# 2014-15 Voting Assistance Guide

---

Assistance for citizens covered by the Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) (42 U.S. Code 1973ff)

**Publication ID# VAG 14-15**

The *2014-15 Voting Assistance Guide* was prepared by the Federal Voting Assistance Program with the assistance of the Secretaries of State, Directors of Elections and their staffs, the Uniformed Service branches and the Department of State. Information and procedures in this *Guide* are current as of September 2013 and may be affected by changes to Federal and State legislation. Check [FVAP.gov](http://FVAP.gov) for updates and for information on how to order an updated version of this *Guide*.

We want your feedback! If this book was helpful to you or if you ran into problems or have questions, please email [vote@fvap.gov](mailto:vote@fvap.gov) or send mail to: **Federal Voting Assistance Program**, 1155 Defense Pentagon Washington, DC 20301-1155.

Dear *Voting Assistance Guide* User:

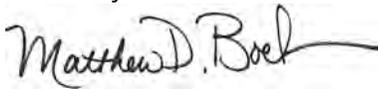

Welcome to the *2014-2015 Voting Assistance Guide*. The *Guide* is a compilation of State-specific rules, processes, election dates and deadlines to assist military and overseas voters in successfully registering to vote and casting a ballot. For each election cycle, FVAP produces the *Guide* for use by voters and Voting Assistance Officers as a desk-reference for rules and guidelines. This new and redesigned version of the *Guide* contains all of the essential steps Uniformed Service members, their eligible family members and overseas citizens must take to complete the voting process.

The *Guide* dates back to the 1950s and over the years the format and quantity of information have made the *Guide* overwhelming and less readable to some. We are pleased this *Guide* is more visually appealing and is easier to use. For example, we added call-out boxes to provide you with easy access to common questions and answers.

This year's *Guide* also marks the beginning of a transition from an entirely printed version to a *Guide* available in various electronic media. While the *Guide* will be provided at FVAP.gov, the printed *Guide* now comes with a CD-ROM version, which includes live links enabling instant access to updated information.

Voting is an individual's choice and personal responsibility, and for those members of the Uniformed Services, their families and overseas citizens who want to vote, FVAP is committed to providing the best voting assistance possible. We look forward to continuing to serve our voters – and the people who support them.

Sincerely,

Matt Boehmer  
Director, Federal Voting Assistance Program

- have requested to vote.  
(As required by your State of legal residence.)

---

### Voting absentee?

**The absentee voting process in this guide applies to:**

- an active duty member of the **U.S. Uniformed Services or Merchant Marine**
- an eligible family member of an active duty member
- a U.S. citizen residing outside the U.S.

**This guide may also apply to you if you are:**

### How do you vote absentee?

There are four steps to voting absentee in the November 4, 2014 General Election (the following are **recommended mailing dates**).

What	When
<b>1 Register and request</b> an absentee ballot using the <b>Federal Post Card Application (FPCA)</b> .	By <b>August 1, 2014</b>
<b>2 Receive</b> your absentee ballot from your State election office. Election offices mail ballots by September 20, 2014 (45 days before the election).	By <b>October 7, 2014</b> (Date may vary by mail delivery time to your location)
<b>3 Return</b> your voted ballot to your State in time for it to arrive by Election Day.	
If you are overseas or on a deployed naval vessel:	By <b>October 7, 2014</b>
If you are a stateside Uniformed Service member or family member:	By <b>October 28, 2014</b>
<b>4 Ensure your vote</b> is counted. If you have not received your requested ballot, use the <b>Federal Write-In Absentee Ballot (FWAB)</b> .	By <b>October 4, 2014</b>

---

If you do not receive your State absentee ballot by **October 4, 2014** use the **Federal Write-in Absentee Ballot**. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

---

### Step 1: Register and request your absentee ballot

To request an absentee ballot, complete a Federal Post Card Application (FPCA) in the State or territory where you are a legal resident. The FPCA also acts as your voter registration form.

**For the November 2014 election, send in your FPCA by August 1, 2014.**

---

#### To get an FPCA:

##### Online:

- Use [FVAP.gov](http://FVAP.gov) to complete and print the form, along with a pre-paid envelope and instructions for submitting it.

##### In person:

- Get a hardcopy form from a Voting Assistance Officer at military bases, U.S. embassies and consulates, election organizations and corporations worldwide.

Be sure you provide your complete contact information, including your email address, on your FPCA. If you don't, your request for a ballot may be denied.

For instructions on how to complete the FPCA, see *Chapter 2 Absentee voting procedures by State or territory*.

---

#### To send your FPCA to your local election office, choose one of these options:

- Use the U.S. postal system, including APO and FPO addresses, to send it postage-paid (for free).
- Send it through the diplomatic pouches at U.S. embassies and consulates (for free). Contact your U.S. embassy or consulate for estimated delivery times.
- Send it using a foreign mail service. Be sure to use the correct postage and include USA in the mailing address.
- Use a private courier service if allowed by your State. You may need the physical address (not a post office box) for your local election office.
- Many States and territories allow you to return your FPCA electronically. See what your State allows in *Chapter 2 Absentee voting procedures by State or territory*.

#### **What is the Federal Post Card Application:**

The FPCA is a single form that you can use to register to vote and/or request an absentee ballot for Federal elections.

#### **How often should you complete an FPCA?**

- Submit a new FPCA in January of each year and whenever you change your mailing address.
- In most States and territories, the same FPCA can be used to request ballots for both the primary and general elections.

### How to send the FPCA by email or fax

Where allowed by State law, you may email or fax the FPCA to your local election official.

1. Complete and **sign** the FPCA. *Follow the instructions for your State in **Chapter 2**.*
2. Complete the Electronic Transmission Sheet included at the end of this chapter (or an alternate cover sheet containing similar information).
3. Send the FPCA to your local election office by email or fax. Some States also allow other types of electronic submission. Find the State requirements in **Chapter 2 Absentee voting procedures by State or territory**.

---

#### By email

1. Scan the FPCA and the Electronic Transmission Sheet and save it as a PDF file.
2. Email the file as an attachment directly to your local election office (you can find an up-to-date list of email addresses at [FVAP.gov](http://FVAP.gov)).

---

#### By fax

Fax the FPCA directly to your local election office (you can find an up-to-date list of fax numbers at [FVAP.gov](http://FVAP.gov)).

**OR**

Use the Electronic Transmission Service (ETS) to fax your FPCA toll-free or by DSN.

Use a separate transmittal sheet for each FPCA to ensure that the right election official receives each form.

---

4. After emailing or faxing, your State may require that you also mail the completed FPCA to your local election office.

See State requirements in **Chapter 2 Absentee voting procedures by State or territory**.

If you have questions about the status of your FPCA, contact your local election office. Some States have websites where you can find your voter registration status. Links to these sites and contact information for local election officials can be found at [FVAP.gov](http://FVAP.gov).

#### **Need to contact your local election office?**

Any written correspondence may be emailed or faxed to local election officials in any State.

#### **What is the Electronic Transmission Service?**

The ETS is a service of the Federal Voting Assistance Program that you can use to send and receive materials from your local or State election office by fax or email at no cost.

---

### Step 2: Receive your absentee ballot

Your local election official will process your FPCA to determine if you meet the jurisdiction's residency requirements and will decide which ballot to send you.

- Your local election official will contact you if your application is denied.
- Local election officials are not required to contact you if your form is approved.

**Your ballot will be sent to you on or before September 20, 2014 (45 days before Election Day).**

All States must allow you to receive your blank absentee ballot electronically, when requested. This may include email, fax or online download.

For a list of blank ballot transmission methods for your State, see *Chapter 2 Absentee Voting Procedures by State or territory*.

---

### Step 3: Return your voted ballot

Vote and return your State ballot as soon as you receive it. Follow the instructions sent with your ballot to mark and pack your ballot to return.

**Know the deadline.** The date when your local election office must receive your completed ballot is set by each State.

See the instructions from your local election office for more information.

We recommend that you send in your ballot by **October 7 from overseas or a deployed naval vessel** and **October 28 from within the U.S.** to ensure it is received in time to be counted.

---

### How to return your voted ballot by mail

Follow the instructions provided by your local election official to mark your ballot and complete any other forms.

**To send your ballot by mail, choose one of these options:**

- Use the U.S. postal system, including APO and FPO addresses, to send it postage-paid (for free).
- Send it through the diplomatic pouches at some U.S. embassies and consulates. You must contact your embassy or consulate prior to using this service (see embassy contact information in *Chapter 3*, page 479).
- Send it using a foreign mail service. Be sure to use the correct postage and include USA in the mailing address.
- Use a private courier service. You may need the physical address (not a post office box) for your local election office.

## Chapter 1 How to vote absentee

---

### If you received your ballot electronically, and do not have envelopes, you can:

- Mail it using the security envelope and ballot transmittal envelope from the Federal Write-In Absentee Ballot (FWAB). Detach the envelopes from the rest of the form.
- Use two plain envelopes: mark one as the security envelope and use the other as the mailing envelope.
- Use the prepaid envelope template at [FVAP.gov](http://FVAP.gov) as the mailing envelope. Postage will need to be applied if mailing from outside the U.S. postal system.

---

### How to return your voted ballot by email or fax

Where allowed by State law, you may email or fax your ballot or Federal Write-In Absentee Ballot (FWAB) to your local election official. Some States also allow other types of electronic submission. Find the State requirements in **Chapter 2 Absentee voting procedures by State or territory**.

1. Complete the Electronic Transmission Sheet included at the end of this chapter (or an alternate cover sheet containing similar information). Include the number of pages being transmitted for each voted ballot. Keep a receipt of the date and time you sent the voted ballot.
2. Send your ballot to your local election office by email or fax.

---

#### By email

1. Scan all pages of the ballot and the Electronic Transmission Sheet and save them as a PDF file.
2. Email the file as an attachment directly to your local election office. (You can find an up-to-date list of email addresses at [FVAP.gov](http://FVAP.gov).)

---

#### By fax

Fax all pages of the ballot directly to your local election office with an Electronic Transmission Sheet. (You can find an up-to-date list of fax numbers at [FVAP.gov](http://FVAP.gov).)

#### OR

Use the Electronic Transmission Service to fax your ballot or FWAB toll-free or by DSN.

Send each ballot separately to ensure that it is received by the right election official.

---

3. After emailing or faxing, your State may require that you also mail the completed ballot to your local election office.

See State requirements in **Chapter 2 Absentee voting procedures by State or territory** section **How and where to submit your FWAB**.

When you email or fax a voted ballot, it will not be secret. You waive the right to secrecy of the ballot. You must sign and date a statement on the Electronic Transmission Sheet indicating:

***"I understand that by faxing or emailing my voted ballot I am voluntarily waiving my right to a secret ballot."***

### **Step 4: Ensure your vote is counted: Using the Federal Write-in Absentee Ballot (FWAB)**

If you have not received your State ballot by October 4, use the Federal Write-in Absentee Ballot (FWAB).

- In some cases you can only use the FWAB to vote for Federal offices: President/Vice President, U.S. Senator, U.S. Representative, Delegate or Resident Commissioner.
- Some States allow voting for some State and local offices.
- Some States also use FWAB for registration and ballot request.

**Know the deadline.** The date when your local election office must receive your completed FWAB is set by each State.

See the instructions from your local election office for more information.

- If you are living or serving in an area where mail delivery is unreliable, you can submit a FWAB any time after requesting your ballot.
- If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

#### **The FWAB consists of:**

- Federal Write-In Absentee Ballot Instructions
- Voter's Declaration/Affirmation
- Official Federal Write-In Absentee Ballot with Security Envelope attached (hardcopy version only)
- Mailing Envelope (hardcopy version only)

#### **To vote on the FWAB, follow your State's instructions in Chapter 2. You can:**

- Use [FVAP.gov](http://FVAP.gov) to mark and print your ballot, along with your Voter Declaration/Affirmation, a pre-paid envelope template and instructions for submitting the package.
- Use the fillable PDF form at [FVAP.gov](http://FVAP.gov).
- This version of the FWAB does not contain the envelopes. (Use the pre-paid envelope template available at [FVAP.gov](http://FVAP.gov).)
- Get a hardcopy form from a Voting Assistance Officer at military bases, U.S. embassies and consulates, election organizations, and corporations worldwide.

#### ***What is the Federal Write-in Absentee Ballot?***

The FWAB is a back-up way to vote, in case your requested absentee ballot does not arrive in time to vote and return your ballot. It lets you write in the names of the candidate you wish to vote for.

#### ***Want information on candidates?***

Visit your State election website where candidate information may be available 30 days before the election (links are available at [FVAP.gov](http://FVAP.gov)).

3. If you do not have printed envelopes, any two plain envelopes can serve as your security envelope and mailing envelope.

  - You may use the online prepaid envelope template as the mailing envelope.

### Return the FWAB, following the instructions in *Chapter 2 for How to Return Your Ballot*.

### Tracking your ballot

You may track the status of your ballot by contacting the Arizona Secretary of State office at <https://www.azsos.gov/election/Military.htm>.

---

### Haven't received your ballot? Use the Federal Write-In Absentee Ballot.

Arizona allows you to use the Federal Write-In Absentee Ballot (FWAB) for both registration and voting in primary, general and special elections for Federal Office. Feel free to use the FWAB to vote any time before an election.

---

### Complete the following blocks of the FWAB's voter Declaration/Affirmation

**Block 1** Arizona allows you to use this form for registration only if you are eligible to register and vote in the State, and if you provide proof of citizenship as described in the instructions for Block 6 of the FPCA. If you need to include a photocopy, mail or fax it to the Arizona Secretary of State election office along with your FWAB.

**Do not send original documents.**

Photocopies will not be returned to you.

---

**Block 2** Select the category that describes you.

---

**Block 3** Name (Last, First, Middle).

---

---

**Block 4** Date of birth.

Your Arizona Driver's License number, Non-Operating Identification License number OR the last four digits of your Social Security number is required for voter registration. ---

**Block 5** Recommended but not required. Provide your contact information to allow your election official to follow up if more information is required.

---

**Block 6** If using this form to register, enter your political party affiliation or write undeclared or non-partisan. If you are a registered non-partisan or undeclared, you must indicate which party ballot you want to receive in the future.

---

---

**Block 8** Enter your current mailing address.

---

**Block 9** If you are using this form to register to vote in Arizona, or if you are registered and move to a different Arizona county, you must provide ONE of the following for proof of citizenship or your FWAB will be rejected:

## Vote your FWAB

To find out the races and candidates for which you can vote, go to [www.azsos.gov](http://www.azsos.gov). For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

---

## How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for regular State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Arizona allows you to submit the FWAB by mail, fax or via Arizona's online ballot upload system. If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the form directly to Arizona Secretary of State's office at:

1700 West Washington Street, 7th Floor  
Phoenix, AZ 85007

If you choose to fax your FWAB, it is recommended that you fax the form directly to the Arizona Secretary of State office at: 602-542-6172. Include ballot, voter affirmation, and cover sheet with secrecy waiver. You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703)693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

If you choose to submit your FWAB using Arizona's online ballot upload system, you must have received a User ID and password from your election official.

### Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all elections held until the voter fails to return an executed ballot in four consecutive statewide general elections. You may also register and request your absentee ballot online at [RegisterToVote.ca.gov](http://RegisterToVote.ca.gov).

---

### Complete the following blocks of the FPCA

---

**Block 1** Select the category that describes you.

---

**Block 2** Enter your political party preference. If you do not wish to provide a party preference, enter "no party preference."

In Presidential primary elections only, California law allows voters who have declined to provide a party preference to vote a party ballot at a primary election if the political party allows it. Find out which political parties allow this at [www.sos.ca.gov](http://www.sos.ca.gov). If you want to change your political party preference, submit a completed FPCA (by mail, fax or online at [RegisterToVote.ca.gov](http://RegisterToVote.ca.gov)) indicating your new party preference to the local elections official no later than 15 days before the election.

---

**Block 3** Name (Last, First, Middle).

---

**Block 4** Date of birth.

Your valid California Driver License number OR the last four digits of your Social Security number are required for voter registration. If you do not possess either of these identification numbers, California will assign a number that will serve to identify you for voting purposes only.

---

**Block 5** Recommended. Provide your contact information to allow your local elections official to follow up if more information is required.

---

---

**Block 6** California allows you to receive the blank ballot by mail, email or fax. Some counties also offer downloadable online blank ballots. Check the county listing at [www.sos.ca.gov/elections/elections\\_mov.htm](http://www.sos.ca.gov/elections/elections_mov.htm) to see what options your county offers. Please rank your preference of how you would like to receive your absentee ballot. If you choose to have your ballot emailed or faxed to you, provide your email address or fax number in Block 5. If you do not make a selection, your local elections official will mail your ballot to you.

---

**Block 7** Complete street address of your California voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

---

**Block 8** Complete address where you want your ballot sent, usually where you live now, even if you are requesting your ballot electronically.

---

**Block 9** Provide any information that may assist the local elections official in accepting this application.

---

**Affirmation** Sign and date. No witness or notary required.

---

---

### How and where to submit your FPCA

California allows you to submit the FPCA by mail or fax. You can also fill out an FPCA online at [RegisterToVote.ca.gov](http://RegisterToVote.ca.gov).

If you choose to mail your FPCA, mail the form directly to your local elections office. Addresses can be found at [http://www.sos.ca.gov/elections/elections\\_mov.htm](http://www.sos.ca.gov/elections/elections_mov.htm) or at the end of this section.

If you choose to fax your FPCA, it is recommended that you fax the form directly to your local elections official. Fax numbers can be found at [http://www.sos.ca.gov/elections/elections\\_mov.htm](http://www.sos.ca.gov/elections/elections_mov.htm) or at the end of this section.

You may also use the DoD Electronic Transmission

## California

---

Service (ETS) to fax your FPCA toll-free. To use ETS, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 696-2148, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

---

### Follow-up on your FPCA

To find out the status of your registration/absentee ballot request, contact your local elections office. Contact information can be found at [http://www.sos.ca.gov/elections/elections\\_mov.htm](http://www.sos.ca.gov/elections/elections_mov.htm) or at the end of this section. Your jurisdiction will contact you regarding the status of your application.

---

### Late registration

Military and overseas voters who have been released from military service and who return to their county of residence after the registration deadline may apply for registration at their local elections office. Military personnel must provide documentary proof that their release was after the registration deadline.

---

### Other ballot request methods

#### Ballot request if recalled to Service

If you are unable to appear at your polling place because of being recalled to service after the absentee ballot request deadline, but before 5 pm PT on the day before the election, you may request an absentee ballot at your local elections office.

---

### Voting by citizens who have never lived in the U.S.

A U.S. citizen who was born abroad, who is eligible to vote, and who has not previously registered to vote in any other State may register and vote in the California county where a parent or legal guardian would be eligible to register and vote.

---

### Voting your ballot

***Voted ballots must be received by the local elections office by 8 pm PT on Election Day. Postmarks do not count.***

No witness or notary is required on voted ballots. California law does not allow for return of voted ballots by email.

Military and overseas voters living outside the territorial limits of the U.S. may return the voted ballot and signed return envelope by mail or fax in accordance with the instructions sent with the ballot. You must include a signed return envelope which includes a voter's declaration. If you choose to fax your voted ballot, you must also include an Oath of Voter form waiving your right to secrecy. After you have faxed your voted ballot, signed return envelope, and signed oath, you are encouraged to also return your voted ballot and signed return envelope by mail or in-person.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

---

### Tracking your ballot

You may track the status of your ballot at [www.sos.ca.gov/elections/ballot-status](http://www.sos.ca.gov/elections/ballot-status).

---

### Haven't received your ballot? Use the Federal Write-In Absentee Ballot.

California allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration, ballot request and voting all elections for Federal, State and local offices and ballot measures.

---

### Complete the following blocks of the FWAB's Voter Declaration/Affirmation

**Block 1** California allows you to use this form for registration. It must be submitted no later than 15 days prior to the election.

**Block 2** Select the category that describes you.

**Block 3** Name (Last, First, Middle).

### Vote your FWAB

To find out the races and candidates for which you can vote, go to [voterguide.sos.ca.gov/](http://voterguide.sos.ca.gov/). For each office for which you vote, write in either a candidate's name or a political party designation.

---

### How and where to submit your FWAB

If using the FWAB simultaneously as a registration form, ballot request form and voted ballot, it must be received by the local elections office no later than 15 days before the election.

