2) Provide training and voting assistance for units preparing for deployment where voting materials and accessibility to register may be limited due to at-sea or remote area deployment.

(3) Retain records of training conducted, including dates and attendees, at the unit level for at least 1 calendar year.

t. Require that all major command, installation, and UVAOs attend an FVAP voting assistance workshop during even-numbered years with elections for Federal offices. If the installation is not scheduled to receive FVAP workshop training, installation and UVAOs should attend training at a nearby installation. VAOs at remote locations can access the FVAP website for training. Documentation of VAO training at the installation or base level shall be stored within local personnel records.

u. To the greatest extent practicable, ensure voters who are eligible to cast absentee ballots on DoD facilities are able to do so in a private and independent manner.

v. Protect the privacy of the contents of absentee ballots while under DoD control. Voters who vote locally at polling sites should be provided time to vote during working hours.

w. File an annual after-action report to the Director, FVAP, in the format and manner specified by the Director, FVAP.

x. Assist the FVAP in conducting official surveys in the manner specified by the Director, FVAP.

y. Refrain from contacting State and local government officials about voting policy matters. The Director, Defense State Liaison Office, in consultation with the Director, FVAP, shall be the DoD representatives for coordination with Federal, State, and local government entities for legislative and other policy matters involving voting assistance and elections pursuant to section 1973ff of Reference (d).

(1) IVAOs, major command VAOs, and SVAOs are encouraged to discuss voting policy concerns with FVAP, and may work with FVAP on such issues at the Director, FVAP's request.

(2) IVAOs, major command VAOs, and SVAOs may contact local election officials to help resolve any specific problem involving voter registration or absentee voting on behalf of the voter, or to engage appropriate local election official assistance for a voter registration drive or similar event on an installation.

z. Consolidate and provide quarterly statistical information and records on voter registration assistance provided by the UVAOs and the IVA offices in a format prescribed by the Director, FVAP.

aa. Ensure all personnel assigned to transition assistance program offices are informed of the policies in this Instruction and are trained to provide materials educating transitioning personnel on their civilian voting rights and responsibilities. Transition assistance program offices shall work with the Director, FVAP, to provide pre-printed notices that transitioning personnel may

use to inform their election offices that they no longer will vote absentee in accordance with the provisions of section 1973ff of Reference (d).

ab. Ensure all personnel assigned to recruitment offices are informed of the policies in this Instruction and are trained to provide voter registration assistance. Ensure the recruitment offices of the Military Services:
