

2013 Federal Write-In Absentee Ballot (FWAB) Quick Reference Guide

The Federal Write-In Absentee Ballot (FWAB) is for use by Service members, their eligible family members and U.S. citizens residing overseas. This write-in absentee ballot can be used as a backup when the voter is living outside the voting residence, has applied for a regular State ballot through the Federal Post Card Application (FPCA, SF 76) and has not received the requested State ballot in time to vote by the election deadline.

The FWAB was redesigned in 2013, and while previous versions of this form are marked obsolete per DoD rules, older forms that contain the required information will be accepted by the election officials. Current forms can be found at FVAP.gov.

BLOCK 1

- Many States require applicants to have previously registered to vote and requested an absentee ballot
- If the applicant has not previously registered to vote and requested an absentee ballot, check the Voting Assistance Guide to see if the applicant's State allows the FWAB to be used as an application for voter registration and request for an absentee ballot

BLOCK 3

- Applicants should provide their full, legal name

BLOCK 5

- Encourage applicants to provide telephone and fax numbers and email as contact information for follow-up questions from election officials

BLOCK 7

- Each applicant must have a legal residence address in a State or territory to vote in U.S. elections.
- For a uniformed service member, the State on the Leave and Earnings statement is often the State of the applicant's legal residence address

BLOCK 9

- The applicant's State may require additional information in this box—consult the State directions in the VAG