If you are already registered and are using the FWAB simultaneously as a ballot request form and voted ballot, it must be received by the local elections office no later than 7 days before the election.

If you are already registered and are using the FWAB as a voted ballot only, it must be received by the local elections office no later than 8 pm on Election Day. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

If you choose to mail your FWAB, insert your voted ballot into the sealed security envelope. Place the security envelope and the Voter's Declaration/Affirmation into a mailing envelope and mail the envelope directly to your local elections office. Addresses can be found at the end of this section.

If you are a Uniformed Service member, a dependent, or citizen outside the U.S. temporarily, you may choose to fax your FWAB; you must sign an oath waiving your right to cast the ballot secretly. You should fax back your voted ballot only if doing so is necessary for the ballot to be received no later than 8 pm on Election Day.

If you choose to fax your FWAB directly to your local elections official, fax numbers can be found at [http://www.sos.ca.gov/elections/elections\\_mov.htm](http://www.sos.ca.gov/elections/elections_mov.htm). Include your voted ballot, Voter Declaration/Affirmation, and cover sheet with the secrecy waiver. You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 696-2148, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all Federal elections held through the next general election, unless you request otherwise.

## Complete the following blocks of the FPCA

<b>Block 1</b>	Select the category that describes you.
<b>Block 2</b>	To vote in primary elections, you must enter your political party affiliation. If you are an unaffiliated voter and want to participate in a party primary, you must indicate which party ballot you want to receive. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than 29 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.
<b>Block 3</b>	Name (Last, First, Middle). Enter any former name under which you were registered in Colorado.
<b>Block 4</b>	Date of birth. Enter your valid Colorado Driver's License number OR Department of Revenue ID number. If you do not have either of these numbers, enter the last four digits of your Social Security number. If you do not possess any of these identification numbers, write "none" and the State will assign a number that will serve to identify you for voter registration purposes.

<b>Block 5</b>	Provide your contact information to allow your local election official to follow up if more information is required.
<b>Block 6</b>	Colorado allows you to receive your ballot by mail, email, fax or electronically via download from a secure website. Please rank your preference of how you would like to receive your absentee ballot. Provide your fax number or email address in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.
<b>Block 7</b>	Complete street address of your Colorado voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.
<b>Block 8</b>	Complete address where you want your ballot sent, usually where you live now.
<b>Block 9</b>	Provide any information that may assist the local election official in accepting this application.
<b>Affirmation</b>	Sign and date. No witness or notary required.

### Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all Federal elections.

---

### Complete the following blocks of the FPCA

---

**Block 1** Select the category that describes you.

---

**Block 2** To vote in primary elections, you must enter your political party affiliation. If you want to change your party affiliation submit a completed FPCA indicating your new party preference to the local election official. You will not have rights in a party for three months from the date of filing your change of political party. Political party affiliation is not required if only requesting absentee ballots for general elections.

---

**Block 3** Name (Last, First, Middle).

---

**Block 4** Your sex and race are not required.

Your date of birth is required.

Your valid Connecticut Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State will assign a number that will identify you for voter registration purposes.

---

**Block 5** Recommended but not required. Provide your contact information to allow your city or town elections official to follow up if more information is required.

---

**Block 6** Connecticut allows you to receive your ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your fax number or email address in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

---

---

**Block 7** Complete street address of your Connecticut voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the city or town where you claim legal voting residence.

---

**Block 8** Complete address where you want your ballot sent, usually where you live now.

---

**Block 9** In addition to mailing a regular ballot, Connecticut provides a State Special Blank Write-In Absentee Ballot up to 90 days before the election to Uniformed Service members and their eligible family members unable to vote in the regular absentee voting process due to military contingencies. This ballot allows you to vote for local, State and Federal offices. To request it, write in Block 6: *"Due to military contingencies, I am unable to follow the regular absentee ballot application process. I request a special write-in absentee ballot."*

Provide any information that may assist the city or town elections official in accepting this application.

---

**Affirmation** Sign and date. No witness or notary required.

### Other ballot request methods

If you are a Uniformed Service member, family member, or overseas citizen residing temporarily outside the U.S., anyone may ask your local election official to send you registration materials and/or a ballot on your behalf.

### Voting by citizens who have never lived in the U.S.

A U.S. citizen who was born abroad and who is eligible to vote and who has never lived in the U.S. may register to vote in the town or city in Connecticut where a parent or legal guardian would be eligible to register and vote.

### Voting your ballot

## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) to your local election office. This form allows you to register to vote and identifies you as a voter covered by UOCAVA (Federal law providing special protections). If you would like to become a permanent UOCAVA voter, write "I want to be a permanent absentee voter" in Block 9 of your FPCA. Permanent absentee voters do not have to send a new FPCA unless they change their name, address or email address.
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	Yes. You must be a registered member of a political party to vote in that party's primary election. You can vote in a general or special election regardless of your party affiliation.
How can I submit my FPCA?	You may submit your FPCA by mail, email or fax directly to your local election official. Addresses can be found at the end of this section.
How often must I submit my FPCA?	In the year of each general election, and whenever your name, address and/or contact information changes.
If I am currently registered to vote, how may I request an absentee ballot?	Fill out and return an FPCA to your local election office.
How can I return my voted ballot or Federal Write-In Ballot (FWAB)?	You may submit your voted ballot or FWAB by mail, email or fax.
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	If you have registered to vote and have not received your absentee ballot, you may use the FWAB to vote any time before an election. If you are using the FWAB to register it must be received by the registration deadline. The FWAB may be used to vote in Federal, State and local elections.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	Yes, for Federal offices in the Delaware county where a parent would be eligible to register and vote.

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all Federal elections held through the next regularly scheduled general election.

## Complete the following blocks of the FPCA

**Block 1** Select the category that describes you.

**Block 2** To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to your local election official. There are two periods during which you may not change your political party affiliation: from 59 days before a Presidential Primary through the day of the Presidential Primary, and from the last Saturday in May in the year of the general election through the day of the primary election. Political party affiliation is not required if you are only requesting an absentee ballot for a general election.

**Block 3** Name (Last, First, Middle).

**Block 4** Your sex and race are not required.  
Your date of birth is required.  
Your valid Delaware Driver's License number OR your complete Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

**Block 5** Recommended but not required. Provide your contact information to allow your county elections official to follow up if more information is required.

**Block 6** Delaware allows you to receive the blank ballot by mail, email or fax. Check how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

**Block 7** Complete street address of your Delaware voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

**Block 8** Complete address where you want your ballot sent, usually where you live now. If you want your ballot sent to another or forwarding address, put that address in Block 9.

**Block 9** In addition to mailing a regular ballot, Delaware provides a Special Write-In Absentee Ballot (SWAB) up to 90 days before the general election to any voter unable to vote in the regular absentee voting process due to the requirements of military service or other contingencies. This ballot allows you to vote for local, State and Federal offices. To request it, write in Block 9: *"I am unable to vote by regular absentee ballot or in person due to requirements of military service. I request a special write-in ballot."*

## Delaware

---

### Block 9 continued

If you want your ballot sent to another or forwarding address, put that address in this block.

If you want to become a permanent absentee voter so you do not have to send in an FPCA in every general election year, write *"I want to be a permanent absentee voter"* in this block.

Provide any information that may assist the county elections official in accepting this application.

---

**Affirmation** Sign and date. No witness or notary required.

Please mail your voting materials early enough to account for mail delivery times. Check the recommended mailing dates section in Chapter 1 for details.

\*The Federal Primary Runoff will only include races for Federal offices. Voters should look for specific instructions on how to participate in the Federal Primary Runoff from your local election office after submitting a Federal Post Card Application (FPCA).

## Important information

<b>How can I register to vote as a military or overseas voter?</b>	Fill out and return the Federal Post Card Application (FPCA) to your local election office. This form identifies you as a voter covered by UOCAVA (Federal law providing special protections) and can be used to register.
<b>What is my voting residence?</b>	The place you consider your true, fixed and permanent home.
<b>Do I need to claim a political party to vote in primary elections?</b>	Yes.
<b>How can I submit my FPCA?</b>	By mail, email (by attaching your signed and scanned FPCA as a document) or fax.
<b>How often must I submit my FPCA?</b>	The FPCA is good through the next regularly scheduled general election. You should also submit a new FPCA every time your address changes or every year.
<b>If I am currently registered to vote, how may I request an absentee ballot?</b>	Fill out and return an FPCA to your local election office.
<b>How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?</b>	By mail.
<b>What must I do to use a FWAB and can I use the FWAB to vote in State and local elections?</b>	You may use the FWAB without previously registering or requesting an absentee ballot. However, if you are not registered, your FWAB must be received by your local election office by the registration deadline. The FWAB may be used to vote in State and local races if there is a Federal office on the same ballot.

In addition to mailing a regular ballot, Georgia provides a State Special Write-In Absentee Ballot (SWAB) with the regular ballot for use in potential runoff primaries and runoff elections. The SWAB will automatically be included with any absentee ballot sent to military and overseas citizens for any general primary or general election. The SWAB can also be downloaded at [www.sos.ga.gov/elections/UOCAVA](http://www.sos.ga.gov/elections/UOCAVA).

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

**Block 1** Georgia allows you to use this form for registration.

**Block 2** Select the category that describes you.

**Block 3** Name (Last, First, Middle).

**Block 4** Date of birth.

## Vote your FWAB

For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

## How and where to submit your FWAB

When mailing your FWAB, insert the sealed security envelope containing your voted ballot and the signed Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB to your local election official. Addresses are found at the end of this section.

You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. ### Follow-up on your FPCA

To find out the status of your absentee ballot request, contact your local election office. Contact information can be found at the end of this section or at [www.elections.il.gov](http://www.elections.il.gov). Your jurisdiction will contact you regarding the status of your application.

---

### Late registration

Uniformed Service members discharged within 60 days of an election, and their families, who return to Illinois after the registration deadline may vote in-person in that election by affidavit.

---

### Other ballot request methods

#### Ballot request by proxy

If you are a member of the Uniformed Services, and

your spouse, dependent, mother, father, sister or brother is registered to vote in your election precinct, he or she may use a special application provided by the election official to request an absentee ballot on your behalf.

---

### Voting by citizens who have never lived in the U.S.

A U.S. citizen who was born abroad, who is eligible to vote and who has never lived in the U.S. may register and vote in the county where a parent would be eligible to register and vote. Use the most recent Illinois residential address of a parent.

---

### Voting your ballot

*Voted ballots must be received by the local election office by 7 pm on Election Day or by the 14th day after the election if postmarked the day before Election Day.*

No witness or notary is required on voted ballots.

You must return the voted ballot and signed affidavit by mail for your ballot to be counted.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

---

### Tracking your ballot

You may track the status of your ballot at <https://move.elections.il.gov/>.

---

### Haven't received your ballot? Use the Federal Write-In Absentee Ballot.

Illinois allows you to use the Federal Write-In Absentee Ballot (FWAB) when voting in primary, special, runoff, and general elections for Federal offices. If you have requested your absentee ballot, feel free to use the FWAB to vote any time before an election.

## Illinois

### Complete the following blocks of the FWAB's Voter Declaration/Affirmation

- Block 1** Illinois does not require voter registration. Do not check the registration block.
- Block 2** Select the category that describes you.
- Block 3** Name (Last, First, Middle).
- Block 4** Date of birth.
- Enter your valid Illinois Driver's License number, the last four digits of your Social Security number OR your State voter registration number.
- Block 5** Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.
- Block 6** Enter your political party preference if you are voting in primary elections.
- Block 7** Complete street address of your Illinois voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.
- Block 8** Enter your current mailing address.
- Block 9** Provide any information that may assist the local election official in accepting this ballot or application.
- Affirmation** Sign and date. No witness or notary required.

### Vote your FWAB

To find out the races and candidates for which you can vote, go to [www.elections.il.gov](http://www.elections.il.gov). For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

### How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official. Addresses can be found below.

## Important information

<b>How can I register to vote as a military or overseas voter?</b>	Fill out and return the Federal Post Card Application (FPCA) to your county election office. This form allows election officials to identify you as a voter covered by UOCAVA (Federal law providing special protections).
<b>What is my voting residence?</b>	The place you consider your true, fixed and permanent home.
<b>Do I need to claim a political party to vote in primary elections?</b>	Yes.
<b>How can I submit my FPCA?</b>	<p>You may mail, email or fax your FPCA directly to your local election official.</p> <p>When emailing your application, both a digital (e.g. a photograph) and scanned image of the application are acceptable.</p>
<b>How often must I submit my FPCA?</b>	In Indiana, the FPCA is good for all elections held from the date approved through the end of the calendar year. You should submit a new FPCA every time your address changes or every year.
<b>If I am currently registered to vote, how may I request an absentee ballot?</b>	By completing and sending an absentee application (Form ABS-15) or FPCA by mail, email or fax to your county election official. The ABS-15 application form can be found at <a href="http://www.indianavoters.com">www.indianavoters.com</a> . You can transmit your absentee ballot application by using an email with a digital image of the application (a cell phone photograph, for example), attached. A scanned image of the application is no longer required.

## Important information

---

**How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?**

By mail, email or fax.

When emailing your voted ballot or FWAB, either a digital image (such as a cell phone photograph) or a scanned image of your voted ballot and signed ballot cover sheet are acceptable.

---

**What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?**

To use a FWAB you must be registered to vote and have requested your absentee ballot. If you do not receive a ballot, you can submit a FWAB by mail, email or fax to the appropriate county election official. You may use the FWAB to vote in Federal, State and local elections.

---

**I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?**

No.

---

**Will I need a notary or witness for my FPCA or FWAB?**

No.

---

**Where can I find information about the candidates and/or other items that will be on my ballot?**

You can determine the candidates and text of public questions on the ballot in your home precinct on [www.indianavoters.com](http://www.indianavoters.com). Click on the link "Review Candidates on My Ballot." You can then enter information from your voter registration record, or about your precinct to generate your customized sample ballot.

---

---

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all regularly scheduled Federal elections conducted until December 31 following the date of the receipt of the application.

---

## Complete the following blocks of the FPCA

**Block 1** Select the category that describes you.

---

**Block 2** To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than 45 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for a general election or a public question only ballot held at the same time as a primary election.

---

**Block 3** Name (Last, First, Middle).

---

---

### Block 4

Sex or race are not required, but you must provide your date of birth.

Your valid Indiana Driver's License number is required. If you do not possess an Indiana Driver's License, provide the last four digits of your Social Security number. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

If you reside outside the U.S. but intend to return provide the address where you were domiciled before leaving Indiana as your address for voting purposes.

If you reside outside the U.S. and your plans to return are unknown, provide the address of your county voter registration office as your address for voting purposes. Addresses can be found at the end of this section.

**Block 8** Complete address where you want your ballot sent, usually where you receive your mail now.

**Block 9** Provide any additional information that may assist the county election official in accepting this application.

## How and where to submit your FPCA

Indiana allows you to submit the FPCA by mail, email or fax.

If you choose to mail your FPCA, mail the form directly to your county election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, digital image attached to the email. Email directly to your county election office. Email addresses can be found at the end of this section or at [www.in.gov/sos/elections](http://www.in.gov/sos/elections).

If you choose to fax your FPCA, fax the form directly to your county election official. Fax numbers can be found at the end of this section or at [www.in.gov/sos/elections](http://www.in.gov/sos/elections). You may use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free fax numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

## Follow-up on your FPCA

To find out the status of your registration/absentee ballot request, contact your county election office or refer to Indiana's voter registration website at <http://www.indianavoters.com>.

Your county will contact you regarding the status of your application.

## Late registration

Uniformed Service members and their eligible family members may register after the registration deadline if their registration is received not later than 10 days before the election. After 10 days before the election, members and their families may still register up until noon on Election Day if the voter was absent from Indiana before the registration deadline, returns to Indiana after the registration deadline, and shows the county election office a discharge or a government movement order dated on or after the beginning of the last registration period.

## Voting your ballot

*Voted ballots mailed from within the U.S. must be received by the county election official before the close of polls on Election Day.*

*Voted ballots mailed from outside the U.S. must be postmarked no later than Election Day and received by the county election official no later than noon 10 days after the election.*

No witness or notary is required on voted ballots.

Voted ballots may be returned by mail, email or fax. If you received your ballot by mail, return it by mail, if

## Indiana

---

possible. If doing so is not possible, you may return it by email or fax by following the instructions mailed with your ballot.

To email your voted ballot, you may return it directly to your county election office or you may send it as an attachment to the DoD Electronic Transmission Service at: [ets@fvap.gov](mailto:ets@fvap.gov) with instructions to forward the email to your county election office.

To fax your voted ballot use FPCA fax instructions under "How and Where to Submit Your FPCA."

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

---

### Tracking your ballot

You may track the status of your ballot at <https://indianavoters.com> and click link for "Track my Absentee Ballot."

To find the races and candidates for which you can vote, go to [www.indianavoters.com](http://www.indianavoters.com). For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot (and not the Voter's Declaration/Affirmation) in the security envelope and do not write on the security envelope.

---

### How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also

vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Indiana allows you to submit the FWAB by mail, email or fax.

If you choose to mail your FWAB, the deadlines for mailing the FWAB are the same as for State absentee ballots. Insert the sealed security envelope and the signed Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your county election office. If you choose to email your FWAB, you should send the ballot as a signed, digital image attached to the email. Include ballot and signed voter affirmation. Email directly to your county election office. Email addresses can be found below or at [www.indianavoters.com](http://www.indianavoters.com) and click on "Contact My County Election Office."

If you choose to fax your FWAB, it is recommended that you fax the ballot directly to your county election official. You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. ## Important information

<b>How can I register to vote as a military or overseas voter?</b>	Fill out and return the Federal Post Card Application (FPCA) to your local election official. This form allows election officials to identify you as a voter covered by UOCAVA (Federal law providing special protections).
<b>What is my voting residence?</b>	The place you consider your true, fixed and permanent home in Iowa. If your last residence was in Iowa before moving overseas, your voting residence is your previous address in Iowa.
<b>Do I need to claim a political party to vote in primary elections?</b>	Yes.
<b>How can I submit my FPCA?</b>	By mail, email or fax.
<b>How often must I submit my FPCA?</b>	The FPCA is good for all Federal elections held during the calendar year in which you submit the FPCA. You may request ballots for additional elections during the year as well (i.e. school and city elections).
<b>If I am currently registered to vote, how may I request an absentee ballot?</b>	Fill out and return an FPCA to your local election official to ensure you receive absentee ballots for all Federal elections held during the calendar year in which you submit it.
<b>How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?</b>	By mail, unless you are an active member of the Uniformed Services or Iowa National Guard located outside the U.S. or any of its territories, or in an area designated as an imminent danger pay area by the U.S. Department of Defense.

---

## Important information

---

<b>What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?</b>	You may vote a FWAB if you requested a regular absentee ballot more than 14 days prior to Election Day but have not received it. You must be located outside the U.S. or on active duty outside your Iowa county of residence to vote a FWAB. You may use the FWAB to vote in State and local elections only during elections where Federal offices are also on the ballot.
<b>I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?</b>	Yes, if your parents were eligible electors of Iowa just before leaving the United States.
<b>Will I need a notary or witness for my FPCA or FWAB?</b>	No.
<b>Where can I find information about the candidates and/or other items that will be on my ballot?</b>	A candidate list for Federal and State candidates will be available on the Iowa Secretary of State's website at <a href="http://sos.iowa.gov">http://sos.iowa.gov</a> . Information for local candidates and ballot issues can be found by contacting your local county auditor.

## Registering and requesting your absentee ballot

A Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted.

Iowa does not have registration deadlines for Uniformed Service members, their families and overseas citizens. You must still register and request an absentee ballot using the form and submit it in time for the ballot to be sent to you, voted, and returned by the ballot return deadline.

---

## Complete the following blocks of the FPCA

- |                |  |
|----------------|--|
| <b>Block 1</b> | Select the category that describes you.  |
| <b>Block 2</b> | To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official. Political party affiliation is not required if only requesting absentee ballots for general elections. |
| <b>Block 3</b> | Name (Last, First, Middle).  |
- 

- |                |   |
|----------------|---|
| <b>Block 4</b> | Provide sex and date of birth. Your valid Iowa Driver's License number OR the last four digits of your Social Security number is recommended for voter registration. If you do not possess either of these identification numbers you must write "none" in the space provided. The State shall assign a number that will serve to identify you for voter registration purposes. |
| <b>Block 5</b> | Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.  |
| <b>Block 6</b> | Iowa allows you to receive your blank ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.   |
-

**Block 7** Complete street address of your Iowa voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county in Iowa where you claim legal voting residence.

