1. Purpose. To issue the Navy Voting Action Plan per the Federal Voting Assistance Program (FVAP) Action Plan and references A through G. This Action Plan is meant to serve as an easy-to-use reference for Voting Assistance Officers and will be updated and revised as-necessary. Enclosure (8) provides step-by-step instructions for a new Voting Assistance Officer (VAO) as well as tips and tricks to run an efficient program.
 - a. **Note:** DoD Instruction 1000.04 is the authoritative governing document for the Federal Voting Assistance Program and service-specific voting assistance programs. OPNAVINST 1742.1C is currently under revision to reflect DoD Instruction 1000.04, which superseded DoD Directive 1000.04. When OPNAVINST 1742.1C and DoDI 1000.04 conflict, DoDI 1000.04 shall take precedence.
2. Background. The Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) protects the right to vote for members of the Uniformed Services, Merchant Marines, their spouses and dependents, and United States citizens overseas. As the Presidential Designee for oversight of the Federal Voting Assistance Program (FVAP), the Secretary of Defense has directed commanders at all levels to support the FVAP and encourage maximum participation by Department of the Navy personnel and their dependents in exercising their right to vote. The goal is to contact 100% of Navy personnel (all active duty personnel, including civilians assigned overseas) and their voting age dependents. The main resource for assisting voters is the Voting Assistance Officer (VAO). Every Navy command of 25+ members shall designate a VAO. VAOs offer assistance with voter registration, requesting a ballot, and they manage the command voting program. The easiest way for citizens to register to vote absentee is via the FVAP online website: www.fvap.gov. For key terms and definitions, see Enclosure (1).
3. Objective. To ensure that Navy personnel and their eligible family members are provided all necessary information so that they are able to participate in the election process to the maximum extent permitted by law.
4. Responsibilities.
 - a. The Navy Service Voting Action Officer (SVAO) manages the Navy's voting assistance program in accordance with reference A and C. The SVAO provides direction, training and assistance to all levels of the voting assistance program and maintains program policy, including this action plan.
 - b. All VAOs are responsible for maintaining a command-level voting assistance program IAW references A and B. In addition, Echelon II VAOs, Region VAOs, and VAOs of senior commands are responsible for overseeing proper program execution by subordinate commands IAW references A and B.
 - c. Installation Voting Assistance Officers (IVAOs) are responsible for the specific duties outlined in references A through B and for managing the Installation Voter Assistance Office (IVA Office).

- (1) Primary functions of IVAOs are to act as a designated voter registration agency, to increase awareness throughout the installation, to be a central point of contact at the installation, and to submit quarterly reporting metrics on the FVAP portal, and keep office information updated with the SVAO.
 - (2) IVA Offices must be “functionally separate” meaning they are not used for any other duty except for voting assistance. IVA Offices should also be in a location that is easy for all customers to get to. Because of these aspects, the IVA Office does not have to be an entire office. It can be a desk/functionally separate space that is only used for voting assistance within a larger space that has other roles/responsibilities. E.g. a small desk with voting forms within an Administration office.
 - (3) Per reference B all IVAOs are required to have a voting specific email. The recommended format for this email is to create a voting specific distribution list within the VAO’s command that includes both the VAO’s email and vote@navy.mil.
 - (4) Per reference E all IVAOs are required to have at least 1 printed copy of the National Mail Voter Registration Form (https://www.eac.gov/assets/1/6/Federal_Voter_Registration_6-25-14_ENG.pdf) on hand to provide to non-absentee voters if requested, due to the office’s functionality as a Voter Registration Agency.
- d. Recruiters are required, per reference E, to be trained as VAOs and to offer voting assistance services to every customer that enters their office. To carry out this duty, they are required to offer the Voter Registration Information Form (DD 2645) to every customer for them to indicate whether or not they would like to receive voting assistance. These forms must be maintained on file for two years. Every customer that indicates that they would like to receive services shall be given the National Mail Voter Registration Form. Recruiters are required to maintain an account and metrics on the FVAP portal. The forms and further Recruiter guidance can be found at <https://www.fvap.gov/vao/recruiter>.
5. Action. The Navy SVAO, VAOs and IVAOs are responsible for the execution of actions outlined in this action plan, the Plan of Action and Milestones at Enclosure (2), and references A through B.
 6. Reporting.
 - a. Reporting shall be conducted via the FVAP portal at <https://www.fvap.gov/portal/vao/metrics-report.html>. Quarterly reports will be on the FVAP Portal as follows: Quarter 1 (Jan-Mar) due Mar 31st; Quarter 2 (Apr-Jun) due Jun 30th; Quarter 3 (Jul-Sep) due Sept 30th; Quarter 4 (Oct-Dec) due Dec 31st. Quarterly

reports shall include the metrics outlined in Enclosure (6) and are announced via email along with the proper reporting template.

- b. In addition to reporting, all VAOs should maintain records on-file of: metrics outlined in Enclosure (6); VAO designation; VAO training certificates; command-wide training; and distribution of absentee voter registration forms, as required by reference B. These records will support program inspections and data calls that may be required by FVAP. Additionally, VAOs are required to complete command assessments after elections on even-numbered years and forward these assessments to CO/OIC for review, as required by reference A.

7. Training.

- a. VAOs are required to complete training and retain on file their proof of training before assuming duties as VAO. Training may be completed online via FVAP's website (<http://www.fvap.gov/vao/training>).
- b. VAOs are encouraged to attend in-person FVAP hosted training workshops. The 2018 schedule is posted on the FVAP portal dashboard. In the event that a workshop is not being held locally for the VAO, online training may be completed as a substitute. In-person training or online training must be completed every even year.
- c. IVAOs are required to complete IVAO-specific training and retain on file their proof of training, before assuming duties as Installation Voting Assistance Officer. Training may be completed online (<https://www.fvap.gov/vao/training/office-training>).
- d. Recruiters are required to complete Recruiter-specific training and retain on file their proof of training. Training may be completed online (<https://www.fvap.gov/vao/recruiter/recruiter-training>).
- e. VAOs shall ensure that all members of their command receive yearly training covering the absentee voting process and related resources. The training methodology will be decided by the command. Training materials are available online at (<https://www.fvap.gov/vao/training/voter-training>). VAOs must maintain a record of training completed.
- f. Recruit Training Command shall ensure that all recruits receive absentee voting training IAW reference A.

- 8. Performance Evaluations. In accordance with US Code (law), reference F: "Performance evaluation reports pertaining to a member who has been assigned to serve as a voting assistance officer shall comment on the performance of the member as a voting assistance officer." All VAOs shall ensure their respective Commanding Officers are aware of this requirement. Including "VAO" in the collateral duties on fitness reports and evaluations satisfies

this requirement. It does not require taking up any of the valuable space in the actual comments section of an evaluation or fitness report.

9. Essential Materials.

- a. All VAOs and IVAOs should maintain on file and be familiar with the following materials: The Voting Assistance Guide (Guide), Federal Post Card Application (AKA: FPCA, SF-76) and the Federal Write-in Absentee Ballot (AKA: FWAB, SF-186), both of which were revised in 2017 for greater ease-of-use. Older editions, **dated 2013 or newer**, may still be used. The 1995 and 2005 revisions of the form cannot be accepted. The 2018-2019 Guide is based on 2017 forms. This means that the 2018 guide can be used to complete the older forms but not every data field may match up exactly.
- b. 2018-2019 Voting Assistance Guide (Guide) — this is the basic reference document of the Federal Voting Assistance Program. Hard copies have been mailed to each Installation Voter Assistance Office in limited quantities. VAOs that require hard copies should contact their IVAO. IVAO contact information can be found at: <http://www.fvap.gov/info/contact/iva-offices>.

