INTRODUCTION
The Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) protects the right to vote for members of the Uniformed Services (including activated Reserve and Guard), Merchant Marines, their spouses and dependents, and United States (U.S.) citizens residing outside the territorial limits of the U.S. It requires each government department to distribute balloting materials and develop a program of information and education for all employees and family members covered by UOCAVA. The Secretary of Defense directed commanders at all levels to support the Federal Voting Assistance Program (FVAP) and encourage maximum participation by Department of the Air Force (DAF) personnel and their dependents to exercise their right to vote.

MISSION
The mission of the DAF Voting Assistance Program (VAP) is to:
- Inform and educate U.S. citizens worldwide of their right to vote
- Administer UOCAVA effectively and efficiently
- Foster voting participation
- Protect the integrity of and enhance the electoral process at the federal, state, and local levels for military and overseas voters

VISION
The DAF VAP is committed to providing first-class assistance so that service members, their families, and overseas citizens can successfully vote absentee anywhere in the world.

PURPOSE
The DAF VAP implements operational guidance for Voting Assistance Officers (VAOs) at both the installation and unit levels. It details voting assistance provided to members of the uniformed Service members, their spouses and dependents, and U.S. citizens who have access to DAF installations.

PARTNERSHIPS

Community partnerships are essential for the VAP to function effectively. Collaborating with on/off-base agencies, overseas citizen organizations, UVAOs, unit deployment managers, key spouses/mentors, and local/county/state election officials, not only helps to maximize resources, but it also helps improve IVAOs’ knowledge while providing customers with the most current, relevant, and accurate information on various topics.

Additionally, it is necessary for IVAOs to work with A&FRC core compliance experts (e.g., Relocation, Transition, Deployment Readiness) to ensure absentee voting information is included during mandatory briefings so Service members know what they must do before and after making a change in assignment, deployment, separation or retirement.
MARKETING
Information on FVAP programs, event schedules, points of contact, community resources both on and off the installation, and availability of services should be provided to installation leaders, Service members, their family members, and U.S. citizens who have access to DAF installations.

Marketing strategies and websites to use for assisting in this endeavor may include, but are not limited to:

MARKETING STRATEGIES:

- Conduct nonpartisan voting workshops and registration drives.
- Hang voting banners near installation entrances or display a voting slogan on installation marquees
- Run voting Public Service Announcements (PSAs) at the installation theater
- Put up motivational posters with voter registration information in popular areas such as installation housing, gyms, commissaries, and exchanges. Be sure to include your contact information
- Use media outlets to encourage voter registration. Advertise events on Facebook and in installation newspapers
- Plan your events around a holiday theme
- Host unit or installation "Voting Days" where computer terminals are set up for the purpose of receiving, completing, and printing ballots

MARKETING MATERIALS AVAILABLE ON FVAP WEBSITE
To assist VAOs in your effort to market the installation voting program, FVAP created materials to cover many topics related to absentee voting. Handouts, posters, Service-
specific public service announcements, YouTube videos, and digital media are a few examples of the tools available for VAOs to download, print, and share as needed.

Handouts and factsheets help explain the absentee voting process, provide election dates, and important contact information. There are also voting posters for every election year to help ensure absentee voters are aware of the tools and resources FVAP provides, as well as how to contact FVAP and the local VAOs. Some products such as wallet cards, tri-fold brochures and posters are better shared using FVAP’s pre-printed copies. To request hardcopy products, email vote@FVAP.gov.

Public service announcements and digital media content toolkits support VAOs as they help Service members, their families and overseas citizens vote absentee. VAOs may customize and publish this shared content on digital channels like websites, blogs, social media and email. Please contact FVAP if you would like assistance sharing this information, experience any issues downloading the files or would like to request additional materials.

MARKETING MATERIALS AVAILABLE ON DAF E-PUBLISHING WEBSITE
The DAF e-Publishing website also has several printed marketing materials and forms available at no cost. Steps to create an account, a list of materials available, and how to order materials from the website are attached. (Attachment: ePUBS ORDERING INSTRUCTIONS)

STATISTICAL TRACKING
AF FAMILY INTEGRATED RESULTS AND STATISTICAL TRACKING (AFFIRST)
AFFIRST is a web-based, data gathering, service delivery management system established to provide timely information about daily activities, outcome-based results, and return on investment of A&FR services throughout the DAF. All IVAOs will utilize this system for data gathering, record keeping, and information management. (Attachment: AFFIRST DOCUMENTATION)

FVAP ADMIN PORTAL
The FVAP Admin Portal is a systematic means for IVAOs and UVAOs to report the number of voting assistance provided and forms distributed and to measure essential management information for reporting, control, and process improvement. FVAP outlines measures of effect and performance, along with justification for each, in the FVAP Admin Portal Documentation attached. (Attachment: FVAP ADMIN PORTAL DOCUMENTATION)

AFPC/DPFF will monitor and gather data from AFFIRST and the FVAP Admin Portal related to the effectiveness criteria of the voting program. Based on data recorded, AFPC/DPFF will provide each MAJCOM a semi-annual update of their installations’ programs to assist leaders in determining priorities and resources for Airman and Family Readiness programs.