**Block 8** Complete address where you want your ballot sent, usually where you receive your mail now.

**Block 9** If you wish to receive ballots for local elections as well as Federal elections please indicate that here.

In addition to mailing a regular ballot, any overseas voter unable to vote in the regular absentee voting process for the general election may request a State Write-In Absentee Ballot no earlier than 90 days before the date of the election.

This ballot allows you to vote for Federal, State and local offices in a general election. To request it, write in: *"To the best of my belief I will be outside the continental United States and unable to vote and return a regular absentee ballot by normal mail delivery within the period provided for regular absentee ballots. I request a special write-in absentee ballot."*

Provide any additional information that may assist the local election official in accepting this application.

**Affirmation** Sign and date. No witness or notary required.

---

## How and where to submit your FPCA

Iowa allows you to submit the FPCA by mail, email or fax.

---

## Follow-up on your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Iowa's voter registration verification website at <https://sos.iowa.gov/elections/votereg/regtovote/search.aspx>.

To find out the status of your ballot, refer to Iowa's voter ballot tracking website at <https://sos.iowa.gov/elections/absenteeballotstatus/search.aspx>.

Your jurisdiction will contact you if your application is denied.

---

## Other ballot request methods

### Ballot request by proxy

Within 70 days of a general election, your spouse, parent, parent-in-law, adult brother, adult sister or adult child who resides in your Iowa county of voting residence, may request an absentee ballot on your behalf from the local election office. These proxy requests must be on the official form, available from local election offices and the Iowa Secretary of State.

---

## Late registration

Uniformed Service members who have been discharged within 30 days of an election, and their families, may register and vote in that election by providing the local election office with their discharge papers.

---

## Voting by citizens who have never lived in the U.S.

If a U.S. citizen outside the U.S. has never lived in the U.S. and either parent is a qualified Iowa voter, then that person is eligible to register and vote where his or her parent is a qualified voter.

---

## Voting your ballot

*For primary and general elections, voted ballots must be postmarked no later than the day before the election and received by the local election office no later than noon on the Monday after the election. For other elections, the receipt deadline is listed in the voting instructions provided with the ballot.*

No witness or notary is required on voted ballots.

The mandatory voter's affidavit on the ballot return envelope acts as a registration form. You will be registered to vote when you return the voted ballot, if you are not already registered.

Iowa allows voters who are active members of the Army, Navy, Marine Corps, Merchant Marine, Coast Guard, Air Force, or Iowa National Guard and who are located outside the U.S. or any of its territories as well as voters located in areas designated as "imminent danger pay areas" by the U.S. Department of Defense to return the voted ballot by email or fax. All other Uniformed Service members, family members, and overseas citizens must return the voted ballot by mail.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

---

## Tracking your ballot

You may track the status of your ballot at <https://sos.iowa.gov/elections/AbsenteeBallotStatus/search.aspx>.

Feel free to use the FWAB to vote any time before an election if you have requested a regular ballot but have not received it.

## Vote your FWAB

Vote for any Federal, State or local office in any Federal general, special, or primary election. To find out the races and candidates for which you can vote, go to [www.sos.iowa.gov](http://www.sos.iowa.gov). For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

## How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Iowa allows voters who are active members of the Army, Navy, Marine Corps, Merchant Marine, Coast Guard, Air Force, or Iowa National Guard and who are located outside the U.S. or any of its territories as well as voters located in areas designated as "imminent danger pay areas" by the U.S. Department of Defense to return the voted ballot by email or fax. All other Uniformed Service members, family members, and overseas citizens must return the FWAB by mail.

If you are required to or choose to mail your FWAB, insert the ballot into the security envelope and seal the security envelope; place the sealed security envelope and the signed Voter's Declaration/Affirmation into the mailing envelope and mail the FWAB directly to your local election office. Addresses can be found below or on line at <http://sos.iowa.gov/elections/auditors/auditorslist.html>.

If you choose to email your FWAB, you should send the ballot as a signed, scanned attachment. Include ballot, signed voter affirmation, and cover sheet with secrecy waiver. Email directly to [uocava@sos.iowa.gov](mailto:uocava@sos.iowa.gov) or to your local election official.

If you choose to fax your FWAB, it is recommended that you fax the ballot directly to your local election official. Fax numbers can be found at the end of this section or at [www.sos.iowa.gov](http://www.sos.iowa.gov). Include ballot, signed voter affirmation, and cover sheet with secrecy waiver. You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover

sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all elections after the date the application is received up to and including the next general election.

For the 2014 General Election, the FPCA registers you to vote and requests absentee ballots for all elections after the date the application through the next regular election or December 31 of the year of the application, whichever is later, or for another shorter period the voter specifies.

---

## Complete the following blocks of the FPCA

**Block 1** Select the category that describes you.

**Block 2** You must register as Democrat or Republican to vote in party primaries. If you register as "other," you can only vote in nonpartisan primaries.

If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official. Political party affiliation is not required if only requesting absentee ballots for general elections.

**Block 3** Name (Last, Suffix, First, Middle) include any previous registered names.

---

**Block 4** Provide sex, race, date of birth.

State Driver's License or I.D. or Social Security number. If you do not possess a Social Security number, the State shall assign a number that will serve to identify you for voter registration purposes.

**Block 5** Recommended (required if submitting the FPCA by email or fax). Provide your contact information to allow your local election official to follow up if more information is required.

**Block 6** Kentucky allows you to receive the blank ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

**Block 7** Complete street address of your Kentucky voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

**Block 8** Complete address where you want your ballot sent, usually where you live now.

**Block 9** Provide any additional information that may assist the local election official in accepting this application.

**Affirmation** Sign and date. No witness or notary required.

## How and where to submit your FPCA

Kentucky allows you to submit the FPCA by mail, email or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section or online at <http://elect.ky.gov/contactcountyclerks/Pages/default.aspx>.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found at the end of this section or online at <http://elect.ky.gov/contactcountyclerks/Pages/default.aspx>.

If you choose to fax your FPCA, it is recommended that you fax the form directly to your local election official. Fax numbers can be found at the end of this section or at <http://elect.ky.gov/contactcountyclerks/Pages/default.aspx>.

You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. International toll-free fax numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

## Follow-up on your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office, refer to Kentucky's voter registration verification website at <http://elect.ky.gov/voterinfo/Pages/militaryandoverseascitizens.aspx>

Your jurisdiction will contact you if your application is denied.

## Voting your ballot

*Voted ballots must be received by the local election office by close of polls on Election Day*

No witness or notary is required on voted ballots.

Voted ballots must be returned by mail.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

## Tracking your ballot

You may track the status of your ballot at <https://cdcbps.ky.gov/ABD2Web/>.

## Haven't received your ballot? Use the Federal Write-In Absentee Ballot.

Prior to July 1, 2014, the Federal Write-In Absentee Ballot (FWAB) may be used for voting in any Federal election.

After July 1, 2014, the FWAB may be used for registration and voting in Federal, State, and local elections. If using the FWAB for registration, it must be submitted by the voter registration deadline. If you have requested your ballot, feel free to submit the FWAB at anytime before an election.

## Complete the following blocks of the FWAB's Voter Declaration/Affirmation

<b>Affirmation</b>	Sign and date. No witness or notary required.

### Vote your FWAB

Vote for any Federal office in any Federal election. To find out the races and candidates for which you can vote, go to [www.elect.ky.gov](http://www.elect.ky.gov). For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

### How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

The FWAB must be submitted by mail.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) to your local election office. This form allows you to register to vote and identifies you as a voter covered by UOCAVA (Federal law providing special protections). You may register to vote or change your registration online at <a href="http://www.sos.la.gov/ElectionsAndVoting/Pages/OnlineVoterRegistration.aspx">http://www.sos.la.gov/ElectionsAndVoting/Pages/OnlineVoterRegistration.aspx</a> .
What is my voting residence?	Louisiana requires actual bona fide residency of the State, parish, municipality and precinct in which you offer to register as a voter. A citizen of the U.S. residing outside the United States who was domiciled in Louisiana immediately prior to his/her departure may claim residency for absentee voter registration as long as he/she does not maintain a domicile, and is not registered to vote, in another State.
Do I need to claim a political party to vote in primary elections?	No. During the 2014 Election Cycle you will not need to indicate a political party. However, Louisiana requires political affiliation for the Presidential Preference Primary.
How can I submit my FPCA?	You may submit an FPCA by mail, email, fax or online by logging in to the Louisiana Voter Portal at <a href="https://voterportal.sos.la.gov/">https://voterportal.sos.la.gov/</a> .
How often must I submit my FPCA?	The FPCA is good for two regularly scheduled general elections in Louisiana. You should submit a new one every time your address changes or every four years.
If I am currently registered to vote, how may I request an absentee ballot?	Registered voters may submit a request for an absentee ballot by mail, fax or via electronic download by logging in to the Louisiana Voter Portal at <a href="https://voterportal.sos.la.gov/">https://voterportal.sos.la.gov/</a> . You may also fill out and return an FPCA to your local election office.
How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?	Your voted ballot and FWAB must be returned by mail, unless a voter feels he or she will not have time to vote in a timely manner. Please contact your local registrar for additional fax or emergency options.

## Louisiana

directly to your local election office. Addresses can be found at the end of this section or online at [www.geauxvote.com](http://www.geauxvote.com).

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found at the end of this section or online at [www.geauxvote.com](http://www.geauxvote.com).

If you choose to fax your FPCA, it is recommended that you fax the form directly to your local election official. Fax numbers can be found at the end of this section or online at [www.geauxvote.com](http://www.geauxvote.com). You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free fax numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

### Follow-up on your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Louisiana's voter registration verification website at [www.geauxvote.com](http://www.geauxvote.com).

Your jurisdiction will contact you if your registration is denied.

### Voting your ballot

***When you receive your primary election ballot by mail, you will also receive the Louisiana State Green Ballot. Filling out and submitting the Louisiana Green Ballot by numbering the candidates according to your preferences ensures you have voted in the General Election.***

***Voted ballots must be received by the local election office by the close of polls on Election Day.***

The oath on the ballot return envelope must be signed. No witness or notary is required.

You must return the voted ballot by mail, unless you feel you will not have time to vote in a timely manner. Please contact your local registrar for additional fax or emergency options, otherwise use FPCA mail

instructions under "How and Where to Submit Your FPCA."

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

### Tracking your ballot

You may track the status of your ballot at <http://www.sos.la.gov/tabid/618/Default.aspx>.

### Haven't received your ballot? Use the Federal Write-In Absentee Ballot.

Louisiana allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in any election for Federal office. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote any time before an election.

### Complete the following blocks of the FWAB's Voter Declaration/Affirmation

### Vote your FWAB

Vote for any Federal office in any Federal election. To find out the races and candidates for which you can vote, go to <http://www.sos.la.gov/ElectionsAndVoting/Pages/default.aspx>.

For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

### How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

You must submit the FWAB by mail, unless you feel you will not have time to vote in a timely manner. Please contact your local registrar for additional fax or emergency options.

When mailing your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. Addresses can be found at the end of this section or online at [www.geauxvote.com](http://www.geauxvote.com).

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for 18 months from the date of the receipt of the application.

---

## Complete the following blocks of the FPCA

- 
- Block 1** Select the category that describes you.
- 
- Block 2** To vote in primary elections, you must enter your political party affiliation. If you are currently registered and want to change your political party affiliation and have been enrolled in the political party for at least three months, the FPCA must be received by your State elections official no later than 15 days before the election. If you are currently registered and have previously declined to indicate a political party and you now want to vote in a primary election, you must submit the FPCA to the State elections official before a primary ballot will be issued. Political party affiliation is not required if only requesting absentee ballots for general elections.
- 
- Block 3** Name (Last, First, Middle).
- 
- Block 4** Your sex and race are not required. Your date of birth is required. Enter your valid Maine Driver's License number. If you do not have a Maine Driver's License, enter the last four digits of your Social Security number. If you do not make a selection, then the State elections official will mail your ballot to you.

---

---

**Block 8** Complete address where you want your ballot sent, usually where you live now.

---

**Block 9** Provide the name of the municipality and State where you were registered to vote before you registered at your current Maine voting residence. This address must be different from the one in Block 7. If you have not registered to vote before, write "none."

### Follow-up on your FPCA

If you are a UOCAVA voter and you have requested an absentee ballot but not yet received it, please contact the Division of Elections toll-free within the United States at 1-888 - VOTESME (1-888-868-3763) or [UOCAVA.CEC@maine.gov](mailto:UOCAVA.CEC@maine.gov). The Maine Division of Elections will contact you if your registration is denied.

### Other ballot request methods

A family member (spouse or domestic partner, parent, sibling, child, stepparent, stepchild, stepsister, stepbrother, in-law, grandparent, grandchild, step-grandparent, step-grandchild, guardian or former guardian) may make a written request for an absentee ballot on your behalf. The request must be signed by the family member and indicate the family relationship. The request may be made to the State elections official either in-person, by mail or fax. The State elections official may mail the ballot directly to you or issue the ballot to the family member who must deliver the ballot to you.

You may designate a third person (other than an immediate family member) to receive the ballot on your behalf by submitting a signed application or written request by mail or fax to the election office. The elections official must issue the ballot to the designee who must then deliver the ballot to you. You must have the ballot return envelope signed by a notary public, a clerk of courts or two other individuals (one of whom may be the ballot carrier).

Maine allows registered voters to request an absentee ballot by telephone. Only the voter may request a ballot by telephone. You may request your ballot by contacting the Maine Division of Elections at (207)-624-7650 or toll-free within the United States at 1-888-VOTESME (1-888-868-3763).

If you are already registered, you may request your ballot online. Please go to <http://www.maine.gov/cgi-bin/online/AbsenteeBallot/index.pl> (the Maine Division of Elections online absentee ballot request website).

---

### Voting your ballot

***Voted ballots must be received by Maine Division of Elections by 8 pm ET on Election Day.***

You must seal your voted ballot in its return envelope and sign a certification as to its authenticity on the envelope or complete the affidavit you print when you download your ballot (if delivered electronically).

If you opt to receive your ballot electronically rather than by mail, you will download instructions on how to return your ballot either by mail or as a scanned attachment to an email.

<b>Block 6</b>	To vote in primary elections, you must enter your political party affiliation.
<b>Block 7</b>	Complete street address of your Massachusetts voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the city or town where you claim legal voting residence.

<b>Block 9</b>	Provide any information that may assist the local election official in accepting this ballot or application.
<b>Affirmation</b>	Sign and date. No witness or notary required.

### Vote your FWAB

Massachusetts allows you to use the FWAB for voting in all elections. To find out the races and candidates for which you can vote for State primaries and State elections, go to [www.sec.state.ma.us/ele](http://www.sec.state.ma.us/ele). To find out races and candidates for municipal elections, visit the city or town website. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

### How and where to submit your FWAB

The deadline for submitting the FWAB by mail is the same as for State absentee ballots. However, if you are submitting your FWAB via email or fax, it must be received by the local election official by the close of polls on Election Day.

If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Massachusetts allows you to submit the FWAB by mail, email or fax.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

If you choose to email your FWAB, you should send it as a signed, scanned attachment. Include ballot, voter affirmation, and cover sheet with secrecy waiver. Email directly to your local election office. Email addresses can be found at [www.sec.state.ma.us/ele/eleclk/clkidx.htm](http://www.sec.state.ma.us/ele/eleclk/clkidx.htm).

If you choose to fax your FWAB, fax it directly to your local election official. Fax numbers for election officials can be found at [www.sec.state.ma.us/ele/eleclk/clkidx.htm](http://www.sec.state.ma.us/ele/eleclk/clkidx.htm). Include ballot, voter affirmation, and cover sheet with secrecy waiver. You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) to your local election office. This form allows election officials to identify you as a voter covered by <i>UOCAVA</i> (Federal law providing special protections).
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	No.
How can I submit my FPCA?	By mail, email or fax.
How often must I submit my FPCA?	The FPCA is good for one calendar year. You should submit a new one every time your address changes or every year.
If I am currently registered to vote, how may I request an absentee ballot?	Fill out and return an FPCA to your local election office. A written request or use of the Michigan absent voter application is also acceptable.
How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?	By mail.
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	To use the FWAB you must be registered and have previously requested your absentee ballot. The FWAB may be used to vote in Federal, State and local elections.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	An eligible family member of an overseas voter who is a citizen of the U.S., is accompanying that overseas voter, and is not a qualified and registered elector anywhere else in another State or territory, may apply for an absent voter ballot even though the spouse or dependent is not a qualified elector of a city or township of Michigan.
Will I need a notary or witness for my FPCA or FWAB?	No.
Where can I find information about the candidates and/or other items that will be on my ballot? ## Voting by citizens who have never lived in the U.S.

Michigan allows a U.S. overseas citizen who is 18 years old, not registered to vote anywhere else in the U.S. and who is an eligible family member of a Michigan resident to register and vote in Michigan elections even though they have never established Michigan residency.

## Voting your ballot

*Voted ballots must be received by the local election office by the close of polls (8 pm) on Election Day.*

No witness or notary is required on voted ballots.

Voted ballots (including the Federal Write-In Absentee Ballot) must be returned by mail.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

## Tracking your ballot

You may track the status of your ballot at: [www.michigan.gov/vote](http://www.michigan.gov/vote).

## Haven't received your ballot? Use the Federal Write-In Absentee Ballot.

Michigan allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in Federal general, special, and primary elections for Federal, State, and local offices. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote any time before an election.

## Complete the following blocks of the FWAB's Voter Declaration/Affirmation

- Block 1** Michigan does not allow you to use this form for registration. Do not check the registration box.
- Block 2** Select the category that describes you.
- Block 3** Name (Last, First, Middle).
- Block 4** Date of birth.
- Block 5** Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.
- Block 6** Not required.
- Block 7** Complete street address of your Michigan voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the city or township where you claim legal voting residence.
- Block 8** Enter your current mailing address.
- Block 9** Provide any information that may assist the local election official in accepting this ballot or application.
- Affirmation** Sign and date. No witness or notary required.

## Vote your FWAB

To find out the races and candidates for which you can vote, go to [www.michigan.gov/vote](http://www.michigan.gov/vote). For each office for which you vote, write in either a candidate's name or a political party designation. For a State or local non-partisan office, write in the candidate's name and office. To cast a vote for a State or local proposal, identify the proposal and indicate a "Yes" or "No" vote. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

# Michigan

## How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

## How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all elections for Federal office. The FPCA serves as a request for an absentee ballot for the next Federal general election including all primary elections associated with the election.

## Complete the following blocks of the FPCA

**Block 1** Select the category that describes you.

**Block 2** To vote in primary elections, you must enter your political party affiliation. Political party affiliation is not required if only requesting absentee ballots for general elections.

**Block 3** Name (Last, First, Middle).

**Block 4** Date of birth.

Your valid Mississippi Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

**Block 5** Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

---

**Block 6** Mississippi allows you to receive your ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your fax number or email address in Block 5. If you do not make a selection, then your local election official will mail your ballot to you. More transmission options may be available. Check [FVAP.gov](http://FVAP.gov) for updates.

**Block 7** Complete street address of your Mississippi voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

**Block 8** Complete address where you want your ballot sent, usually where you live now.

**Block 9** Provide any information that may assist the local election official in accepting this application.

**Affirmation** Sign and date. No witness or notary required.

---

Mississippi allows you to submit the FPCA by mail, email or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your circuit clerk. Their addresses can be found at the end of this section and at [http://sos.ms.gov/links/elections/voter\\_information\\_center/tab1/uocava\\_web.pdf](http://sos.ms.gov/links/elections/voter_information_center/tab1/uocava_web.pdf).

# Mississippi

---

---

## Other ballot request methods

### Ballot request by proxy

A parent, spouse or dependent may request that the local election office send a State registration affidavit and/or ballot application to you. Your oral authorization (by telephone) or written authorization may be required.

---

## Voting your ballot

***Voted ballots must be received by the local election office on later than 5 pm the day before the election (or 7 pm on Election Day for active duty overseas Uniformed Service members).***

No witness or notary is required on voted ballots.