The Guide is updated continually over the year. Therefore, it is recommended that VAOs use the online version that is always current at: <http://www.fvap.gov/vao/vag>. The VAG includes the following information:

- (1) Explanation of current procedures for absentee registration and voting in each state, the District of Columbia, the Commonwealth of Puerto Rico, and the territories of American Samoa, Guam, and the Virgin Islands.
 - (2) Absentee registration and voting deadlines established by the states, territories, and other jurisdictions, along with dates of primary and general elections.
 - (3) Addresses and contact information for local election officials in each state, territory and other jurisdictions.
- c. Federal Post Card Application (FPCA, SF-76)— Because hard copies are very expensive, they should only be used when necessity dictates (i.e.: ground units without computer access). ***The most efficient method to complete the FPCA is by directing voters to utilize the online wizard at www.fvap.gov.*** The online wizard asks voters a series of questions to fill-in the form. At the end, forms can be printed along with postage-paid and addressed envelopes that can then be mailed. Lastly, electronic versions of the FPCA are available online: <http://www.fvap.gov/eo/overview/materials/forms>. The electronic version can be completed in the same method as the hard copies. The following pertains to the FPCA:
 - (1) The FPCA, a postage-paid form, is authorized by law for use by persons covered by the Uniform and Overseas Citizens Absentee Voting Act. The FPCA informs

local election officials of a voters mailing address and registers them to vote absentee for the calendar year. It should be completed yearly.

- (2) The FPCA was revised in 2017 to include more information and to make the form easier to use. Editions of the form 2013 and newer may continue to be used.
 - (3) Because there are differences in how the FPCA is processed by various states and other jurisdictions, the Voting Assistance Guide should be reviewed to determine how the form should be completed. Note: This step is not required if using the online FVAP wizard.
 - (4) The FPCA must be distributed every year by January 15th and every even year by July 15th.
- d. Federal Write-In Absentee Ballot (FWAB, SF-186) —Because hard copies are very expensive, they should only be used when necessity dictates (i.e.: ground or ship units without computer access). ***The most efficient method to complete the FWAB is by directing voters to utilize the online wizard at www.fvap.gov.*** The online wizard asks voters a series of questions to fill-in the form. At the end, forms can be printed along with postage-paid and addressed envelopes that can then be mailed. Lastly, electronic versions of the FWAB are available online: <http://www.fvap.gov/eo/overview/materials/forms>. The electronic version can be completed in the same method as the hard copies. For those who wish to use the FWAB, the following criteria must be met:
- (1) The FWAB serves as an ‘emergency ballot’. If a voter has registered absentee by completing the FPCA and has not received his/her ballot by mail within 30 days of election, the voter should complete the FWAB. If the regular ballot is received after the FWAB is mailed, the ballot should also be voted and returned.
 - (2) The FWAB may be submitted by uniformed services personnel and their family members when absent from their voting residence and located either inside or outside of the U.S., and by other U.S. citizens when located outside the United States. The United States is defined as the 50 states, the District of Columbia, Puerto Rico, Guam, the Virgin Islands, and American Samoa.
 - (3) The FWAB must be received by the local election official no later than the deadline for receipt of regular absentee ballots under state law.
 - (4) See the Voting Assistance Guide for specific details on FWAB use and completion.
- e. FVAP marketing materials—posters, pocket reference cards, brochures, fact-sheets; Limited quantities have been shipped to IVA Offices. Contact your IVAO to inquire about obtaining an allotment. Additionally, high-resolution versions of all materials are posted on FVAP’s website that can be printed (<http://www.fvap.gov/vao>). Digital copies can also be used as desktop backgrounds, screen savers, Facebook banners, etc. Hard copy materials can also be ordered from Navy Logistics Library (<https://nll2.ahf.nmci.navy.mil/>) with the following stock numbers:

- (1) Voting Brochure: Send Your Vote Home ([0500LP1158857](#))
- (2) Voting Brochure: Whenever They Are ([0500LP1159148](#))
- (3) Voting Brochure: Your Job is Hard ([0500LP1159979](#))
- (4) Voting Poster: 16x22 inches ([0506LP1141921](#))
- (5) Voting Poster: Make it Count ([0500LP1158827](#))
- (6) Voting Poster: Send Your Vote Home ([0500LP1158861](#))
- (7) Voting Poster: Wherever They Are ([0500LP1159149](#))
- (8) Voting Poster: Your Job is Hard ([0500LP1159981](#))

- (10) Federal Post Card Application ([0506LP1118885](#))
- (11) Voting Wallet Card: Your Job is Hard ([0500LP1159980](#))

- f. Navy Voting Toolkit (and CD)—A comprehensive toolkit has been created to assist VAOs and IVAOs. Resources include: POD Notes, FAQ's, references and instructions, sample designation letter, training, marketing materials, etc. The toolkit is available for download at <http://www.fvap.gov/vao/continuity> under the "Good ideas and lessons learned" heading.

