## Important information

| | |
|---|---|
| What is UOCAVA? | The *Uniformed and Overseas Citizens Absentee Voting Act* is commonly referred to as *UOCAVA*. *UOCAVA* voters are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices. |
| What is the Federal Post Card Application (FPCA)? | The FPCA (Federal Standard Form 76) allows *UOCAVA* citizens to register to vote and request an absentee ballot. This form is also used to update your contact information. |
| What is the Federal Write-In Absentee Ballot (FWAB)? | The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for *UOCAVA* citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB. |
| What is the Prepaid Mail Label 11- DoD? | *Overseas Uniformed Service members* can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service. |
| What is a primary election? | A primary election is an election held before the general election to determine which candidates will appear on the general election ballot. |
| What is a runoff election? | A Georgia runoff election is a subsequent election held when no candidate receives a majority of the votes cast. The runoff is conducted between the two candidates receiving the highest number of votes to determine the final winner. |
| I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges? | No. |
| How can I check the status of my ballot? | You can check the status of your absentee ballot here:<br>http://www.mvp.sos.ga.gov/MVP/mvp.do |
| Does my state have any online tools? | You can see if your state has any online tools available here:<br>https://www.fvap.gov/georgia |

# Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Georgia, if you are using the FPCA to register to vote you are required to submit proof of citizenship with your completed form. Provide one of the following (include a copy, do not send original documents): Georgia driver's license or identification card number; a driver's license or identification card issued by an equivalent government agency of another state, provided that citizenship is indicated on that card; birth certificate; United States passport; United States naturalization documents, or the alien registration number from those documents; other documents or methods of proof established pursuant to the federal Immigration Reform and Control Act of 1986; or Bureau of Indian Affairs card, tribal treaty card, or tribal enrollment card. If you do not have any of these documents, contact your election office (https://www.fvap.gov/search-offices).

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

# Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

Vote your primary/general election ballot (sealed in separate ballot envelope) with the candidates included in the online assistant. You may also submit a simultaneous second ballot for a possible runoff election (sealed in a second separate runoff ballot envelope) using the following Instant Voting

Instructions. Instant Voting is only allowed for use in runoff elections where a federal candidate appears on the runoff ballot. When using a FWAB, you should indicate your order of preference on the "Official Backup Ballot" page for each candidate for each office to be voted on in a runoff, by writing the name and offices of candidates you wish to vote for and their rank. Place a numeral "1" next to the name of the candidate who is your first choice, the numeral "2" next to the name of the candidate who is your second choice, and so forth. For more information, visit www.sos.ga.gov.

Both the primary/general election and runoff ballot envelopes can be mailed in a single outer mailing envelope to your county election office  NOTE: Each ballot must include a completed and signed "Voter Information" page.

## How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

**Mail your FWAB:** Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

*Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.