You may return your voted ballot by mail, email or fax directly to your circuit clerk. Use email and fax instructions under "How and Where to Submit Your FPCA."

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal

Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

---

## Tracking your ballot

Contact your Circuit Clerk. Contact information for each Circuit Clerk can be found at the end of this section.

---

Mississippi allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in primary, special, runoff and general elections for Federal, State and local offices, and non-candidate ballot issues. If using the FWAB for registration, it must be submitted by the voter registration deadline. Feel free to use the FWAB to vote any time before an election.

## Vote your FWAB

To find out the races and candidates for which you can vote, go to <http://www.sos.ms.gov/elections.aspx>. For each office for which you vote, write in a candidate's name or political party. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

## How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Mississippi allows you to submit the FWAB by mail, email or fax directly to your circuit clerk. If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the FWAB directly to your local election office. Addresses can be found below.

If you choose to email your FWAB, you should send the ballot as a signed, scanned attachment. Include ballot, voter affirmation and cover sheet with signed secrecy waiver. Email directly to Circuit Clerk (contact information at the end of this section or at [http://sos.ms.gov/links/elections/voter\\_information\\_center/tab1/uocava\\_web.pdf](http://sos.ms.gov/links/elections/voter_information_center/tab1/uocava_web.pdf)) or [UOCAVA@sos.ms.gov](mailto:UOCAVA@sos.ms.gov).

If you choose to fax your FWAB, fax it directly to your local election official. Fax numbers can be found at

the end of this section or at [http://sos.ms.gov/links/elections/voter\\_information\\_center/tab1/uocava\\_web.pdf](http://sos.ms.gov/links/elections/voter_information_center/tab1/uocava_web.pdf).

Include ballot, voter affirmation, and cover sheet with signed secrecy waiver. You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

## Important information

<b>How can I register to vote as a military or overseas voter?</b>	Fill out the Federal Post Card Application (FPCA) and return it to your local election office. This form allows election officials to identify you as a voter covered by UOCAVA (Federal law providing special protections).  Beginning July 1, 2014, UOCAVA voters in Missouri can also use the Federal Write-In Absentee Ballot (FWAB) to register to vote, if received by a local election office by the FWAB registration deadline.
<b>What is my voting residence?</b>	The place you consider your true, fixed and permanent home.
<b>Do I need to claim a political party to vote in primary elections?</b>	Yes.
<b>How can I submit my FPCA?</b>	If you are already registered to vote and are requesting an absentee ballot, submit your FPCA by mail, email or fax. If you are using the FPCA to register to vote and request a ballot your FPCA must be submitted by mail only.
<b>How often must I submit my FPCA?</b>	The FPCA is good for one Federal election cycle. You should submit a new FPCA every time your address changes or every year.
<b>If I am currently registered to vote, how may I request an absentee ballot?</b>	Submit your FPCA by mail, email or fax. Your spouse, parent, mother-in-law, father-in-law, grandparent, sibling, child, daughter-in-law, son-in-law or grandchild can apply in person on your behalf. The request must provide your name, address where you are registered, reason for voting absentee, the address where the ballot should be mailed and your email address if you request electronic transmission of your ballot.

## Registering and requesting your absentee ballot

Registration is not required if you are an active duty Uniformed Service member, or their eligible family member if you are voting in elections for Federal offices only. However, it is recommended you still complete the Federal Post Card Application (FPCA) to request an absentee ballot. In the event you cannot or choose not to submit an FPCA, you may submit the Federal Write-in Ballot (FWAB) to your local election official by the ballot return deadline. The FPCA requests absentee ballots for both the primary and subsequent general election.

You may also submit the FPCA by the listed registration deadline to register permanently in Missouri and vote a full ballot including State and local offices. If you do not register permanently, you will not be qualified to vote in person at the polls upon your return to Missouri.

If you are not an active duty Uniformed Service member, or an eligible family member, you must register to vote by the stated registration deadline to vote in Federal or State elections.

---

## Complete the following blocks of the FPCA

<b>Block 1</b>	Select the category that describes you.
<b>Block 2</b>	To vote in primary elections, you must enter your political party affiliation. If you do not enter a preference, the local election official is authorized to provide that part of the ballot for which political party designation is not required. Political party preference is not required if only requesting absentee ballots for general elections.
<b>Block 3</b>	Name (Last, First, Middle).
<b>Block 4</b>	Date of birth. Your valid Missouri Driver's License number AND the last four digits of your Social Security number are required for voter registration. If you do not possess either of these identification numbers please write "none" on the form, and the State will assign you a unique identifying number.

---

**Block 5** Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Beginning July 1, 2014, a UOCAVA voter's absentee ballot request that contains the voter's email address will be considered a standing request through December 31 of the year following the calendar year of the date of the application.

**Block 6** Local election officials transmit blank ballots by mail, email or fax to UOCAVA voters. Please rank your preference of how you would like to receive your absentee ballot. More transmission options may be available. Check FVAP.gov for updates.

**Block 7** Complete street address of your Missouri voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

**Block 8** Complete address where you want your ballot sent, usually where you live now.

**Block 9** If you do not wish to receive ballots for all Federal elections through the next Federal election cycle, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for federal office by noting your choice here.

Provide any information that may assist the local election official in accepting this application.

**Affirmation** Sign and date. No witness or notary required.

## How and where to submit your FPCA

Beginning July 1, 2014, Missouri will allow you to submit the FPCA by mail, email or fax if you are using the FPCA as a ballot request or registration.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section and online at <http://www.sos.mo.gov/elections/countyclerks.asp>.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email the FPCA directly to your local election office. Email addresses can be found at the end of this section.

If you choose to fax your FPCA, please fax the form directly to your local election official. Fax numbers can be found at the end of this section or at <http://www.sos.mo.gov/elections/countyclerks.asp>. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

email or fax if you are in a special hostile fire area declaration is made by the Secretary of State before the election or, beginning July 1, 2014, if you are submitting a Federal Write-In Absentee Ballot (FWAB) used as a voter registration.

Please refer to <http://www.sos.mo.gov> to see if a declaration has been made. Use FPCA email and fax instructions under "How and Where to Submit Your FPCA." All other voted ballots must be returned by mail.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

---

### Tracking your ballot

You may track the status of your ballot at <http://www.sos.mo.gov/elections/military/default.asp#trackBallot>.

---

### Haven't received your ballot? Use the Federal Write-In Absentee Ballot.

Missouri allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in any general, special, Presidential preference or primary election for Federal, statewide, or State Legislative office or State Ballot Measure, or in any other election allowing absentee voting.

If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote any time before an election.

---

### Complete the following blocks of the FWAB's Voter Declaration/Affirmation

- |                |   |
|----------------|---|
| <b>Block 1</b> | Beginning July 1, 2014, Missouri allows you to register to vote by checking this box. |
| <b>Block 2</b> | Select the category that describes you.   |
| <b>Block 3</b> | Name (Last, First, Middle).   |

---

**Block 4** Date of birth.

Enter your valid Missouri Driver's License number or the last four digits of your Social Security number.

---

**Block 5** Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required. Beginning July 1, 2014, a UOCAVA voter's absentee ballot request that contains the voter's email address will be considered a standing request through December 31 of the year following the calendar year of the date of the application.

---

**Block 6** To vote in primary elections, you must enter your political party affiliation. If you do not enter a preference, the local election official is authorized to provide that part of the ballot for which political party designation is not required. Political party preference is not required if only requesting absentee ballots for general elections.

---

**Block 7** Complete street address of your Missouri voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

---

**Block 8** Enter your current mailing address.

---

**Block 9** Provide any information that may assist the local election official in accepting this ballot or application.

---

**Affirmation** Sign and date. No witness or notary required.

---

---

### Vote your FWAB

To find out the races and candidates for which you can vote, go to <http://www.sos.mo.gov/elections>. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

## How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for State absentee ballots for UOCAVA voters. If you receive the State ballot after submitting the voted FWAB, you must also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Beginning July 1, 2014, Missouri will allow you to return the FWAB by email or fax if you are using it as a voter registration or for those individuals in specific areas if a special hostile fire area declaration is made by the Secretary of State before the election. Please refer to [www.sos.mo.gov](http://www.sos.mo.gov) to see if a declaration has been made.

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. Addresses can be found below.

If you choose to email your FWAB, you should send the ballot as a signed, scanned attachment. Include ballot, voter affirmation, and cover sheet with signed secrecy waiver. Email directly to your local election office. Email addresses can be found at the end of this section.

If you choose to fax your FWAB, please fax the ballot directly to your local election official. Fax numbers can be found at the end of this section or at <http://www.sos.mo.gov/elections/countyclerks.asp>. Include ballot, voter affirmation, and cover sheet with signed secrecy waiver. You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

## Important information

<b>How can I register to vote as a military or overseas voter?</b>	For the Federal primary and general elections you may use the Secretary of State's Electronic Absentee System (EAS) to access, save and return a Federal Post Card Application (FPCA) via email.  You may also fill out and return an FPCA to your local election office. This form allows you to register to vote and identifies you as a voter covered by UOCAVA (Federal law providing special protections).
<b>What is my voting residence?</b>	The last place of residence in Montana where you are otherwise qualified to vote.
<b>Do I need to claim a political party to vote in primary elections?</b>	No, but you will need to select and vote only one party's primary ballot.
<b>How can I submit my FPCA?</b>	Montana allows you to submit the FPCA by mail, email or fax.
<b>How often must I submit my FPCA?</b>	The FPCA registers you to vote and requests absentee ballots for all regularly scheduled Federal, State and local elections in the calendar year in which it is submitted and through the next calendar year.
<b>If I am currently registered to vote, how may I request an absentee ballot?</b>	You may submit an FPCA, absentee application, or letter to your local election office to request a ballot. The letter should identify you as an absent Uniformed Services voter or overseas voter and include your date of birth and signature.
<b>How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?</b>	You may return the voted ballot or FWAB by mail, email or fax.
<b>What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?</b>	You may use the FWAB any time before an election to vote in primary, special and general elections for Federal, State, and local offices and non-candidate ballot issues without having previously registered or requested an absentee ballot. Montana recommends waiting to use a FWAB until after 45 days before an election.

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted. Voters should submit a new application after January 1 of each year.

---

## Complete the following blocks of the FPCA

**Block 1** Select the category that describes you.

---

**Block 2** Political affiliation is not necessary to vote in Nebraska's primary. Registered non-partisan voters can vote a non-partisan ballot, or they may request a non-partisan Republican ballot or a non-partisan Democrat ballot. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than the third Friday before the election. Political party affiliation is not required for general elections.

---

**Block 3** Name (Last, First, Middle). If you are married and assumed the name of your spouse, write your previous name here.

---

**Block 4** Date of birth.  
Your valid Nebraska Driver's License number OR the last four digits of your Social Security number is only required for voter registration if you are registering for the first time and submitting your application by mail. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

---

**Block 5** Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

---

**Block 6** Nebraska allows you to receive the blank ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

---

**Block 7** Complete street address of your Nebraska voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

---

**Block 8** Complete address where you want your ballot sent, usually where you currently live.

---

**Block 9** In addition to mailing a regular ballot, Nebraska provides a State Special Write-In Absentee Ballot 60 days before the election to any voter residing outside the U.S. This ballot allows you to vote for local, State, and Federal offices. To request it, write "*I am outside the territorial limits of the U.S. I request a special write-in absentee ballot.*"

---

Provide any information that may assist the local election official in accepting this application.

---

**Affirmation** Sign and date. No witness or notary required.

## How and where to submit your FPCA

Nebraska allows you to submit the FPCA by mail, email or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found at <http://www.sos.ne.gov/elec/clerks.html>.

If you choose to fax your FPCA, it is recommended that you fax the form directly to your local election official. Fax numbers can be found at <http://www.sos.ne.gov/elec/clerks.html>. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

## Follow-up on your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Nebraska's voter registration verification website at <https://www.militaryoverseas.necvr.ne.gov/>.

Your jurisdiction will contact you if your application is denied.

---

## Other ballot request methods

### Ballot request by letter

You may apply in writing for a State registration form and an absentee ballot. Include your full name, signature, address of your legal voting residence, type of election (primary/general), and political party (if requesting a ballot for a primary election). Your signed letter may be sent by mail, fax or as an email attachment and must be received by your local election office no later than 18 days before the election. However if you are registered and wish to request a ballot, you may send a written request to be received at your local election office by the Wednesday prior to the election.

### Ballot request by proxy

Your spouse, parent, son, daughter or any other person acting as an agent may apply for an absentee ballot on your behalf.

---

## Late registration

Any member of the Uniformed Services or any civilian citizen who was discharged from overseas Federal service or employment after the registration deadline, may register to vote in the local election office of his or her county of voting residence by noon on the day before the election.

---

## Voting your ballot

***Voted ballots must be received by the local election office before the close of polls on Election Day.***

No witness or notary is required on voted ballots.

Voted ballots must be returned by mail. If you receive your ballot and you do not think that it will arrive at the county election office by the deadline, contact your county election office to see if you can submit your voted ballot by fax or email. Find your county or city contact information at <http://www.sos.ne.gov/elec/clerks.html>.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

---

## Tracking your ballot

You may track the status of your ballot at <https://www.militaryoverseas.necvr.ne.gov/>.

### Vote your FWAB

Vote for any office in Federal, State or local elections. To find out the races and candidates for which you can vote, go to [www.sos.State.ne.us/elec/](http://www.sos.State.ne.us/elec/). For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

If using the FWAB simultaneously as a registration form and voted ballot, it must be received by the local election office by the registration deadline.

Nebraska allows you to submit the FWAB by mail, email or fax.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

If you choose to email your FWAB, you should send it as a signed, scanned attachment. Include ballot, voter affirmation and cover sheet with secrecy waiver. You should also submit the FWAB by mail. Email addresses can be found at <http://www.sos.ne.gov/elec/clerks.html>.

## Important information

<b>How can I register to vote as a military or overseas voter?</b>	Fill out and return the Federal Post Card Application (FPCA) to your local election office. This form allows you to register to vote and identifies you as a voter covered by <i>UOCAVA</i> (Federal law providing special protections).
<b>What is my voting residence?</b>	The place you consider your true, fixed and permanent home.
<b>Do I need to claim a political party to vote in primary elections?</b>	Yes. If you do not select a party, you can still vote in general elections, but not in primary elections (see Block 2 of "Complete the following blocks of the FPCA" for an exemption).
<b>How can I submit my FPCA?</b>	You must mail your FPCA directly to your local election official. Addresses can be found at the end of this section.
<b>How often must I submit my FPCA?</b>	New York recommends submitting a new FPCA every two years or every time your mailing or email address changes. New York accepts an FPCA as voter registration and absentee ballot request for all Federal elections held through the next two regularly scheduled general elections.
<b>If I am currently registered to vote, how may I request an absentee ballot?</b>	The FPCA also serves as an absentee ballot request, so even if you are already registered to vote, complete an FPCA and return it to the proper county board.
<b>How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?</b>	You must return your voted ballot or FWAB by mail.

# New York

## Important information

**What must I do to use a FWAB and can I use the FWAB to vote in State and local elections?**

You may use the FWAB at any time if you have previously registered and requested your absentee ballot. If you are not already registered, the ballot will not be counted but the FWAB will be used to register you for future elections.

**I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?**

Yes, for Federal offices in the county where a parent would be eligible to register and vote.

**Will I need a notary or witness for my FPCA or FWAB?**

No.

**Where can I find information about the candidates and/or other items that will be on my ballot?**

Visit the New York State Board of Elections web site at <http://www.elections.ny.gov> for information on certain candidates and propositions that will appear on the ballot. You can also find links to the web site of your local county board, which may provide additional local information.

## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) or the Federal Write-In Absentee Ballot (FWAB) to your local election office. Both forms can be used to register and identify you as a voter covered by UOCAVA (Federal law providing special protections).
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	Yes. Voters registered as unaffiliated (as an "independent") may vote in State party primary elections, but will need to indicate the party primary that wish to participate.
How can I submit my FPCA?	By mail, email or fax.
How often must I submit my FPCA?	The FPCA (or FWAB if you submit the FWAB for registration) is valid in the calendar year in which either forms are received. You should submit a new form every year and every time your address changes.
If I am currently registered to vote, how may I request an absentee ballot?	You may request an absentee ballot using the FPCA or request a State Absentee Ballot Request Form from your local board of elections.
How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?	By mail, email or fax.
What must I do to use a FWAB and can I use the FWAB to vote in State and local elections?	You may use the FWAB to register and vote. If you are not registered the FWAB must be received by the registration deadline. If you are registered and have requested your absentee ballot, you may use the FWAB to vote by the date of the election. You may use the FWAB to vote in Federal, State and local elections.

# North Carolina

## How and where to submit your FPCA

North Carolina allows you to submit the FPCA by mail, email or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can

be found at the end of this section.

If you choose to email, email the signed, scanned form directly to [UOCAVA.ABSENTEE@sboe.state.nc.us](mailto:UOCAVA.ABSENTEE@sboe.state.nc.us) or your local election official. Local election official email addresses can be found on the North Carolina State Election website at the end of this section and at <http://www.sboe.state.nc.us/content.aspx?id=13>. You may also use the Electronic Transmission Service (ETS) by sending the form as an attachment to [ets@fvap.gov](mailto:ets@fvap.gov).

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers can be found at the end of this section and at [www.ncsbe.gov](http://www.ncsbe.gov). You may also use ETS to fax your FPCA toll-free; use the cover sheet available in Chapter 1 or at [fvap.gov](http://fvap.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [fvap.gov](http://fvap.gov).

---

### Follow-up on your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to North Carolina's voter registration verification website at <https://www.ncsbe.gov/VoterLookup.aspx?Feature=voterinfo>.

Your jurisdiction will contact you if your application is denied.

---

### Late registration

Any member of the Uniformed Services who is qualified to vote absentee and returns to North Carolina after the registration deadline may still register and vote in person up to and including Election Day.

---

### Voting by citizens who have never lived in the U.S.

A U.S. citizen who was born abroad and has never lived in the U.S. may register and vote in the North Carolina county where a parent would be eligible to register and vote.

---

## Voting your ballot

***Voted ballots must be received at the local election office by the close of polls on Election Day. Voted ballots that are submitted for mailing by Election Day and received by the local election office either 10 days after a general election, or seven days after other elections, will also be counted.***

The oath on the ballot return envelope must be signed.

You may return the voted ballot by mail, email, or fax. Use FPCA email or fax instructions under "How and where to submit Your FPCA."

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

---

### Tracking your ballot

You may track the status of your ballot at <https://www.ncsbe.gov/VoterLookup.aspx?Feature=absentee>.

---

### Haven't received your ballot? Use the Federal Write-In Absentee Ballot.

North Carolina allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in all elections. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election.

The FWAB may be used to register to vote and/or request an absentee ballot as long as it is received no later than 5 pm ET on the day before the election. If received later than that date, then the voter must already be registered and have already requested an absentee ballot.

## North Carolina

### Complete the following blocks of the FWAB's Voter Declaration/Affirmation

<b>Block 1</b>	North Carolina does allow you to use this form for registration.
<b>Block 2</b>	Select the category that describes you.
<b>Block 3</b>	Name (Last, First, Middle).
<b>Block 4</b>	Date of birth is required.  Enter your valid North Carolina Driver's License number, the last four digits of your Social Security number OR your State voter registration number.
<b>Block 5</b>	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.
<b>Block 6</b>	Not required.
<b>Block 7</b>	Complete street address of your North Carolina voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.
<b>Block 8</b>	Enter your current mailing address.
<b>Block 9</b>	Provide any information that may assist the local election official in accepting this ballot or application.
<b>Affirmation</b>	Sign and date. No witness or notary required.

### Vote your FWAB

To find out the races and candidates for which you can vote, go to [www.ncsbe.gov](http://www.ncsbe.gov). For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

---

### How and where to submit your FWAB

The deadlines for receiving the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

North Carolina allows you to submit the FWAB by mail, email or fax.

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. Addresses can be found below.

If you choose to email your FWAB, you should send it as a signed, scanned attachment to UOCAVA. [ABSENTEE@sboe.state.nc.us](mailto:ABSENTEE@sboe.state.nc.us) or your local election official. Local election official email addresses can be found on the North Carolina State Election website at <http://www.sboe.state.nc.us/content.aspx?id=13> or at the end of this section. Include ballot, voter affirmation, and cover sheet with secrecy waiver. You may also use the Electronic Transmission Service (ETS) by sending the form as an attachment to [ets@fvap.gov](mailto:ets@fvap.gov).