10. Marketing and Awareness.

- a. One of the primary responsibilities of every IVAO and VAO is to increase awareness, making sure that Sailors and their family members, as well as DoD contractors and civilians overseas, are aware of the resources available to them in exercising their right to vote. Your goal is to help members of your command understand if they are eligible to vote absentee, how the process works, the ways to register to vote, and to update your command about key voting related events and dates.
- b. All VAOs are encouraged to increase awareness through the use of Plan of the Day (POD) notes, posters, banners, informational booths in high-traffic areas, command ombudsman, advertising at local MWR facilities, etc. All IVAOs and UVAOs are also encouraged to coordinate with their Public Affairs Officers to include Navy Voting Facebook and Twitter posts on their installation/unit Facebook pages. There are an unlimited number of ideas; creativity and motivation are essential.
- c. Navy Voting Smartphone App—Every installation has an MWR smartphone app that is available in standard app stores. The local IVAO information for every installation is listed on these apps and each has a link to fvap.gov resources such as the Guide, the online wizard, pre-deployment/separation checklists and downloadable pdf versions of the forms.
- d. Specific awareness weeks and milestones are outlined in Enclosure (2).

This document is meant to be 'living and breathing'. Therefore, it will be continually updated as the situation warrants throughout the year. The revision number and summary of changes will be kept current. For any questions related to the Navy Voting Assistance Program, email vote@navy.mil

2018 Voting Assistance Officer (VAO) “One Stop Shopping”

1. **If you are a new VAO, welcome!** Voting Assistance Officer is an important collateral duty that can be very rewarding. It is very manageable and won't take much time at all. There are Recruiters, Unit VAOs and Installation VAOs. Every Recruiter must be trained as a VAO and offer assistance to every voting age customer that visits their office. Unit VAOs (UVAOs) are in every Navy command of 25 or more people; Installation VAOs (IVAOs) are specifically appointed by Installation COs and man the IVA Office. The Navy Voting Assistance Program Manager, located in Washington DC, can be reached for answers to questions by emailing vote@navy.mil
 - a. **UVAOs:** Bullets 1-16 apply
 - b. **IVAOs:** Bullets 1-17 apply
 - c. **Recruiters:** Bullets 6-8 and 18 apply
2. **The VAO's primary responsibility** is to be an expert on all-things voting for the command, including voter registration and the absentee voting process. VAOs assist absentee voters within the command. Keep reading to learn how!
3. **The Federal Voting Assistance Program (FVAP)** is the overall Department of Defense organization responsible for implementing legislation to help service members, family members, and civilians living overseas vote absentee. Think of FVAP as the parent company that maintains oversight over all of the services' voting activities.
4. **What are your other major responsibilities?**
 - a. SUBMISSION OF QUARTERLY METRICS ON THE FVAP PORTAL (see bullets 6 & 7)
 - b. Email out the FPCA by January 15th of every year and by July 15th of every even year.
 - c. Print and read the program instructions (see bullet 8)
 - d. BE PRESENT IN YOUR COMMAND (and give yearly training, see bullet 11)
 - e. Pass your command IG inspections by maintaining a continuity binder, containing:
 - (1) DoDI 1000.04
 - (2) OPNAVINST 1742.1C
 - (3) A copy of this “one stop shopping” memo
 - (4) The Navy Voting Action Plan
 - (5) Letter of designation (see bullet 9)
 - (6) Training certificate (see bullet 10)
 - (7) Records of command training (see bullet 11)
 - (8) Any emails that you send to your command, relating to voting
 - (9) PDF printouts of the metrics submitted in the FVAP portal (see bullet 7)
5. **What can you do to get your program started or refreshed?**
 - a. Complete your training, get designated, and get familiar with the FVAP website at www.fvap.gov. This is the primary resource where you can find all necessary information, guidance, training, and voting related resources, to include posters and other downloadable items for your command. At the left center side of the FVAP homepage, you will see a link (button) for VAOs.
6. **Register for an account on www.FVAP.gov and report your metrics!** All VAOs across the military are required to maintain an account in the FVAP portal and submit a quarterly report. Don't worry, it only takes a few minutes every 90 days. *The Navy and FVAP have the ability to track who does and who does not submit metric. Even if you have zero assistance provided in a quarter you must still log in and submit “0”.* Please register for an