If you choose to fax your FWAB, you should send it to (919) 715-0351 or to your local election official. Fax numbers can be found at <http://www.sboe.state.nc.us/content.aspx?id=13> or at the end of this section. Include ballot, voter affirmation, and cover sheet with secrecy waiver. You may also use ETS to fax your FWAB toll-free; use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

Voted ballots must be returned by mail.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal

Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

---

## Tracking your ballot

You may track the status of your ballot at [https://usoav.sos.state.oh.us/UOCAVA\\_vr\\_\\_Login.aspx](https://usoav.sos.state.oh.us/UOCAVA_vr__Login.aspx).

---

## Haven't received your ballot? Use the Federal Write-In Absentee Ballot.

Ohio allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in primary, special and general elections for Federal, State and local offices and non-candidate ballots issues. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election.

---

## Complete the following blocks of the FWAB's Voter Declaration/Affirmation

- |                |  |
|----------------|--|
| <b>Block 1</b> | Ohio allows you to use this form for voter registration if it is received by the registration deadline.  |
| <b>Block 2</b> | Select the category that describes you.  |
| <b>Block 3</b> | Name (Last, First, Middle).  |
| <b>Block 4</b> | Your sex and race are not required.<br><br>Your date of birth is required.<br><br>Enter your valid Ohio Driver's License number, the last four digits of your Social Security number, OR your State voter registration number. |
| <b>Block 5</b> | Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.   |
| <b>Block 6</b> | To vote in primary elections, you must enter your political party affiliation. Political party affiliation is not required if only requesting absentee ballots for general elections.  |

# Ohio

**Block 7** Complete street address of your Ohio voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the town or city where you claim legal voting residence.

**Block 8** Enter your current mailing address, usually where you live now.

**Block 9** Provide any information that may assist the local election official in accepting this ballot or application.

**Affirmation** Sign and date. No witness or notary required.

## Vote your FWAB

Vote for any Federal, State and local office or ballot question in any election. To find out the races and candidates for which you can vote, visit the website of the local county board of elections to view the precinct-specific FWAB Election Notice. For each office for which you vote, write in either a candidate's name or a political party designation, or ballot issue. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

## How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/ Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

## Important information

How can I register to vote as a military or overseas voter?	Fill out, sign and return the Federal Post Card Application (FPCA) to your local election office. This form allows election officials to identify you as a voter covered by UOCAVA (Federal law providing special protections).
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	Yes.
How can I submit my FPCA?	By mail, email or fax.
How often must I submit my FPCA?	The FPCA is good for two regularly scheduled general elections. You should submit a new one every time your address changes or every four years.
If I am currently registered to vote, how may I request an absentee ballot?	Fill out, sign, and return an FPCA to your local election office. Be sure to indicate whether your ballot should be mailed, emailed or faxed to you. FPCAs received by 5 pm the Wednesday preceding the election will be processed and ballots will be mailed, emailed or faxed as requested on the FPCA.
How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?	By mail or fax.
What must I do to use a FWAB and can I use the FWAB to vote in State and local elections?	You may use the FWAB even if you have not previously applied for an absentee ballot. Upon receipt of a FWAB, you will be registered and will receive an absentee ballot if the absentee application deadline (5 pm the Wednesday preceding the election) has not passed. If you want to receive absentee ballots for future elections, indicate so in the FWAB Affirmation including how you prefer to receive those ballots (mail, email or fax).

# Oklahoma

## Important information

<b>I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?</b>	Yes. If a parent or legal guardian was eligible to register to vote in Oklahoma prior to leaving the U.S. and if you have not previously registered to vote in another State, you are eligible to register at the last address of residence of your parent or legal guardian in Oklahoma.
<b>Will I need a notary or witness for my FPCA or FWAB?</b>	No. Sign and date the FWAB Voter's Declaration/Affirmation. Notarization or witnesses are not required.
<b>Where can I find information about the candidates and/or other items that will be on my ballot?</b>	The State Election Board will publish the names of all candidates for Federal, State and legislative offices on their website as filing papers are received April 9-11, 2014. The list is updated as withdrawals occur and as nominees for the General Election are determined in the Primary and Runoff Primary. Ballot titles for State questions also are published on the website as they are approved. Information about county offices and questions and other local entity elections may be obtained from the appropriate County Election Board.

## Registering and requesting your absentee ballot

Registration is not required to apply for absentee ballots. However, if you are not registered to vote, you will become registered upon submission of a valid Federal Post Card Application (FPCA). You must still complete the FPCA to request an absentee ballot. The form requests absentee ballots for all Federal elections held through the next two regularly scheduled general elections.

## Complete the following blocks of the FPCA

<b>Block 1</b>	Select the category that describes you.
<b>Block 2</b>	To vote in primary elections, you must enter your political party affiliation. If you are registered as non-partisan or undeclared, you cannot vote in party primaries. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official not less than 24 days before an election. Oklahoma does not allow political party changes from April 1-August 31 in even-numbered years. If you submit a political party change during that period, it will be held and processed on September 1. Political party affiliation is not required if only requesting absentee ballots for general elections.

**Block 3** Name (Last, First, Middle).

**Block 4** Date of birth.

Enter either your current valid Oklahoma Driver's License number OR the last four digits of your Social Security number. One of these numbers is required for voter registration. If you do not possess any of these identification numbers, please indicate this in Block 9. The State will assign a number that will serve to identify you for voter registration purposes.

**Block 5** Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

**Block 6** Oklahoma allows you to receive the blank ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your fax number or email address in Block 5. Please ensure that this email address does not block or filter emails forwarded from your county election official. If you do not make a selection, then your local election official will mail your ballot to you.

## Oklahoma

---

**Block 7** Complete street address of your Oklahoma voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

**Block 8** Complete address where you want your ballot sent, usually where you currently live.

**Block 9** Provide any information that may assist the local election official in accepting this application.

**Affirmation** Sign and date. No witness is required.

### How and where to submit your FPCA

Oklahoma allows you to submit the FPCA by mail, email or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section or at [www.elections.ok.gov](http://www.elections.ok.gov).

If you choose to email your FPCA, you should send the form directly to your local election office. Email addresses can be found at the end of this section or at [www.elections.ok.gov](http://www.elections.ok.gov).

If you choose to fax your FPCA, it is recommended that you fax the form directly to your local election official. Fax numbers can be found at [www.elections.ok.gov](http://www.elections.ok.gov). You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

---

### Follow-up on your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office.

Your jurisdiction will contact you if your application is denied.

### Late registration

If you are honorably discharged or on leave from the U.S. Uniformed Services or terminated in your service or employment overseas, and you are returning home to Oklahoma within 90 days preceding an election, you may vote in the upcoming election only (in the precinct where you are a qualified voter) without being registered.

---

### Voting by citizens who have never lived in the U.S.

If a U.S. citizen outside the U.S. has never lived in the U.S. and either parent is a qualified Oklahoma voter, he or she is eligible to register and vote where his or her parent is a qualified voter.

---

### Voting your ballot

*Voted ballots must be received by the local election office no later than 7 pm CT on Election Day.*

No witness or notary is required on voted ballots.

You may return the voted ballot by mail or fax. Use FPCA fax instructions under "How and Where to Submit Your FPCA."

You may also choose to email your ballot directly to [ets@fvap.gov](mailto:ets@fvap.gov) for it to be forwarded to your local election office by fax. If you choose to email your ballot, you must email it as a signed, scanned attachment, and include the ballot, voter affirmation, and cover sheet with secrecy waiver. Use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov).

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

---

### Tracking your ballot

You may track the status of your ballot at [http://www.ok.gov/elections/Absentee\\_Voting/Military\\_Overseas\\_Voters/](http://www.ok.gov/elections/Absentee_Voting/Military_Overseas_Voters/).

### Haven't received your ballot? Use the Federal Write-In Absentee Ballot.

Oklahoma allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in general, special and primary elections for Federal and State offices even if you have not requested an absentee ballot be sent to you. Feel free to use the FWAB to vote any time before an election.

---

### Complete the following blocks of the FWAB's Voter Declaration/Affirmation

- |                |  |
|----------------|--|
| <b>Block 1</b> | Oklahoma does not require voter registration to apply for absentee ballots. However, if you are not registered to vote, you will become registered upon submission of a valid Voter Declaration/ Affirmation.  |
| <b>Block 2</b> | Select the category that describes you.  |
| <b>Block 3</b> | Name (Last, First, Middle). Enter any name under which you were previously registered to vote in Oklahoma.   |
| <b>Block 4</b> | Date of birth is required.<br><br>Enter either the last four digits of your Social Security number OR your valid Oklahoma Driver's License number. If you do not possess any of these identification numbers, please indicate this in Block 9. The State will assign a number that will serve to identify you for voter registration and absentee voting purposes. |
| <b>Block 5</b> | Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.   |
| <b>Block 6</b> | Enter your political party affiliation if you want to vote in primary elections.   |
| <b>Block 7</b> | Complete street address of your Oklahoma voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.   |

---

**Block 8** Enter your current mailing address.

---

**Block 9** Provide any information that may assist the local election official in accepting this ballot or application.

---

**Affirmation** Sign and date. No witness or notary required.

---

---

### Vote your FWAB

Vote for any Federal or statewide office in any election. To find out the races and candidates for which you can vote, go to [www.elections.ok.gov](http://www.elections.ok.gov). For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

---

### How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Oklahoma allows you to submit the FWAB by mail or fax. Voters who do not have fax capabilities or are concerned their ballot will not be returned by mail in time to be counted may email their ballot to the DoD Electronic Transmission Service at [ets@fvap.gov](mailto:ets@fvap.gov) with instructions to forward it by fax to your local election office. If you choose to email your ballot, you must email it as a signed, scanned attachment, and include the ballot, voter affirmation and cover sheet with secrecy waiver. Use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov).

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/ Affirmation into the mailing envelope and mail the ballot directly to your local election office.

If you choose to fax your FWAB, it is recommended that you fax the ballot directly to your local election official. Fax numbers can be found at [www.elections.ok.us](http://www.elections.ok.us). Include ballot, voter affirmation, and cover sheet with secrecy waiver. You may also use the DoD

Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800- 368 -8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

## Important information

How can I register to vote as a military or overseas voter?	Register online at <a href="http://www.oregonvotes.gov">www.oregonvotes.gov</a> . If you do not have a current Oregon Driver's License or State ID Card fill out and return the Federal Post Card Application (FPCA) to your local election office. The FPCA allows you to register to vote and identifies you as a voter covered by UOCAVA (Federal law providing special protections).
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	Yes. If you do not select a party by the registration deadline, you can still vote in primary elections, but your ballot will only include nonpartisan offices and measures.
How can I submit my FPCA?	By mail, email or fax.
How often must I submit my FPCA?	The FPCA is good for every subsequent Federal election held until the voter otherwise notifies the clerk, or the county election official receives evidence that the elector's voter registration is no longer current.
If I am currently registered to vote, how may I request an absentee ballot?	Fill out and return the FPCA to your local election office or complete form SEL 111 "Ballot for an Absent Elector Request Form" online at <a href="http://www.oregonvotes.gov">www.oregonvotes.gov</a> and send it to your local elections office either by mail, email or fax.
How can I return my voted ballot or Federal Write-In Ballot (FWAB)?	By mail, email or fax.
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	You may use a FWAB any time up to the registration deadline for an election without having previously registered or requested an absentee ballot. If previously registered, you may use a FWAB any time so long as it is received by 8 pm on Election Day. The FWAB may be used to vote in Federal, State and local elections.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	No.
Will I need a notary or witness for my FPCA or FWAB?	No.

**Where can I find information about the candidates and/or other items that will be on my ballot?** To find out the races and candidates for which you can vote, go to [www.oregonvotes.gov](http://www.oregonvotes.gov).

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for every subsequent Federal election held until the voter otherwise notifies the clerk, or the county election official receives evidence that the elector's voter registration is no longer current.

All information applies to Uniformed Service members, their eligible family members, and overseas citizens, as well as members of the U.S. Armed Forces and Merchant Marines who have been discharged within 30 days of an election.

## Complete the following blocks of the FPCA

**Block 1** Select the category that describes you.

**Block 2** Some political parties require you to be registered in their party to vote for their candidates in primary elections.

If you are not affiliated with a political party or don't select one, the ballot sent to you for primary elections will include non-partisan offices and measures. To vote in the elections of a political party that has authorized non-affiliated electors, write: *"I want to vote in (fill in party) Primary."* Political party affiliation is not required for general elections.

**Block 3** Name (Last, First, Middle). Enter any former name under which you were registered in Oregon.

**Block 4** Date of birth. Your valid Oregon Driver's License number OR if you do not have an Oregon Driver's License the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

**Block 5** Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

**Block 6** Oregon allows you to receive your absentee ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

**Block 7** Complete street address of your Oregon voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

**Block 8** Complete address where you want your ballot mailed, usually where you live now.

**Block 9** In addition to mailing a regular ballot, Oregon provides a State Write-In Absentee Ballot to any voter residing outside the U.S. unable to vote using the regular absentee voting process. This ballot may be requested any time before the election. To request it, write in Block 9: *"I am outside the territorial limits of the United States and the District of Columbia and I am unable to vote and return a regular absentee ballot by normal mail delivery in the time provided for regular absentee ballots. I request a special write-in absentee ballot."* This request is valid only for the election specified on the application.

## Puerto Rico

---

---

### Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted and the next Federal election.

Puerto Rico only accepts the FPCA as a temporary registration and absentee ballot request for elections for Federal office. If you register using the FPCA, you will only be able to vote absentee, not in-person.

---

### Complete the following blocks of the FPCA

---

**Block 1** Select the category that describes you.

---

**Block 2** To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the Absentee Voting Administrative Board. Political party affiliation is not required if only requesting absentee ballots for general elections.

---

**Block 3** Name (Last, First, Middle). Both your paternal and maternal surnames are required. Otherwise, provide your full name as it appears on file at the Puerto Rico State Elections Commission.

---

**Block 4** Your sex and race are not required.

Your date of birth is required.

Your Puerto Rico Driver's License number is required. If you do not have a Puerto Rico Driver's License number, the last four digits of your Social Security number OR your voter registration number is required.

---

**Block 5** Provide your contact information to allow your county elections official to follow up if more information is required.

---

---

**Block 6** Puerto Rico allows you to receive your ballot by mail or on the web at [prballotrequest.secureballotusa.com/en](http://prballotrequest.secureballotusa.com/en). More transmission options may be available. Check [FVAP.gov](http://FVAP.gov) for updates.

---

**Block 7** Complete street address of your Puerto Rico voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

---

**Block 8** Complete address where you want your ballot sent, usually where you live now.

---

**Block 9** Provide your father's and mother's first names. The witness or certifying officer who signs the Affirmation must state here - "*I certify that [voter] is a [member of the U.S. Army, student at XX University, etc., whichever is applicable].*"

Provide any information that may assist the county elections official in accepting this application.

---

**Affirmation** Sign and date. No notary required.

---

---

### How and where to submit your FPCA

Puerto Rico allows you to submit the FPCA by mail, email or fax if you are already registered. If you are not already registered and choose to email or fax, you must also submit your FPCA by mail so that it arrives by the ballot return deadline.

If you choose to mail your FPCA, mail the form directly to:

Absentee Voting Administrative Board (JAVA)  
Puerto Rico State Election Commission  
PO Box 192359  
San Juan, PR 00919-2359

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to the Absentee Voting Administrative Board (JAVA) at [java@cee.gobierno.pr](mailto:java@cee.gobierno.pr).

If you choose to fax your FPCA, fax the form directly to the Absentee Voting Administrative Board at (787) 777-8357. Fax numbers can be found at [www.ceepur.org](http://www.ceepur.org). You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

### Follow-up on your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Puerto Rico's voter registration verification website at <http://cee.ceepur.org/consulta/default.aspx>.

Your jurisdiction will contact you regarding the status of your application.

### Other ballot request methods

You may register to vote and request your absentee ballot online at <https://prballotrequest.secureballotusa.com/en>.

If you are already permanently registered, you may request a ballot using the Petition for Absentee Ballot which is available by mail from the Elections Commission or at [www.ceepur.org](http://www.ceepur.org).

### Voting your ballot

***Voted ballots must be postmarked no later than Election Day and be received by the Puerto Rico Elections Commission by 3 pm on Election Day, or no later than 45 days from the date the Puerto Rico State Election Commission sends the ballot to the voter.***

Voted ballots must be returned by mail.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

### Tracking your ballot

You may track the status of your ballot by contacting the Absentee Voting Administrative Board at:

Absentee Voting Administrative Board (JAVA)  
Puerto Rico State Election Commission  
PO Box 192359  
San Juan, PR 00919-2359  
<http://cee.ceepur.org/consulta/default.aspx>  
Fax: (787) 777-8357  
Email: [java@cee.gobierno.pr](mailto:java@cee.gobierno.pr)

### Haven't received your ballot? Use the Federal Write-In Absentee Ballot.

Puerto Rico allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in primary, special, runoff and general elections for Federal office. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote any time before an election.

### Complete the following blocks of the FWAB's Voter Declaration/Affirmation

**Block 1** Puerto Rico does not allow you to use this form for registration. Do not check the registration box.

**Block 2** Select the category that describes you.

**Block 3** Name (Last, First, Middle). Both your paternal and maternal surnames are required. Otherwise, provide your full name as it appears on file at the Puerto Rico State Elections Commission.

**Block 4** Your sex and race are not required.

Your date of birth is required.

Your Puerto Rico Driver's License number is required. If you do not have a Puerto Rico Driver's License number, the last four digits of your Social Security number OR your voter registration number is required.

### Vote your FWAB

Vote for any Federal office in a primary, special, runoff or general election. To find out the races and candidates for which you can vote, go to [www.ceepur.org](http://www.ceepur.org). For each office for which you vote, write in either a candidate's name or a political party designation. Puerto Rico does not elect members to the U.S. Senate or directly participate in the election of the President and Vice President of the U.S. At the Federal level, only a Resident Commissioner to the House of Representatives is elected.

Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

---

### How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for territory absentee ballots. If you receive the territory ballot after submitting the voted FWAB, you may also vote and return the territory ballot. If both ballots are received by the deadline, only the Territory ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to:

Absentee Voting Administrative Board (JAVA)  
Puerto Rico State Election Commission  
PO Box 192359

## Important information

How can I register to vote as a military or overseas voter?	Fill out and mail the Federal Post Card Application (FPCA) to your local election office. This form allows election officials to identify you as a voter covered by <i>UOCAVA</i> (Federal law providing special protections).
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	Yes. If you are a registered Republican, you can only vote in a Republican Primary. If you are registered Democratic, Independent or No Party Affiliation, you may vote in a Democratic Primary.
How can I submit my FPCA?	By mail, email or fax.
How often must I submit my FPCA?	The FPCA is good for one regularly scheduled general election. You should submit a new one every time your address changes or every year.
If I am currently registered to vote, how may I request an absentee ballot?	Fill out an FPCA or an Absentee Ballot Application form on <a href="http://sdsos.gov">sdsos.gov</a> and return to your county auditor.
How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?	You must return your voted ballot or FWAB by mail.
What must I do to use a FWAB and can I use the FWAB to vote in State and local elections?	You must have submitted a ballot request or FPCA to your county auditor before you can use the FWAB to vote. The FWAB may only be used to vote in Federal elections.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	Yes. An adult child of an overseas citizen who has not reached the age of 22 may register to vote.
Will I need a notary or witness for my FPCA or FWAB?	No.
Where can I find information about the candidates and/or other items that will be on my ballot?	Visit the Secretary of State's website at <a href="http://sdsos.gov">sdsos.gov</a> .

## South Dakota

---

---

### Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted. Voters should submit a new application after January 1 of each year to qualify for all upcoming Federal elections.

---

### Complete the following blocks of the FPCA

---

**Block 1** Select the category that describes you.

---

**Block 2** To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, mail a completed FPCA indicating your new party preference to the local election official to be received no later than 15 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

---

**Block 3** Name (Last, First, Middle).

---

**Block 4** Date of birth.

Your valid South Dakota Driver's License number is required for voter registration. If you do not have a South Dakota Driver's License, enter the last four digits of your Social Security number. If you do not possess either of these identification numbers, you must register at the County Auditor's office and sign a statement saying you do not have either number.

---

**Block 5** Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

---

**Block 6** South Dakota allows you to receive your blank ballot by mail or email. Your absentee ballot cannot be sent to you by fax. Please rank your preference of how you would like to receive your absentee ballot.

---

---

**Block 6 continued** If you choose to receive your blank ballot by email, you must provide your email address in Block 5. Please ensure that this email address does not block or filter emails forwarded from your county election official. In the event that your ballot cannot be delivered via email, your local election official will mail your ballot to the address in Block 8. If no address is provided, your ballot would then be sent to your voter registration address in South Dakota.

---

**Block 7** Complete street address of your South Dakota voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

---

**Block 8** Complete address where you want your ballot sent, usually where you currently live now.

---

**Block 9** Provide any information that may assist the local election official in accepting this application.

---

**Affirmation** Sign and date.

Stateside Uniformed Service members and their eligible family members must provide a photocopy of one of the following:

- a South Dakota Driver's License or non-driver ID card
- a passport or other picture ID issued by the U.S. government
- a tribal photo ID
- a current student photo ID issued by the South Dakota high school or postsecondary education institution

**See Affirmation continued**

---

### Affirmation continued

Should notarization of the stateside military voter's signature be easier to obtain than a photocopy of the ID, a notarized absentee ballot application may be submitted. The notarization on the absentee ballot application can be administered by any commissioned officer in the military service of the United States.

Overseas Uniformed Service members, their eligible family members and overseas citizens are not required to have a witness or notarization, nor are they required to include a photocopy of their identification.

---

### How and where to submit your FPCA

South Dakota allows you to submit the FPCA by mail, email or fax if you are already registered. If you are not registered, you must submit the form by mail. Please also see the ID photocopy requirement in the "Affirmation" section in the FPCA instructions.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section or at [www.sdsos.gov](http://www.sdsos.gov).

If you choose to email your FPCA, you should send the signed form as a scanned attachment. Email directly to your local election office. Email addresses can be found at the end of this section or at [sdsos.gov](http://sdsos.gov).

If you choose to fax your FPCA, it is recommended that you fax the signed form directly to your local election official. Fax numbers can be found at the end of this section or [sdsos.gov](http://sdsos.gov). You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

---

### Follow-up on your FPCA

To find out the status of your registration, contact your local election office or refer to South Dakota's voter registration verification website which can be found at <https://sdsos.gov/elections/viplogin.aspx>.

In addition to your registration information, this site also provides you with tracking information regarding your voting materials – the date your absentee ballot application was received, the date the absentee ballot was sent to you either by mail or email, and the date your voted absentee ballot was received by your election official.

Your jurisdiction will contact you if your registration is denied.

---

### Voting your ballot

***Voted ballots must be received by the local election office by the close of the polls on Election Day.***

No witness or notary is required on voted ballots.

Voted ballots must be returned by mail.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

---

### Tracking your ballot

You may track the status of your ballot at <https://sdsos.gov/elections/viplogin.aspx>.

---

### Haven't received your ballot? Use the Federal Write-In Absentee Ballot.

South Dakota allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in primary, special and general elections for Federal office. Feel free to use the FWAB to vote any time before an election.

## South Dakota

### Complete the following blocks of the FWAB's Voter Declaration/Affirmation

<b>Block 1</b>	South Dakota allows you to use this form for registration.
<b>Block 2</b>	Select the category that describes you.
<b>Block 3</b>	Name (Last, First, Middle).
<b>Block 4</b>	Date of birth.
<b>Block 5</b>	Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.
<b>Block 6</b>	Not required.
<b>Block 7</b>	Complete street address of your South Dakota voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.
<b>Block 8</b>	Enter your current mailing address.
<b>Block 9</b>	Provide any information that may assist the local election official in accepting this ballot or application.
<b>Affirmation</b>	Sign and date. No witness or notary required.

### Vote your FWAB

To find out the races and candidates for which you can vote, go to [sdsos.gov](https://sdsos.gov). For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

### How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official. Contact information for your county auditor is available at [sdsos.gov](https://sdsos.gov).

You may check the status of the absentee ballot process by referring to South Dakota's Voter Information Portal at <https://sdsos.gov/elections/viplogin.aspx>. The site tracks the date your absentee ballot application was received, the date the absentee ballot was sent to you either by mail or email and the date your voted absentee ballot was received by your election official.

## Federal Election deadlines

	State Primary	General Election
	August 7, 2014	November 4, 2014
Registration	July 31, 2014	October 28, 2014
Ballot request	July 31, 2014	October 28, 2014
Ballot return	August 7, 2014	November 4, 2014

**These are not mailing deadlines.** Please mail your voting materials early enough to account for mail delivery times. Check the recommended mailing dates section in Chapter 1 for details.

## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) to your local election office. This form can be used to temporarily register and/or request an absentee ballot and identifies you as a voter covered by UOCAVA (Federal law providing special protections).
What is my voting residence?	The place you consider your true, fixed and permanent home, to which you have a definite intention to return. It must be a place where the person has physically been present with intent to remain and return when away.
Do I need to claim a political party to vote in primary elections?	Yes.
How can I submit my FPCA?	By mail, email or fax.
How often must I submit my FPCA?	The FPCA is good for the calendar year in which it is submitted. You should submit a new application every time your address changes including your mailing address, or after January 1 of each year to qualify for all upcoming elections.
If I am currently registered to vote, how may I request an absentee ballot?	Fill out and return the Federal Post Card Application (FPCA) to your local election office.
How can I return my voted ballot or Federal Write-In Ballot (FWAB)?	You must return your voted ballot or FWAB by mail.
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	If you are registered to vote, you may use the FWAB to vote any time before an election. If you are not registered to vote, you may use the FWAB to vote, but it must be returned by the registration deadline. The FWAB may be used to vote in State and local elections for which you are eligible.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	Yes, under certain circumstances. A U.S. citizen born abroad, who is eligible to vote and has never lived in the U.S. may register temporarily and vote in the county where a parent would be eligible to register and vote.

## Important information

---

**Will I need a notary or witness for my FPCA or FWAB?** No notary is required. A witness signature is only necessary if you required assistance completing either form.

---

**Where can I find information about the candidates and/or other items that will be on my ballot?** Please visit <http://www.tn.gov/sos/election/qualify/index.htm>.

---

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) temporarily registers you to vote and requests absentee ballots for all regularly scheduled Federal, State, and local elections for the calendar year in which it is submitted. Voters must submit a new application after January 1 of each year to qualify for upcoming Federal, State or local elections.

## Complete the following blocks of the FPCA

---

**Block 1** Select the category that describes you.

---

**Block 2** To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than 7 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

---

**Block 3** Name (Last, First, Middle)

---

**Block 4** Sex is required.

Race is requested but not required. Enter the choice that best describes you from the following list: American Indian or Alaskan Native; Asian or Pacific Islander not Native Hawaiian; Black, not of Hispanic Origin; Hispanic; Multi-racial; Native Hawaiian; White, not of Hispanic Origin; Other.

Please rank your preference of how you would like to receive your absentee ballot. Provide your email address in Block 5. ## How and where to submit your FPCA

Tennessee allows you to submit the FPCA by mail, email or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you must send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found at the end of this section and at [http://tnsos.org/elections/election\\_commissions.php](http://tnsos.org/elections/election_commissions.php).

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers can be found at the end of this section and at [http://tnsos.org/elections/election\\_commissions.php](http://tnsos.org/elections/election_commissions.php). You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

---

## Follow-up on your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Tennessee's voter registration information website at <https://tnmap.tn.gov/voterlookup/>.

---

## Other ballot request methods

### Temporary registration/ballot request by letter

You may send a written request for temporary registration and/or an absentee ballot to your local election office. This request must include your name, Social Security number, date of birth, the street address of your voting residence and the address to which you would like your ballot to be sent and the reason the voter wishes to vote absentee, (i.e. Uniformed Service or overseas voter). The letter must be signed under penalty of perjury that the information is true, correct and that you are eligible to vote in the election. If voting in a primary, you must include your party affiliation.

---

## Voting by citizens who have never lived in the U.S.

A U.S. citizen who was born abroad and who is eligible to vote and who has never lived in the U.S. may register temporarily and vote in the county where a parent would be eligible to register and vote.

---

## Voting your ballot

*Voted ballots must be received by the local election official by the close of polls on Election Day.*

No witness or notary is required on voted ballots.

Voted ballots must be returned by mail.

If you required assistance completing your voted ballot, one person must witness and sign.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

---

## Tracking your ballot

You may track the status of your registration or absentee ballot at <https://tnmap.tn.gov/voterlookup/>.

---

## Haven't received your ballot? Use the Federal Write-In Absentee Ballot.

Tennessee allows you to use Federal Write-In Absentee Ballot (FWAB) for all elections in which you are eligible to vote. If you are registered and have requested but not received your absentee ballot, feel free to use the FWAB to vote any time before an election.

## Tennessee

### Complete the following blocks of the FWAB's Voter Declaration/Affirmation

**Block 1** Tennessee allows you to use the FWAB as a temporary registration and absentee ballot request.

**Block 2** Select the category that describes you.

**Block 3** Name (Last, First, Middle)

**Block 4** Sex is required.

Race is requested but not required. Enter the choice that best describes you from the following list: American Indian or Alaskan Native; Asian or Pacific Islander not Native Hawaiian; Black, not of Hispanic Origin; Hispanic; Multi-racial; Native Hawaiian; White, not of Hispanic Origin; Other.

Date of birth is required.

Your full Social Security number is required. If you have never been issued a Social Security number, write "none."

**Block 5** Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

**Block 6** If you are using this form to register and wish to vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party affiliation to the local election official no later than 7 days before the election.

**Block 7** Complete street address of your Tennessee voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

---

**Block 8** Enter your current mailing address (you must provide this information even if your ballot is being emailed to you).

**Block 9** Provide any information that may assist the local election official in accepting this ballot or application.

**Affirmation** Sign and date. No notary required. If you required assistance completing your FWAB, one person must witness and sign.

---

---

### Vote your FWAB

To find the State and Federal races and candidates for which you can vote, go to <http://www.tn.gov/sos/election/qualify/index.htm>.

Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope. Insert the sealed security envelope and the completed and signed Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election commission. Addresses can be found at the end of this section.

---

### How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

## Important information

<b>How can I register to vote as a military or overseas voter?</b>	Fill out and return the Federal Post Card Application (FPCA) to your county election officer. This form allows you to register to vote and identifies you as a voter covered by UOCAVA (Federal law providing special protections).
<b>What is my voting residence?</b>	The place you consider your true, fixed and permanent home.
<b>Do I need to claim a political party to vote in primary elections?</b>	Yes.
<b>How can I submit my FPCA?</b>	By mail, email (scanned, signed image) or fax to the county election officer (who may be the clerk, elections administrator or tax assessor collector) of the county where your voting residence is located. County email addresses are at <a href="http://FVAP.gov">FVAP.gov</a> and <a href="http://www.votetexas.gov">www.votetexas.gov</a> .
<b>How often must I submit my FPCA?</b>	You should submit a new FPCA on January 1st for every calendar year and any time your address or contact information changes.
<b>If I am currently registered to vote, how may I request an absentee ballot?</b>	Submit an FPCA to your local election officer. You may also use the regular State application for ballot by mail, but the FPCA is recommended. The FPCA includes options for requesting a ballot by email for general, special, primary or runoff elections for Federal office OR any special State legislative vacancy election or any local election held jointly with Federal election.
<b>How can I return my voted ballot or Federal Write-In Ballot (FWAB)?</b>	By mail, common or contract carrier, or by fax through FVAP's Electronic Transmission Service (ETS) (however, fax and ETS can only be used if you are an active duty Uniformed Services member or eligible family member and you are casting the ballot from an area where you are eligible to receive hostile fire pay or imminent danger pay, or that has been designated a combat zone by the President).

## Important information

---

<b>What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?</b>	If you have already submitted an FPCA you may use the FWAB to vote in Federal elections; you may use the FWAB to vote in State and local elections only when they are held jointly with a Federal election or an election for State Legislative vacancy.
<b>I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?</b>	No.
<b>Will I need a notary or witness for my FPCA or FWAB?</b>	No.
<b>Where can I find information about the candidates and/or other items that will be on my ballot?</b>	See <a href="http://www.votetexas.gov">www.votetexas.gov</a> for links to county websites; county websites often have local sample ballots.

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) permanently registers you to vote and requests absentee ballots for all Federal elections held through one calendar year of a regularly scheduled general election. If you indicate you are “indefinitely away” in Block 1 on the FPCA, your application will serve as a temporary registration for Federal elections only.

If you submit your FPCA by the 20th day before the election, you will receive a full ballot, unless you indicated you were indefinitely away. FPCAs received after this date will be issued a ballot for Federal contests only.

## Complete the following blocks of the FPCA

---

**Block 1** Select the category that describes you. By checking that you are a U.S. citizen residing outside the U.S. and do not intend to return, you are eligible to receive a Federal ballot only.

**Block 2** To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official. Political party affiliation is not required if only requesting absentee ballots for general elections.

---

**Block 3** Name (Last, First, Middle).

**Block 4** Date of birth.

Your valid Texas Driver’s License number OR personal identification number issued by the Texas Department of Public Safety is required for voter registration. If you do not have either of these numbers, you must provide the last four digits of your Social Security number. If you do not possess any of these identification numbers, you must state so in Block 9.

**Block 5** Strongly recommended but not required. Provide contact information to allow your local election official to follow up if more information is required.

**Block 6** Texas allows you to receive the ballot by mail or by email for any general, special, primary or runoff election for Federal office or any special State legislative vacancy election or any local election held jointly with Federal election. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

---

**Block 7** Complete street address of your Texas voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

**Block 8** Complete address where you want your ballot sent, usually where you currently live. This is required even if email is the selected method of ballot delivery.

**Block 9** In addition to mailing a regular ballot, Texas provides a State Write-In Absentee Ballot to any voter unable to vote in the regular absentee voting process due to military contingencies. You must request this ballot 180 or less days before the election. If you submitted a Voter Registration/ Absentee Ballot Request form more than 180 days before the election, you must make another request for the special State write-in ballot. To make the request, write in Block 9: "Special State Write-In Ballot." Use of a State or Federal write in ballots requires a voter first have an FPCA on file with the Early Voting Clerk. Provide any information that may assist the local election officer in accepting this application.

**Affirmation** Sign and date. No witness or notary required.

You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

Vote for any Federal office in a general, special, primary, or runoff election. To find out the races and candidates for which you can vote, go to <http://www.sos.state.tx.us/>. ## Important information

<b>How can I register to vote as a military or overseas voter?</b>	Fill out and return the Federal Post Card Application (FPCA) to your local election office. This form allows you to register to vote and identifies you as a voter covered by <i>UOCAVA</i> (Federal law providing special protections).
<b>What is my voting residence?</b>	The place you consider your true, fixed and permanent home.
<b>Do I need to claim a political party to vote in primary elections?</b>	Possibly. The Utah Republican Party only allows registered Republicans to vote in its primary election, however, other State parties allow anyone to vote in their primary regardless of party affiliation.
<b>How can I submit my FPCA?</b>	By mail, email or fax.
<b>How often must I submit my FPCA?</b>	The FPCA is good for all Federal elections held through the next regularly scheduled general election. You should submit a new one every time your address changes or every year.
<b>If I am currently registered to vote, how may I request an absentee ballot?</b>	Fill out and return an FPCA to your local election office.
<b>How can I return my voted ballot or Federal Write-In Ballot (FWAB)?</b>	By mail, email or fax.
<b>What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?</b>	You may use the FWAB to register to vote if it is received by the registration deadline. If you are currently registered, you may use the FWAB any time before an election without having previously requested an absentee ballot. The FWAB can be used to register and vote in primary, special, runoff and general elections for Federal, State and local offices, and non-candidate ballot issues.
<b>I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?</b>	No.
<b>Will I need a notary or witness for my FPCA or FWAB?</b>	No witness or notary is required.

## Important information

---

**Where can I find information about the candidates and/or other items that will be on my ballot?**

Please visit [www.elections.utah.gov](http://www.elections.utah.gov) or contact your local election office.

---

## Registering and requesting your absentee ballot

Registration is required. Complete the Federal Post Card Application (FPCA) to request an absentee ballot. When you return your voted ballot, you will be registered. The form requests absentee ballots for all Federal elections held through the next regularly scheduled general election.

---

## Complete the following blocks of the FPCA

**Block 1** Select the category that describes you.

---

**Block 2** The Utah Republican Party only allows registered Republicans to vote in its primary election, however, the other parties allow anyone to vote in their primary regardless of party affiliation. To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than the Friday prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

### Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted.

---

### Complete the following blocks of the FPCA

---

**Block 1** Select the category that describes you.

---

**Block 2** To vote in primary elections, you must enter your political party affiliation. If you are a registered non-partisan or undeclared, you must indicate which party ballot you want to receive. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than 30 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

---

**Block 3** Name (Last, First, Middle).

---

**Block 4** Date of birth.  
The last four digits of your Social Security number are required. If you do not have a Social Security number, your valid Virgin Islands Driver's License number is required for voter registration. If you do not possess either of these identifications, the Virgin Islands will assign a number that will serve to identify you for voter registration purposes.

---

**Block 5** Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

---

**Block 6** The Virgin Islands allows you to receive your ballot by mail or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

---

---

**Block 7** Complete street address of your Virgin Islands voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the island where you claim legal voting residence.

---

**Block 8** Complete address where you want your ballot sent, usually where you live now.

---

**Block 9** Provide any information that may assist the local election official in accepting this application.

---

**Affirmation** Sign and date. No witness or notary required.

---

---

### How and where to submit your FPCA

You must submit the FPCA by mail. The Virgin Islands allows you to submit a copy of the FPCA by fax, but if faxed, the original must also be mailed.

If you choose to mail your FPCA, mail the form directly to your local election office:

Supervisor of Elections  
P.O. Box 6038  
St. Thomas, Virgin Islands 00804  
Fax: (340) 776-2391

OR

Supervisor of Elections  
P.O. Box 1499, Kingshill  
Virgin Islands 00851-1499  
Fax: (340)773-4523

If you choose to fax your FPCA, you must also submit the FPCA by mail. It is recommended you fax the form directly to (340) 776-2391 or (340) 773-4523. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

### Follow-up on your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office. Contact information can be found at [www.vivote.gov](http://www.vivote.gov).

Your jurisdiction will contact you if your application is denied.

---

### Other ballot request methods

#### Ballot request by proxy

If you are currently registered, anyone may apply for an absentee ballot on your behalf if that person can satisfactorily provide the required information about you.

---

#### Late registration

Members of the Armed Forces or Merchant Marine who have been discharged within 60 days of an election may register and vote in that election by presenting the local election official with their discharge papers.

---

### Voting your ballot

***Voted ballots must be postmarked by Election Day and received by the local election office no later than 10 days after the election.***

You must return the voted ballot mail. The Virgin Islands permits you to submit a copy of your voted ballot by fax, though the original must also be mailed. Use FPCA fax instructions under "How and Where to Submit Your FPCA."

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

---

### Tracking your ballot

You may track the status of your ballot by using any of the following methods: TDD toll-free: St. Croix: (877) 773-1021, St. Thomas/St. John: (877) 774-3107, OR at [www.vivote.gov](http://www.vivote.gov) for Email Contact Form.

---

### Haven't received your ballot? Use the Federal Write-In Absentee Ballot.

The Virgin Islands allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in general, primary, special, and runoff elections for Federal office. If using the FWAB for voter registration, it must be submitted to the elections office by the registration deadline. Feel free to use the FWAB to vote any time before an election.

### Vote your FWAB

Vote for any Federal office in a general election. To find out the races and candidates for which you can vote, go to [www.vivote.gov](http://www.vivote.gov). For each office for which you vote, write in either a candidate's name or a political party designation. The Virgin Islands does not elect members to the U.S. Senate or directly participate in the election of the President and Vice President. At the Federal level, only a Delegate to the House of Representatives is elected.

Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

---

### How and where to submit your FWAB

The deadlines for submitting the FWAB are the same as for territory absentee ballots. If you receive the territory ballot after submitting the voted FWAB, you may also vote and return the territory ballot. If both ballots are received by the deadline, only the territory ballot will be counted.