2018 Voting Assistance Officer (VAO) “One Stop Shopping”

account – here’s how:

- a. From the website home screen at www.fvap.gov, scroll down and locate “Admin Portal” on the very bottom right hand corner of the screen.
- b. Accept the privacy terms to get to the sign in page. From here, select “Register for an Account.”
- c. **UVAOs and IVAOs select “Installation Voting Assistance Officer”**. The portal was designed based on the Army, where every unit reports to the Installation CO. By selecting IVAO you will be able to see and monitor your subordinate’s accounts. **Recruiters select “Recruiter”**.
- d. Fill out the rest of the information. In the “Service Unit” block, start typing your unit’s name – as you do, the block will auto-fill with possible matches. Select your unit from the list of matches. If it doesn’t come up try your UIC. If you cannot locate your unit, simply type it in as you wish it to appear, and proceed with registration. The SVAO will have to approve your account and may ask for further information.

7. **Quarterly Reporting on the FVAP portal.** Once you’ve established an account, you’ll be required to log on and submit a quarterly report (every 90 days, calendar year, as explained below.) Submitting your report is easy. **Just log in to your account, click on the METRICS tab towards the top of the page, fill in the blocks, and click SAVE. Your report will be automatically submitted to FVAP when you hit SAVE.** The portal allows for rolling submissions, so you may choose to update your report whenever you provide voting assistance throughout the quarter. Otherwise, a few days before the quarter ends, submit your numbers. Please be as accurate as possible, but educated guesses are better than no information at all. *Please email vote@navy.mil if you have questions.* Deadlines follow:

- a. **Quarter 1 – Submit before 31 March**
- b. **Quarter 2 – Submit before 30 June**
- c. **Quarter 3 – Submit before 30 September**
- d. **Quarter 4 – Submit before 31 December**

What counts as Metrics? Count all “active assistance”. This means emails, phone calls, in-person assistance. If you email your command of 200 military the FPCA and the annual training, you would put 200 in “Forms Distributed- Electronic FPCA” and 200 in “General Voting Information” in the military column. Passive forms that can’t be measured such as a poster or a Plan of the week posted on your command’s sharepoint don’t count.

IVAOs must log metrics under both the “Unit Metrics” tab AND the “Office Metrics” tab. Unit metrics is everything you did for your actual unit, while office metrics account for everything you did for individuals outside your unit that visited/emailed/called your office.

TIP: *Accounts expire every 45 days even though the requirement is to submit metrics Quarterly.* Create a monthly calendar reminder in your Outlook to log into the FVAP portal. This will keep your account active. Go in and update metrics each time, even if all you do is press “submit” again. This will ensure you absolutely have metrics logged for the quarter.

8. **Program instructions.** The Navy's Voting Assistance Program instruction is OPNAVINST 1742.1C and it is based upon the overarching DoD Instruction 1000.04. Be sure to read through these instructions and keep a copy on hand for your voting program binder. All instructions can be found at www.fvap.gov.
9. **Designation letter.** You are required to be designated in writing by your CO/OIC. A sample letter can be found

2018 Voting Assistance Officer (VAO) “One Stop Shopping”

in the Navy Voting Action Plan and the Navy Voting Toolkit. Please keep this letter in your program binder.

10. **VAO training.** You are required to complete training before being officially assigned, otherwise you won't be prepared to assist voters. You may complete training online: <http://www.fvap.gov/vao/training>. Be sure to keep a copy of your training certificate in your program binder, which should be maintained at the command and passed down from VAO to VAO. IVAOs and Recruiters have specific training listed in that link.
11. **Command Training.** You are required to administer annual, GMT style voting training and keep attendance records in your program binder. The method of training is up to you, but you can find slide decks and training materials online at: <http://www.fvap.gov/vao/training/voter-training>

TIP: Create outlook reminders to send an email out before January 15th and before July 15th that has both the FPCA and the military voter training PowerPoint or pdf attached. Save a copy of the sent email in both your outlook and a printed copy with the emails it was sent to in your continuity folder. This will satisfy both the FPCA requirement and the annual training requirement and ensure that you have records of both. Keep copies of these emails for 2 years.