You must submit the FWAB by mail. The Virgin Islands allows you to submit a copy of the FWAB by fax, but if faxed, the original must also be mailed.

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office:

Supervisor of Elections,  
P.O. Box 6038, St. Thomas,  
Virgin Islands 00804

Supervisor of Elections,  
P.O. Box 1499, Kingshill,  
Virgin Islands 00851-1499

If you choose to fax your FWAB, you must also submit the FWAB by mail. It is recommended you fax the ballot directly to (340) 774-3107. Fax numbers can be found at [www.vivote.gov](http://www.vivote.gov). Include ballot, voter affirmation, and cover sheet with secrecy waiver. You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVAP.gov](http://FVAP.gov).

## Important information

---

**What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?**

The FWAB can be used at any time without having previously registered to vote or requesting an absentee ballot in any election in which you are eligible. However, if you are using the FWAB to register it must be received by the registration deadline and Virginia recommends a new FPCA be submitted to request ballots for future elections.

**I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?**

Yes, if Virginia is the residence of your parent or legal guardian currently or immediately before moving outside the United States. However, your eligibility to vote may be restricted to Federal elections, please contact your local registrar for additional information.

**Will I need a notary or witness for my FPCA or FWAB?**

The FPCA only requires a witness if you are unable to sign the application due to physical disability. **The FWAB must be witnessed by one adult (age 18 or older).**

**Where can I find information about the candidates and/or other items that will be on my ballot?**

You can access information through the State Board of Elections website <https://www.voterinfo.sbe.virginia.gov/PublicSite/Public/FT2/PublicElections.aspx>. You can also contact the general registrar for your locality using the list at the end of this guide. Please email for the quickest response.

These applicants may also register in person up to and including Election Day if their active duty requires them normally to be absent from their Virginia voting residence locality, they have returned to reside in their Virginia voting residence locality within 28 days before the election, or they were discharged within 60 days before the election.

Overseas citizens can also register late in person based on being normally absent or having returned within 28 days before the election to the locality of residence.

### Voting by citizens who have never lived in the U.S.

A U.S. citizen who was born abroad and who is eligible to vote and who has never lived in the U.S. may register and vote in the city or county where a parent would be eligible to register and vote.

---

### Voting your ballot

*Voted ballots must be received by the local election office by close of polls on Election Day.*

Voted ballots must be returned by mail.

The oath on the voted ballot's return envelope must be witnessed by an adult age 18 or older.

Voted ballots may be returned by mail or commercial delivery service, but may not be delivered by a personal courier service or another individual. Virginia does not allow voted ballots to be returned by fax or email.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

---

### Tracking your ballot

You may track the status of your ballot at [www.sbe.virginia.gov](http://www.sbe.virginia.gov).

---

### Haven't received your ballot? Use the Federal Write-In Absentee Ballot.

Virginia allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in any election in which you are eligible to vote. You may use the FWAB to vote a back-up ballot before an election. Submit a new FPCA if you want to register and request ballots for future elections. Please contact the State Board of Elections if you are unable to obtain a ballot from your locality in time.

who move overseas for employment may be eligible to vote in State and local elections. Enter the last day of residency at your Virginia voting residence only if you have given up that address permanently or have no intent to return.

Provide any information that may assist the local election official in accepting this application.

**Affirmation** Sign and date in the presence of one witness (age 18 or older).

## Vote your FWAB

Vote in any election in which you are eligible. Citizens residing overseas indefinitely may only be eligible to vote for Federal offices. Virginia prohibits under felony penalty illegally voting in any election in which you know you are not eligible. Please contact the Virginia State Board of Elections or your local general registrar's office in Virginia if you have any questions about the elections in which you are eligible to vote in Virginia.

For each office in which you vote, write in either a candidate's name or political party designation. For each issue on which you vote, identify the issue and write either "yes" or "no." To find out the offices and issues in your locality, go to [www.sbe.virginia.gov](http://www.sbe.virginia.gov).

Once the ballot is complete, fold and place it in the security envelope and seal. **Place only the voted ballot in the security envelope** and do not write on the security envelope.

## How and where to submit your FWAB

If you are using your FWAB for registration, it must be received by the local election office by the applicable registration deadline. For overseas citizens, the deadline is 22 days before most elections. Absent military voters and their eligible family members can register late through Election Day.

If you are already registered, your FWAB must be received by the local election office by the ballot return deadline (close of polls on Election Day).

If you receive your State ballot after submitting the

voted FWAB, please also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

**Please remember your ballot will not count unless your Voter's Declaration/Affirmation is signed by both you and your witness. Virginia does not allow voted FWABs to be returned by fax or email.**

## Important information

How can I register to vote as a military or overseas voter?	Fill out and return the Federal Post Card Application (FPCA) to your local election office. This form allows election officials to identify you as a voter covered by UOCAVA (Federal law providing special protections).
What is my voting residence?	The place you consider your true, fixed and permanent home.
Do I need to claim a political party to vote in primary elections?	Yes, political parties in West Virginia may choose to allow those not affiliated with a party to vote in their primary. Please check with the Secretary of State.
How can I submit my FPCA?	By mail, email or fax. If you are submitting the FPCA to register to vote, you must also mail the original to your county clerk.
How often must I submit my FPCA?	In West Virginia, the FPCA is good for all regularly scheduled Federal elections for the calendar year in which it is submitted. You should submit a new one every time your address changes or after January 1 of each year.
If I am currently registered to vote, how may I request an absentee ballot?	You may submit either the FPCA or the West Virginia Absentee Ballot Application to your local election office.
How can I return my voted ballot or Federal Write-In Ballot (FWAB)?	By mail, email or fax.
What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?	The FWAB can only be used if you have previously requested a ballot from your County Clerk and have not received that ballot. The FWAB may be used to vote in State and local elections.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?	Yes, in the county where either parent would be eligible to vote.
Will I need a notary or witness for my FPCA or FWAB?	No.

## Registering and requesting your absentee ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all Federal elections.

---

## Complete the following blocks of the FPCA

**Block 1** Select the category that describes you.

**Block 2** To automatically vote in primary elections, you must enter your political party affiliation. If you are registered non-partisan or undeclared, you must indicate which party ballot you want to receive. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to your local election official no later than 21 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

**Block 3** Name (Last, First, Middle).

**Block 4** Date of birth. Your valid West Virginia Driver's License or Non-Driver ID Card number or the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

**Block 5** Recommended but not required. Provide your contact information to allow your county elections official to follow up if more information is required.

---

**Block 6** West Virginia allows you to receive your absentee ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your county elections official will mail your ballot to you.

**Block 7** Complete street address of your West Virginia voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

**Block 8** Complete address where you want your ballot sent, usually where you currently live.

**Block 9** Provide any information that may assist the local election official in accepting this application.

**Affirmation** Sign and date. No witness or notary required.

---

## How and where to submit your FPCA

West Virginia allows you to submit the FPCA by mail, email or fax. However, if you are using the FPCA to register to vote you must mail the original to the county clerk.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

sheet with secrecy waiver. You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at [FVAP.gov](http://FVAP.gov), and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at [FVPA.gov](http://FVPA.gov).

### Follow-up on your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to West Virginia's voter registration verification website at <http://apps.sos.wv.gov/elections/voter/am-i-registered.aspx>.

Your jurisdiction will contact you if your registration is denied.

### Voting by citizens who have never lived in the U.S.

A U.S. citizen who was born abroad and who is eligible to vote and who has never lived in the U.S. may register and vote in the county where either parent would be eligible to vote.

### Voting your ballot

***Mailed ballots must be received by the local election official no later than 5 days (excluding Sunday) after general, special and primary elections. Ballots returned by email or fax must be received by the close of polls on Election Day and must include a cover sheet with secrecy waiver and the oath of voter available from the Secretary of State or your County Clerk.***

No witness or notary is required on voted ballots.

You may return the voted ballot by mail, email or fax. Use FPCA instructions under "How and Where to Submit Your FPCA."

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

### Tracking your ballot

You may track the status of your ballot at <https://apps.sos.wv.gov/elections/voter/track-my-ballot.aspx>.

### Haven't received your ballot? Use the Federal Write-In Absentee Ballot.

West Virginia allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in primary, special and general elections for Federal, State, and local offices. If you are registered, and have requested your absentee ballot, feel free to use the FWAB to vote any time before an election.

The best resource for Uniformed Service members and overseas voters is the MyVote Wisconsin website (<https://MyVote.WI.gov>) where you can learn more about registering to vote and requesting and returning your absentee ballot.

## Important information

### How can I register to vote as a military or overseas voter?

Wisconsin does not require Uniformed Service members to register, but you should verify that your town, village, or city clerk has your correct information to ensure you receive the correct ballot.

Permanent overseas voters can use <https://MyVote.WI.gov> to fill out and print your registration; you do not need to provide proof of residence, but you must sign, postmark and mail the MyVote registration form or FPCA 20 days prior to the election to your town, village or city clerk.

### What is my voting residence?

The place you consider your true, fixed and permanent home to which you intend to return. If you are permanently overseas (you have no intent to return to the U.S.) this is the last address at which you resided within the United States.

A dependent of a Uniformed Service member may choose either their most recent Wisconsin residence or the Wisconsin residence of the Uniformed Service member.

## Important information

---

<b>Do I need to claim a political party to vote in primary elections?</b>	No.
<b>How can I submit my FPCA?</b>	<p>Wisconsin recommends Uniformed Service members and registered permanently overseas voters receive, mark, and print their absentee ballot online at <a href="https://MyVote.WI.gov">https://MyVote.WI.gov</a>, rather than submit an FPCA.</p> <p>Voters, who are registering for the first time and are not Uniformed Service members, must sign and mail the FPCA to their town, village, or city clerk. If you are already registered to vote or if you are a Uniformed Service member, you can mail, email or fax the FPCA to request a ballot.</p>
<b>How often must I submit my FPCA?</b>	<p>You should submit a new FPCA every calendar year or every time your address changes.</p> <p>Uniformed Service members and permanently overseas voters can use <a href="https://MyVote.WI.gov">https://MyVote.WI.gov</a> to request their absentee ballot, choose the elections for which they want to receive absentee ballots and indicate if they would like to receive their ballot online, or by mail, email or fax.</p>
<b>If I am currently registered to vote, how may I request an absentee ballot?</b>	Uniformed Service members and permanently overseas voters should use <a href="https://MyVote.WI.gov">https://MyVote.WI.gov</a> to request an absentee ballot. You can also request an absentee ballot from your town, village, or city clerk by submitting a request in writing (email, fax, typed or hand-written).
<b>How can I return my voted ballot or Federal Write-In Absentee Ballot (FWAB)?</b>	You must return your voted ballot by mail or in-person at the town, village, or city clerk's office. Wisconsin does not allow voters to return their ballots electronically.
<b>What must I do to use the FWAB and can I use the FWAB to vote in State and local elections?</b>	<p>Uniformed Service members and their eligible family members may use the FWAB in any election including State and local elections without having made a prior request for a ballot.</p> <p>Permanent overseas voters, who have previously registered and requested a ballot, may use the FWAB to vote in primary or general elections for Federal office only. Otherwise, the permanent overseas voter must submit an FPCA with the FWAB for it to be counted.</p> <p>If you requested to receive your absentee ballot by mail and it does not arrive in time, you can access your ballot through <a href="https://MyVote.WI.gov">https://MyVote.WI.gov</a>. If you are without internet access, use the FWAB.</p>
<b>I am an American citizen, but I have never lived in the U.S., can I register to vote in this State?</b>	Yes. You may register to vote in the town, village, or city where one of your parents was last domiciled before leaving the U.S..
<b>Will I need a notary or witness for my FPCA or FWAB?</b>	Your regular ballot and/or FWAB must be signed and dated in the presence of one adult U.S. citizen witness.
<b>Where can I find information about the candidates and/or other items that will be on my ballot?</b>	You can find town, village, or city clerk contact information at <a href="https://MyVote.WI.gov">https://MyVote.WI.gov</a> on the "Clerk and Office Holder" page. Clerks can provide the names of candidates and the text for ballot questions, voters will want to consult other sources for more information.

## Registering and requesting your absentee ballot

Registration is not required for Uniformed Service members (these include members of the U.S. Army, Navy, Air Force, Marine Corps, Coast Guard, Commissioned Corps of the Federal Public Health Service or the Commissioned Corps of the National Oceanic and Atmospheric Administration, members of the U.S. Merchant Marine, civilians officially attached to a Uniformed Service who are serving outside the U.S., civilian employees of the U.S., Peace Corps volunteers and eligible family members of those listed above). However, these voters must still submit an absentee ballot request or Federal Post Card Application (FPCA), or access their absentee ballot at <https://MyVote.WI.gov>.

Permanent overseas voters are required to register in order to request an absentee ballot. Permanent overseas voters can use the MyVote Wisconsin website (<https://MyVote.WI.gov>) to fill out a voter registration form that they can then print and mail to their town, village, or city clerk to register to vote. The MyVote Wisconsin website also enables permanent overseas and military voters to access their absentee ballot online and select how they want to receive their absentee ballot (online or by mail, email or fax).

Permanent overseas and military voters may also choose to submit the Federal Post Card Application (FPCA). Permanent overseas voters using the FPCA to register must mail the form to their town, village or city clerk. When used solely as a request for absentee ballot, the FPCA may be submitted by mail, email or fax.

Uniformed Service members will receive absentee ballots for all elections held in the calendar year unless they specify otherwise. Permanent overseas voters will receive absentee ballots for all Federal elections held in the calendar year unless they specify otherwise.

U.S. citizens overseas temporarily (you intend to return to the U.S. and are not considered a military voter) may use the MyVote Wisconsin website (<https://MyVote.WI.gov>) to complete and download a registration form to be mailed to your town, village or city clerk. To request an absentee ballot, a written request must be submitted to your town, village or city clerk by mail, email, fax or in-person. Wisconsin voters who are temporarily overseas can only receive their absentee ballot in-person in the town, village or city clerk's office, or via postal mail.

---

### Voting by citizens who have never lived in the U.S.

A U.S. citizen who was born abroad and who is eligible to vote and who has never lived in the U.S. may register and vote in the town, village or city where a parent would be eligible to vote (for Federal

offices only).

---

## Voting your ballot

*Voted ballots must be postmarked by Election Day and received by the town, village or city clerk by 4 pm CT on the Friday after the election.*

The certificate on the voted ballot's return envelope must be witnessed by one adult U.S. citizen, and signed by you and the witness.

Overseas Uniformed Service members should request to have the Prepaid Mail Label 11-DOD applied to their ballot materials at Military Postal Office locations (APO/FPO). This label provides free express mail service to your local election official for voted ballots mailed on or before the general election date. You retain a portion of the label for tracking your ballot through the U.S. Postal Service.

---

### Tracking your ballot

You may track the status of your ballot at <https://MyVote.WI.gov>.

---

## Haven't received your ballot? Use the Federal Write-In Absentee Ballot.

Wisconsin allows Uniformed Service members to also use the FWAB (Federal Write-In Absentee Ballot) to vote for State and local offices, and referenda. These voters may use the FWAB to vote any time before an election.

Wisconsin allows a permanent overseas voter to use the FWAB to vote in primaries or general elections for Federal office only if the voter has previously registered and requested a ballot for this election. Otherwise the voter must submit an FPCA with the FWAB for it to be counted.

---

## Complete the following blocks of the FWAB's voter declaration/affirmation

**Block 1** Wisconsin does not allow permanent overseas voters to use this form to register. Do not check the registration block. (Note: Wisconsin does not require voter registration for Uniformed Service members or their eligible family members).

## Guide for Voting Assistance Officers

---

### Your responsibilities

As a Voting Assistance Officer (VAO), you are part of a worldwide network of military members, U.S. government employees and volunteers who aid in ensuring that citizens covered under the ***Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)*** understand their voting rights and know how to vote absentee.

#### These citizens include:

- active duty members of the Uniformed Services or Merchant Marine
- their eligible family members
- citizens residing outside the U.S.

---

### Keep current

Become familiar with the absentee voting process, the forms, ***FVAP.gov***, your organization and service voting website.

- Keep up-to-date. Sign up to receive news releases from FVAP. To subscribe go online to ***FVAP.gov*** email [vote@fvap.gov](mailto:vote@fvap.gov) and provide your email address.
- Take advantage of FVAP training opportunities. Workshops are offered at military installations, U.S. embassies and consulates worldwide. You can find training schedules at ***FVAP.gov***.
- Coordinate on-site FVAP workshops if one is scheduled for your installation.

---

### Help citizens vote

VAOs provide citizens with accurate and non-partisan voting information and assistance.

- Help citizens fill out the FPCA according to their State's specific requirements. Remind them to include an email address, phone and/or fax number so that the local election offices may contact them, if needed (see ***Help voters***, page 460).
- Help family members, include voting information at family events; work with Family Readiness programs or spouse clubs.

A Uniformed Service member who is living within their voting jurisdiction is not covered under ***UOCAVA***.

Web-based training classes for VAOs and Installation Voter Assistance (IVA) Office personnel are also available! Visit ***FVAP.gov*** for more information.

## Chapter 3 Guide for Voting Assistance Officers

---

- Refer local residents to the Installation Voter Assistance (IVA) Office for local registration (see ***Additional assistance for voters***, page 468).

---

### Promote voter awareness

- Put notices on bulletin boards to increase awareness of how to register and vote. Popular locations include base housing, gyms, exchanges and commissaries.
- Use Armed Forces Voters Week, Overseas Citizens Voters Week and Absentee Voting Week to get the word out (see ***Conduct voter outreach events***, page 464).
- During Absentee Voting Week, announce through various media that voters should return their voted ballots immediately. If citizens have not received their requested State ballot, encourage them to use the Federal Write-In Absentee Ballot (FWAB).

---

### Keep voting supplies available

- Keep an adequate supply of FPCAs for all unit members and their families. As a VAO, you are required to send FPCAs to all unit members and their families by January 15th of each year and all potential voters by July 15, 2014 (see ***Dates for the November 2014 Election***, page 460).
- Additionally, ensure you have enough forms for year-round registration, absentee ballot requests and change-of-address requests for citizens deploying, returning from deployments, moving or PCSing.
- Keep an adequate supply of FWABs on hand year-round for citizens to use in case they do not receive their official State absentee ballot (see ***Keeping voting supplies on hand***, page 465).

---

### Manage your program

- Create or continue a Continuity Folder (see ***Continuity Folder***, page 470).
- List your contact information in your installation directory for referrals.
- Work with your Installation Commander to assign an Assistant Voting Assistance Officer to help with your duties as VAO and support voters in your absence.
- If you serve in an Installation Voter Assistance Office, a handbook for Office personnel is available in the VAO section of ***FVAP.gov***.

Contact info for IVA Offices can be found at ***FVAP.gov***.

Local residents may include civilians, contractors or service members living within their voting jurisdiction.

VAOs with access to a computer, internet and printer can use electronic versions of these forms.

Deploying units should take sufficient paper copies in the event of internet connectivity issues.

---

### Share your good ideas

After each Federal election, the Services and Department of State issue After-Action Reports that include good ideas submitted by VAOs to improve the absentee voting process.

Good ideas are processes and procedures that help the citizens you assist and help you to perform your duties. Good ideas enhance lines of communication among VAOs at all levels and enable you to improve your voting assistance efforts.

#### Your good ideas may come from:

- Personal experiences
- Assessments, audits and appraisals
- Training evaluations
- Operational Readiness Reviews
- Voting activities, such as registration drives

#### Have a good idea?

- Send it to your Service Voting Action Officer.
- Overseas citizen organization VAOs may submit their ideas directly to FVAP at [vote@fvap.gov](mailto:vote@fvap.gov).

Be sure to include a clear statement of your idea and your complete contact information.

#### Examples include:

- Developing relationships with the base Public Affairs office to display voting messages on base marquees and FVAP news releases in the base paper.
- Including your contact information on the bottom of motivational posters so unit members know who to contact for assistance.

Guidance regarding these tasks can be found in the **DoDI 1000.04** and **Service Guidance**. All guidance can also be found on the VAO section of [FVAP.gov](http://FVAP.gov).