12. **Voting alerts.** You can sign up for them on FVAP's website at <http://www.fvap.gov/vao/alerts>. FVAP will send you pertinent information about elections, workshop schedules, events, etc.
13. **Navy Voting Facebook Page.** You can find it at www.facebook.com/navyvoting. Updates and other information will be posted. Please be sure to click the 'like' button on the page to help spread the word. There is also a Navy VAO Facebook group to help one another with lessons learned: <https://www.facebook.com/groups/1699117943698409/> It is not mandatory to join but is a resource.
14. **Navy Voting Smartphone App.** Every installation has an MWR smartphone app that is available in standard app stores. The local IVAO information for every installation is listed on these apps and each has a link to fvap.gov resources such as the Guide, the online wizard and downloadable pdf versions of the forms.
15. **PER FEDERAL LAW.** Voting Assistance Officers are required to have their performance commented on in an official military evaluation report. For Navy VAOs, listing that you are a VAO in the collateral duty block of your EVAL or FITREP will satisfy this requirement. Please do so.
16. **VAO of the Quarter.** If you think you are or one of your subordinates is doing a particularly great job as a VAO, regardless of the size of the command/installation. Submit an application for VAO of the Quarter to the SVAO at the end of the Quarter. The template can be found in the Navy Voting Action Plan. The SVAO will decide on Navy VAO of the Quarter and submit that package to FVAP to be judged against the other services for FVAP VAO of the Quarter. All winners will be considered for the Navy/ FVAP VAO of the Year.
17. **Installation VAOs.** If you are a IVAO you have a few more requirements than the average VAO:
 - a. **IVA Office:** The biggest difference between normal VAOs and IVAOs is that you must maintain a “functionally separate” office. This means that the space can't be used for anything other than voting assistance. However, it does not need to be as elaborate as an actual office. It can be a separate desk within your work space that is only used for voting assistance. It has to have access to a computer, printer, phone and scanner. These don't have to be assets used only for voting assistance. For example, if you are your command's Admin officer, a small desk within the

2018 Voting Assistance Officer (VAO) “One Stop Shopping”

Admin office with voting forms, etc. is the actual “IVA Office” but it has access to the assets within the Admin office (possibly your work computer and the office printer/scanner).

- b. **IVAO Email:** IVAOs are required to establish/maintain a distro for their office that can be publicized on FVAP and other resources that includes at a minimum the IVAO and vote@navy.mil. Most installations already have one established. Contact the SVAO with questions.
 - c. **NVRF Form:** Because IVA Offices are Voter Registration Agencies, anyone can technically request assistance registering to vote there even if they aren’t Absentee Voters. To do this they must complete a National Voter Registration Form. It is very rare that anyone ever asks for this, but you are required to have at least 1 printed copy on hand. <https://www.eac.gov/voters/national-mail-voter-registration-form/>
 - d. **Outreach Weeks:** There are two outreach weeks per even year. The Armed Forces Voters Week at the end of June and the Absentee Voters Week in September. You are expected to do increased outreach during or around these weeks at your installation. See the Navy Voting Toolkit for ideas.
18. **Recruiters.** By law (the National Voter Registration Act) every Recruiter must be trained as a VAO and offer assistance to every voting age customer that enters their office.
- a. **Forms.** Each customer who is a U.S. citizen and will be 18 years old or older by the date of the election must be offered the Voter Registration Information Form (DD 2645). While you can’t force them to, every customer should indicate on the DD 2645 whether or not they would like assistance and sign. These forms must be kept for 2 years and can be completed digitally. If they indicate they would like assistance and are a civilian, give them the National Mail Voter Registration Form. Once they complete it, mail it in for them
 - i. **DD 2645:** <https://www.fvap.gov/uploads/FVAP/Forms/dd2645.pdf>
 - ii. **National Voter Mail Registration Form:**