### Determining voting residency

To vote in U.S. elections, citizens must have a legal voting residence address in a State or territory. The issue of voting residence can be complex, depending on individual circumstances. Even in States where laws clearly define criteria for determining voting residence, the final determination is generally up to each local election office.

#### **Asking citizens the following questions may help advise them on voting residence:**

- Where have you registered to vote or voted?
- What State or territory has issued you a Driver's License, any other license or identification card?
- Where is your motor vehicle registered?
- Where is your home or home of record?
- What State or territory are you from?
- Where did you live before coming here?
- Where did you live immediately before leaving the United States?
- Where does your family live?
- Where do your parents live?
- Where do you own property?
- What State do you claim for tax residency?

For voting purposes, "legal voting residence" can be in the State or territory where the citizen last resided prior to entering military service **or** the State or territory that the citizen has since claimed as their legal residence.

Even though the citizen may no longer maintain formal ties to that residence, the address determines their proper voting jurisdiction. To claim a new legal residence, the citizen must have simultaneous physical presence and intend to return to that location as their primary residence.

Military and their family members may change their legal residence every time they change permanent duty stations, or they may retain their legal residence. This may mean that the family's Uniformed Service member has a different legal voting residence than his/her family members.

Citizens should consult a Judge Advocate General officer or legal counsel before changing legal residence, because there are usually other factors that should be considered besides voting.

A voting residence establishes the jurisdiction to which the citizen must submit voting materials.

#### **Want information on candidates?**

Visit your State election website where candidate information may be available 30 days before the election. (Links are available at [FVAP.gov](http://FVAP.gov).)

### Helping citizens to complete the Federal Post Card Application (FPCA)

The FPCA can be used by Uniformed Service members, their eligible family members and overseas citizens to simultaneously register to vote and request an absentee ballot. As a VAO, you should help citizens correctly complete their FPCAs if requested. Local election officials determine the citizen's eligibility to vote based on information provided on this application. Citizens should include all contact information (email, telephone, fax and/or mailing address) on their FPCA and submit it early enough for election officials to contact them if there are problems processing the application.

#### Check that FPCAs are filled out correctly.

- Signature and date
- Complete voting residence address (no P.O. Box addresses)
- Legible handwriting
- All information required by the State
- Party preference if the citizen wants to vote in primary elections (if required by the State)
- Witness signature (if required by the State)

Remind citizens to send the FPCA to their local election official in time to be received by the State registration and/or absentee ballot request deadline - **August 1, 2014**. If you are working in an Installation Voter Assistance Office, offer to mail forms on behalf of the voter. Forms should not be sent to FVAP or an embassy/consulate. Overseas voters must contact their embassy or consulate prior to dropping off forms.

Email addresses for VAOs at embassies/consulates can be found on page 479.

### Helping citizens to complete the Federal Write-In Absentee Ballot (FWAB)

If Uniformed Service members, their eligible family members and overseas citizens have requested but have not received their State absentee ballot in time to vote and return it before the deadline, they should use the FWAB.

***If citizens receive their State absentee ballot after submitting the FWAB, they should vote and return the ballot immediately. If the State absentee ballot arrives by the ballot return deadline, the State will count the State absentee ballot instead of the FWAB.***

- To use the FWAB, citizens must have applied for a State ballot before the State's ballot request deadline.
- The FWAB may be used to vote for Federal offices in primary, general, special or runoff elections.
- Some States have expanded the use of the FWAB and accept the FWAB for voting for State and local offices, or allow the FWAB to be used for voter registration and ballot request. Please see State information in **Chapter 2**.

#### Tips for using the FWAB:

- Citizens who have not received a requested State ballot in time to return it before the election should immediately complete and send the FWAB to their local election office. FVAP recommends voters use a FWAB if they have not received their State ballot within 30 days of the election.
- The FWAB must be received by the local election office no later than the ballot return deadline for that election.
- The transmittal envelope must be signed and dated (and the witness or signature must be included if required by that State).

#### Federal offices include:

- The President and Vice President
- U.S. Senators
- U.S. Representatives
- U.S. Delegates (American Samoa, District of Columbia, Guam, the Virgin Islands)
- U.S. Resident Commissioner (Puerto Rico)

---

### Conduct voter outreach events

Each Federal election year (every even-numbered year), FVAP works with the Uniformed Services and the Department of State to promote voter registration and absentee voting by conducting Voting Emphasis Weeks.

---

#### Armed Forces and Overseas Citizens Voters Week: June 30-July 7, 2014

**Your goal:** Deliver Federal Post Card Applications (FPCA) to all unit members and their voting age family members. Encourage everyone to fill out and submit the form immediately.

**What you can do:**

- Conduct a non-partisan voting workshop and registration drive. Invite local election officials from your area to assist.
- Hang voting banners near base entrances or have a voting slogan displayed on base marquees.
- Run voting Public Service Announcements (PSAs) at the base theater.
- Put up motivational posters to tell unit members how to register and request an absentee ballot. Popular areas such as base housing, gyms, commissaries and exchanges serve as great locations. Be sure to include your contact information!
- Help everyone fill out the form.
- Use media outlets to encourage voter registration. Advertise events on Facebook and in base newspapers.
- Plan your events around Independence Day.

Overseas citizen groups and local election officials are excellent resources and VAOs should partner with them to conduct voting events.

Photos from successful Voters Week events can be found on our Facebook page!

---

#### Absentee Voting Week: September 29 - October 6, 2014

**Your goal:** Encourage everyone to return their voted ballots immediately or use the Federal Write-In Absentee Ballot (FWAB).

**What you can do:**

- Ask voters if they've received their requested State ballots. If not, give them a FWAB and tell them how to fill it out and submit it.
- Use media outlets to encourage people to return their State ballot or the FWAB. Run stories in your base newspapers.
- Enlist the help of other VAOs, local election officials or overseas citizen organizations to conduct events to encourage people to return their absentee ballots.

- Put up posters that tell people how to reach you for help. Hang voting banners near base entrances or having a voting slogan displayed on base marquees.
- Run voting PSAs at the base theater.
- Hold unit or installation “Voting Days” where computer terminals are set up for the express purpose of receiving, printing, and where allowed, returning ballots electronically.

---

### Keep voting supplies on hand

Maintaining an adequate supply of voting materials is an essential function of every VAO. Voting materials include the FPCA and FWAB forms, motivational posters, voting banners, and brochures. To order more materials, follow the instructions below.

These documents and other voting handouts (such as the Election Dates poster) are available for download at [FVAP.gov](http://FVAP.gov).

---

### Additional assistance for voters

The Uniformed Services have extensive chains of command to provide voting support for military members and their families.

#### Installation Commanding Officer (CO)

The Installation CO oversees all voting assistance for the installation. The Installation Voter Assistance Office and Installation Voting Assistance Officer report directly to the CO for all voting-related tasks. COs are requested by FVAP to make opening statements at FVAP workshops and facilitate travel arrangements for VAOs to attend workshops at surrounding installations.

#### Installation Voting Assistance Officer (IVAO)

The IVAO acts as a focal point on military installations in coordinating voting assistance support. IVAOs should maintain a roster of all unit VAOs on the installation, establish communications with VAOs, and provide necessary materials and support. IVAOs coordinate FVAP workshops with organizations from their installation and surrounding installations.

#### Installation Voter Assistance (IVA) Office Personnel

These are people who staff the IVA Office. They provide assistance to military personnel, eligible family members, as well as civilian personnel and other civilians who have access to the office. They provide written instruction on voter registration and absentee ballot procedures and report directly to the installation commander. These individuals can be contacted with questions regarding local voting.

#### Legal Assistance Officer

This officer can be contacted with legal questions, such as determining voter residency. Often known as a JAG (Judge Advocate General) officer.

#### Public Affairs/Information Officer

Contact this officer to ensure that voting information is included in installation or unit publications.

## Chapter 3 Guide for Voting Assistance Officers

---

### Inspector General (IG)

The IG is required by Federal law to periodically review voting assistance programs to ensure compliance with DoD and Service directives and regulations.

### Personnel/Human Resources Officer

Contact this officer to ensure that all newly reporting personnel and naturalized U.S. citizens are provided FPCAs and voting assistance.

### Publications, Supply or Distribution Officer

This officer ensures that VAOs receive FPCAs, FWABs and other voting materials.

### Officers-in-Charge

These officers of exchanges, commissaries, special services activities, medical and dental facilities, education centers, family centers, etc. can coordinate the display of voting materials for Armed Forces Voters Week and Absentee Voting Week.

---

### Other non-military support organizations that can assist in voter outreach

- Local election officials
- Veterans and Service Organizations, such as: Veterans of Foreign Wars, the American Legion, the Non commissioned Officers Association and the League of Women Voters
- Civic Groups, American Chambers of Commerce, colleges and universities and support organizations for overseas U.S. citizens
- Spouses' Club, Boy/Girl Scouts and other youth groups

---

## Run your program

### Legal guidelines

VAOs must not provide partisan voting information from candidates, political parties or partisan organizations. Military VAOs may receive questions from voters regarding whether they can distribute and/or display partisan materials at the military installations. VAOs should consult their Commanding Officer for their interpretation of *DoD Directive 1344.10 Political Activities by Members of the Armed Forces on Active Duty*, available at [FVAP.gov](http://FVAP.gov). Federally employed VAOs should refer to the *Hatch Act, Title 5 U.S.C. Sec. 7321*, link available at [FVAP.gov](http://FVAP.gov).

## Chapter 3 Guide for Voting Assistance Officers

---

VAOs can advise citizens on locating information on candidates and issues using national, local and Service newspapers, magazines, radio, television, political party and campaign committee offices, overseas newspapers and periodicals, and State election websites.

---

### Continuity Folder

Continuity of your program is important for you, your assistant, your organization and your successor. Create and maintain a Continuity Folder for your reference and to ensure that your successor understands what he or she is supposed to do. It should provide basic details on absentee voting procedures and contain anything that may help your backup or successor. Your folder should also provide a quick orientation of VAO voting responsibilities. It can be in the form of a notebook, file folder, or an online community folder. Make sure it is readily available to other VAOs and assistants.

Your Continuity Folder should contain at a minimum:

- Your VAO Designation Letter (only military VAOs)
- Current FPCAs and FWABs
- Current ***Voting Assistance Guide*** (updates available at [FVAP.gov](http://FVAP.gov))
- Recent news releases
- Election Dates Calendar (during even-numbered years)
- Current State Department or Service guidance (directive, instruction, order, etc.)
- ***DoD Instruction 1000.04. (Federal Voting Assistance Program)*** and the ***Voting Action Plan***
- Training materials and certificate from workshops
- Good ideas and lessons learned

**You can find all materials listed above in the VAO section of [FVAP.gov](http://FVAP.gov) or through your normal service supply chain.**

**Utilize your program's Continuity Folder to train replacements.**

Most VAO and IVA Office Continuity Folder documents can be downloaded in the VAO Continuity Folder section of [FVAP.gov](http://FVAP.gov).

Never include Personally Identifiable Information about individuals you have assisted!

## Frequently asked questions about absentee voting for Uniformed Service Members, their families and overseas citizens

---

### **Do I have to be registered to vote absentee?**

Registration requirements vary from State to State. Most States and territories require registration to vote absentee. Voter registration and absentee ballot request can be done at the same time by submitting the Federal Post Card Application (FPCA). If you are already registered to vote and only wish to request a ballot, you should submit your FPCA as soon as possible.

### **Where do I send my voter registration/absentee ballot request?**

Your request form must be completed, printed, signed, dated and mailed directly to your local election official. Some States allow your request to be faxed or emailed to your local election office. These officials will handle the processing and distribution of your absentee ballots and may need to contact you for further information or clarification. To facilitate this process, please provide a current email address, phone and fax number on your application.

### **When mailing election materials to my State or territory, do I have to pay postage?**

When mailed from any U.S. post office, U.S. embassy or consulate or APO/FPO mail facility, the hardcopy FPCA form is postage-paid. In order to receive free postage, the online version of the form must be mailed in an envelope printed with our postage-paid envelope template. You may mail the completed form in an envelope with proper postage affixed. Ensure that your form is postmarked (see postmarking instructions in the right column) and sent to arrive before your State's specific deadline. You must pay postage if the materials are mailed from a non-U.S. postal facility.

It is recommended that voted ballots be mailed from your location outside the U.S. rather than be given to another individual to be placed in the U.S. postal system. If the ballot is postmarked from any location inside the U.S. your local election official may not count your ballot.

### **What is a postmark and how do I make sure I get one?**

A postmark is a postal marking made on a piece of mail indicating the date and time that the item was accepted by the postal service. Postmarks are used to determine if voting materials have been mailed by

State deadlines. Due to varying mail pick up times, the day you 'mail' your election mail may not be the day the postal facility postmarks it.

You may ask the mail clerk to hand stamp the election material so that a date is clearly visible. In certain situations a handwritten postmark and signature from you or a notarizing official may be sufficient.

### **When is the best time to apply for an absentee ballot?**

We recommend that you register to vote/request an absentee ballot in January of each year, or at least 90 days before Election Day.

### **Must I submit a separate application for each election?**

A citizen usually does not need to submit a separate application for each election. The length of time an application is good for varies by State. Most accept the Federal Post Card Application (FPCA) as a request for all Federal office elections for the calendar year in which it was submitted. To ensure that you receive absentee ballots for all elections in which you are eligible to vote, we recommend that you submit a new FPCA in January of each year and whenever you have a new mailing address. If you are requesting an absentee ballot for a specific election, note in Block 9 the election for which you are requesting the ballot, i.e., "primary (or special, or general) election only."

Refer to the individual State pages in Chapter 2 for additional information about State and territory requirements.

### **When should I receive my ballot? What happens if I do not receive a ballot from my local election office?**

States and territories must send ballots no later than 45 days before an election. If you have not received your ballot 30 days before the election, contact your local election official.

If you have requested an absentee ballot from your State but have not received it, you can also vote by using the back-up Federal Write-In Absentee Ballot (FWAB). You may submit the FWAB at any time after you submit your FPCA.

**In order to be eligible to use this back-up ballot, you must:**

- Be absent from your voting residence;
- Have applied for a regular ballot early enough so the request is received by the appropriate local election official not later than the State deadline; or the date that is 30 days before the general election; AND
- Have not received the requested regular absentee ballot from the State.

**If you have not received your ballot one month before the election:**

- Go to FVAP.gov and see what online ballot delivery tools are available for your State.
- Use the FWAB online assistant available at FVAP.gov to complete a back-up ballot and submit it to your local election official. If you cannot access FVAP.gov, you can obtain a hardcopy form from your Voting Assistance Officer at military installations or at U.S. embassies/consulates.
- Contact your local election official to determine the status of your ballot. Contact information is available at FVAP.gov.
- When you receive your regular absentee ballot, complete it and return it regardless of when you receive it. Your local election official will ensure that only one of the ballots is counted.

All FWABs must be completed, printed, signed, dated and submitted to your local election official. Check out your State's instructions to determine your State-specific instructions, witness requirements for voted ballots, deadlines and mailing addresses.

**Questions for Uniformed Services/Family Members**

---

**Can I vote absentee?**

You can vote absentee in local, State and Federal elections if you are a U.S. citizen 18 years or older and are an active duty member of the Armed Forces, Merchant Marine, Public Health Service, NOAA, a family member of the above or a U.S. citizen residing outside the United States.

---

**Where is my "legal voting residence"?**

For voting purposes, "legal voting residence" can be the State or territory where you last resided prior to entering military service OR the State or territory that you have since claimed as your legal residence.

Even though you may no longer maintain formal ties to that residence, the address determines your

proper voting jurisdiction. To claim a new legal residence, you must have simultaneous physical presence and the intent to return to that location as your primary residence.

Military and their family members may change their legal residence every time they change permanent duty stations, or they may retain their legal residence without change. This may mean that the family's Uniformed Service member has a different legal voting residence than his/her family members. A Judge Advocate General officer or legal counsel should be consulted before legal residence is changed because there are usually other factors that should be considered besides voting.

---

**My family members are not in the military; can they also vote absentee?**

Yes. Eligible spouses and dependents (U.S. citizens, 18 years or older) of military personnel may vote absentee. Some States allow children of military personnel residing overseas who are U.S. citizens but who have never resided in the U.S. to claim one of their U.S. citizen parent's legal State of residence as their own.

---

**How do I register to vote or request an absentee ballot?**

You may register and request an absentee ballot with a single form: the Federal Post Card Application. This application form is accepted by all States and territories and is postage- paid in the U.S. mail system, including the Military Postal System and State Department Pouch mail. Hard copies of the form can be obtained from your installation's Voting Assistance Officer or requested directly from the Federal Voting Assistance Program.

An online version of the FPCA is also available. The online version of the form must be mailed in an envelope with proper postage, or mailed using our prepaid return envelope.

Your request form must be completed, printed, signed, dated and mailed directly to your local election official.

---

**Can I vote in-person where I am stationed?**

Military members may vote in the U.S. State or territory where stationed if they change their legal residence to that State or territory, even if they live on a military installation. Be advised that there may be legal obligations, such as taxation, if you change your State of residence. Therefore, consult a Judge Advocate General officer or legal counsel before making such a decision.

Currently there are no provisions for personnel stationed outside the U.S. to vote in-person where stationed.

---

## Questions for Overseas Citizens

---

### Can I vote absentee?

You may vote absentee in any election for Federal office if you are a U.S. citizen 18 years or older and reside outside the United States. Only certain States allow U.S. citizens who have never resided in the United States to vote. For more information, go to: [FVAP.gov](http://FVAP.gov).

---

### If I do not maintain a legal residence in the U.S., what is my "legal State of residence"?

Your "legal State of residence" for voting purposes is the State or territory where you last resided immediately prior to your departure from the United States. This applies to overseas citizens even though you may not have property or other ties in your last State of residence and your intent to return to that State may be uncertain.

When completing Block 7 of the request form, be sure to enter the entire mailing address of your last residence, including rural route and number. That address determines your proper voting jurisdiction.

Some States allow children of U.S. citizens residing overseas who are U.S. citizens but who have never resided in the U.S., to claim one of their parent's legal State of residence as their own.

---

### How do I register to vote, or apply for an absentee ballot?

You may register and request an absentee ballot with a single form: the Federal Post Card Application. This application form is accepted by all States and territories and is postage-paid in the U.S. mail system including the Military Postal System and State Department Pouch mail. Hard copies of the form can be obtained from some U.S. embassies or consulates or requested directly from the Federal Voting Assistance Program.

An online version of the FPCA is also available. The online version of the form must be mailed in an

envelope with proper postage, or mailed using our prepaid return envelope.

Your request form must be completed, printed, signed, dated and mailed directly to your local election official.

---

### Can I register or vote in-person at the embassy or consulate?

There are no provisions for in-person voting or on-site registration at U.S. embassies or consulates. U.S. embassy and consular officials can assist U.S. citizens in completing the voter registration/absentee ballot request form or other election materials for their State, witness election materials (if required) and provide other absentee voting information.

You may mail election materials from U.S. embassies and consulates. Remember to make sure that all election material is postmarked.

---

### Can my selection in Block 1 of the Federal Post Card Application or Federal Write-In Absentee Ballot affect my U.S. citizenship?

No, the U.S. Department of State confirms that residing abroad without a set date and intent to return to a particular State is not a potentially expatriating act that could result in loss of U.S. citizenship. Checking "I am a U.S. citizen residing outside the United States, and my return is not certain" will not result in loss of your U.S. citizenship. Persons who wish to renounce U.S. citizenship abroad must take an oath of renunciation before a U.S. diplomatic or consular officer at a U.S. embassy or consulate abroad.

---

### Does voter registration affect my tax status?

Voting for candidates for Federal offices does not affect your Federal or State tax liability. Voting for candidates for State or local offices could affect your State income tax liability depending on the laws of your State. If you are concerned how your response may affect your State tax status, consult legal counsel, a U.S. tax advisor or your State tax authorities.

## U.S. Embassy and Consulate email addresses

U.S. embassies and consulates can provide American citizens with voting forms and information about absentee voting, and can mail voter registration and absentee ballot request forms and voted ballots back to the United States. Embassies and consulates can also advise voters on local mailing options and estimated mail transit times. In addition, the embassy or consulate can notarize or witness voting materials (if required by the State) free of charge. American citizens cannot vote in person at U.S. embassies or consulates, nor can embassies or consulates receive mail or blank ballots on behalf of voters.
